RE: Goshen Road Tree Removal-**ROAD CLOSURE EXTENSION**  
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the removal of several large trees in preparation for culvert replacement and berm/shoulder repairs, and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

The road closure that was in place for Goshen Road **from Tuesday 2-14-2017 through Friday 2-17-2017 from 7AM to 5PM**, will be **extended to Tuesday 2-21-2017 from 7AM to 5PM**. The closure is located between 6330 & 6334 Goshen Road. The length of detour is approximately 3.99 miles or 21,086 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

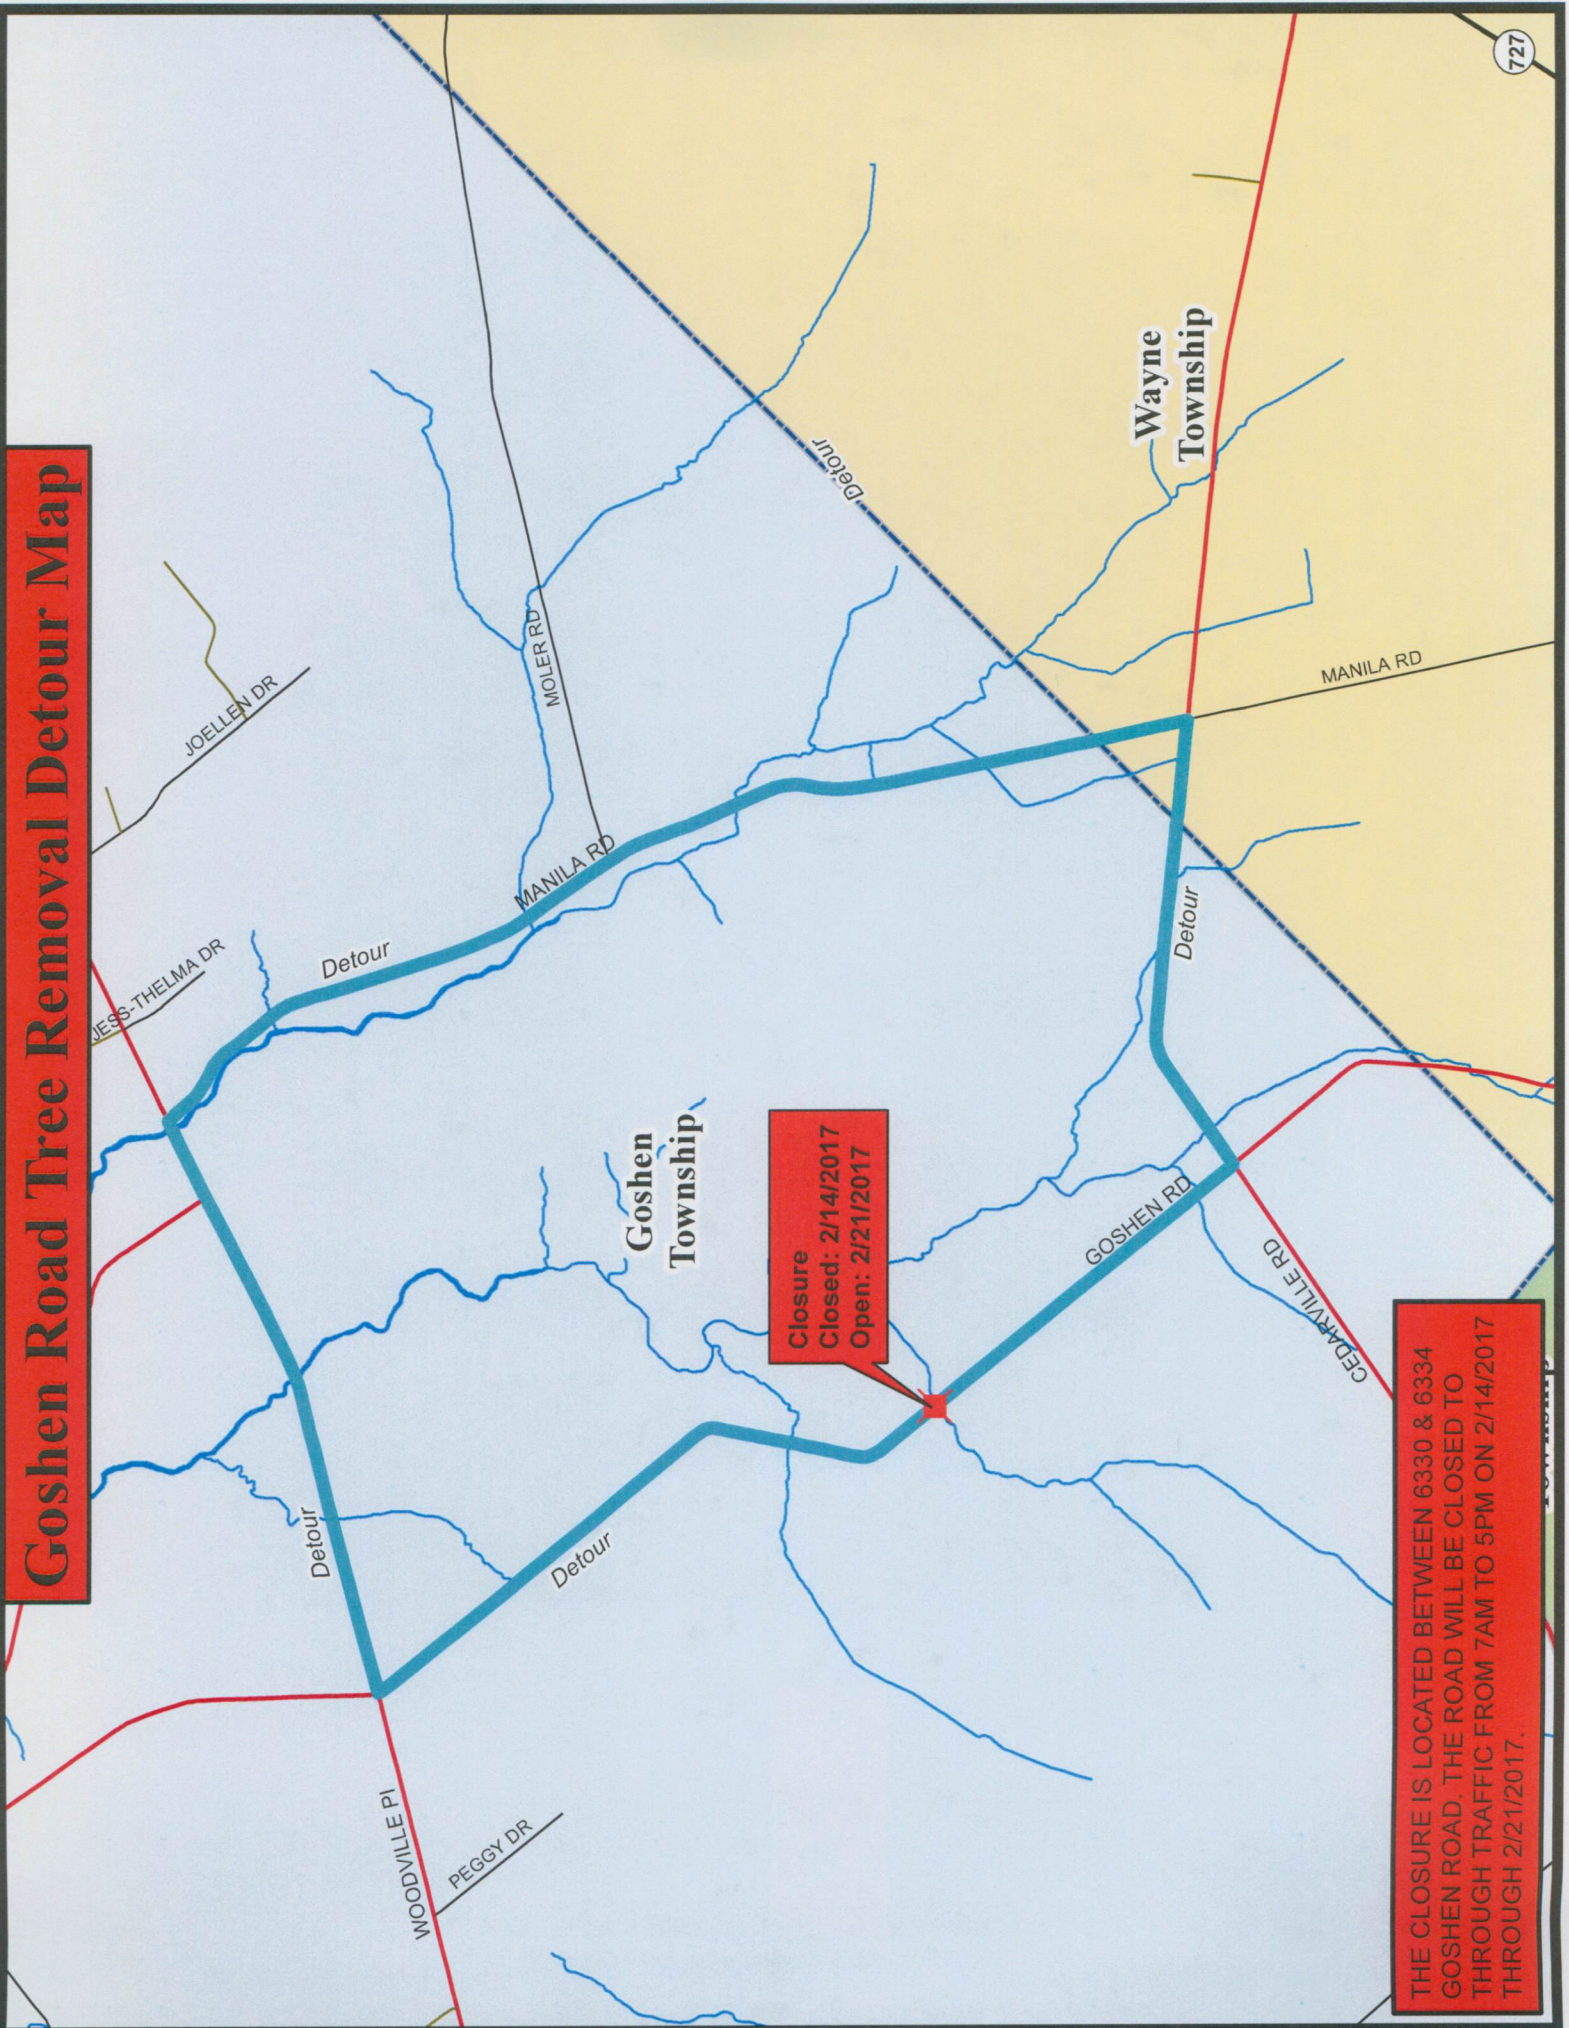

Sincerely,

Patrick Manger, P.E., P.S.  
Clermont County Engineer
