

BOARD OF COUNTY COMMISSIONERS
CLERMONT COUNTY, OHIO

ROBERT L. PROUD EDWIN H. HUMPHREY DAVID H. UIBLE

Immediate Release – February 11, 2014

On Tuesday, February 11, 2014 at approximately 2:30 p.m., the Historic Covered Bridge located on Stonelick-Williams Corner Road collapsed as construction crews were working to rehabilitate the bridge. The cause of the collapse remains under investigating. No injuries reported and the bridge remains closed.

The Clermont County Engineer, Pat Manger, will be meeting with the contractor to assess the situation and determine next steps. For more information, please contact at the Clermont County Engineer's Office at 513-732-8857 or pmanger@clermontcountyohio.gov.
