

## CLERMONT COUNTY ENGINEER'S OFFICE

Jeremy Evans, P.E., P.S.  
Clermont County Engineer

May 11, 2026

Board of County Commissioners  
101 East Main Street  
Batavia, OH 45103

RE: Chapel Road Utility Work Detour  
Batavia Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Chapel Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for Duke Energy to complete scheduled utility upgrades.

The closure is located between Heritage Farm Lane and SR 222 on Chapel Road. **The road will be closed to through traffic from 9AM to 2PM on Wednesday, May 27, 2026, and Thursday, May 28, 2026.** The length of the detour is approximately 4.12 miles or 21,745 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will be responsible for installing and maintaining all detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Lucas Braun 513-732-8857.

Sincerely,

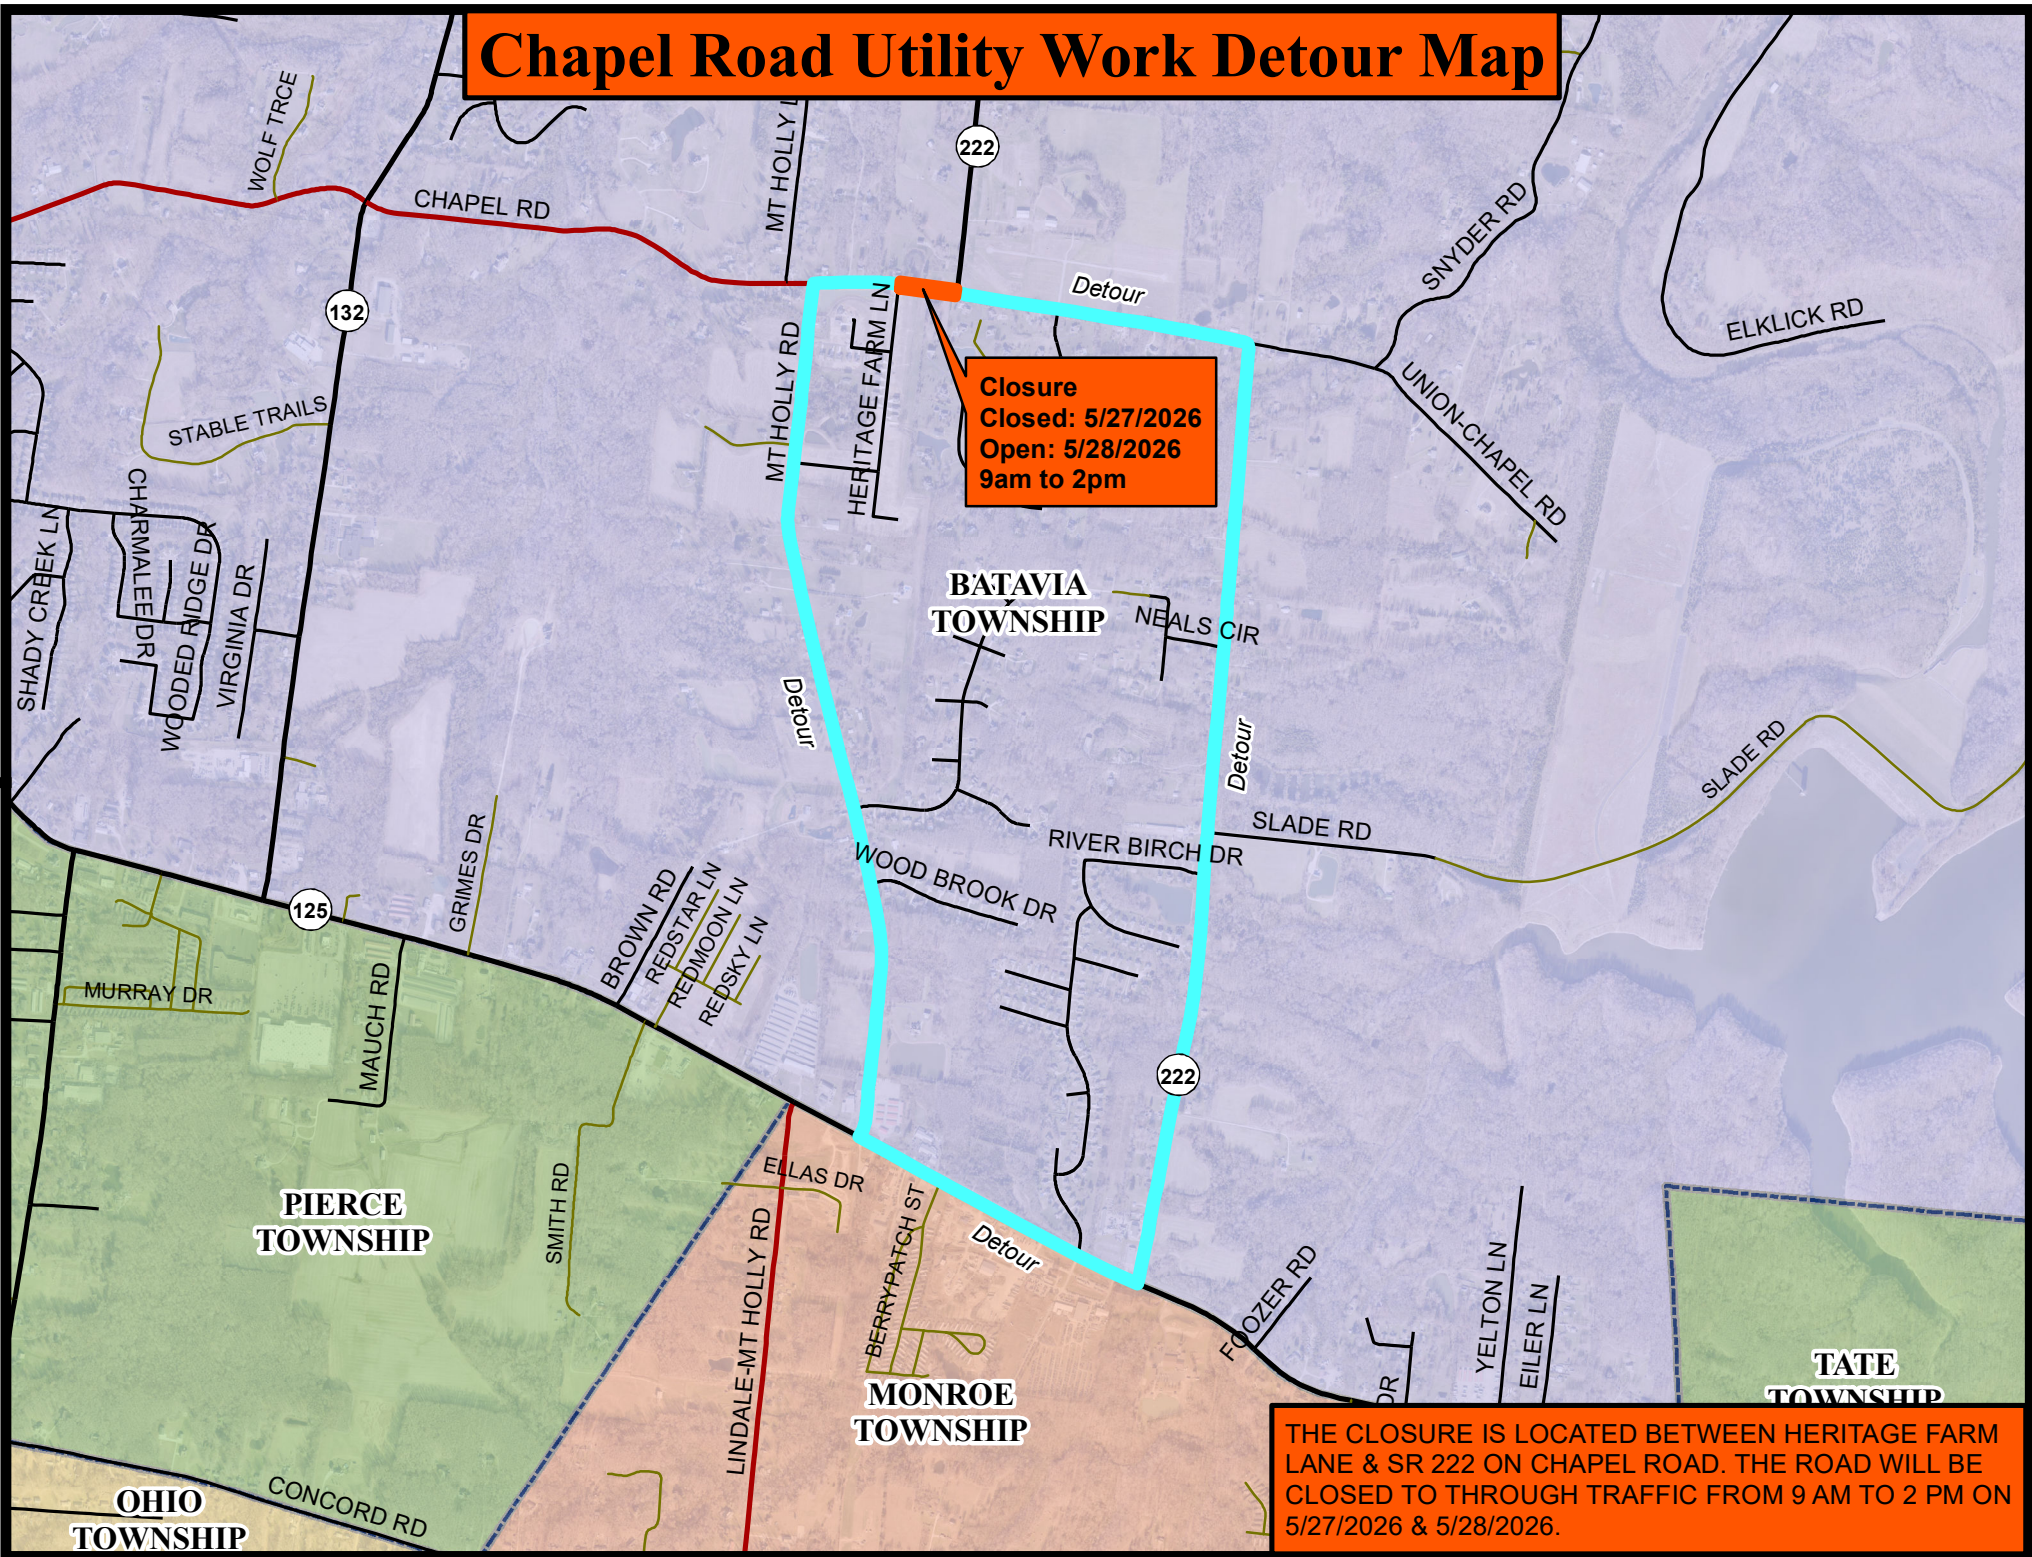

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.  
County Engineer
