RE: Jenny Lind Road Utility Work Detour
Pierce Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Jenny Lind Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for Duke Energy to complete their scheduled utility upgrades.

The closure is located just south of Denny Drive on Jenny Lind Road. **The road will be closed to through traffic from 9AM to 2PM on Wednesday, May 13, 2026, and Thursday, May 14, 2026.** The length of the detour is approximately 5.43 miles or 28,668 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will be responsible for installing and maintaining all detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Lucas Braun at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

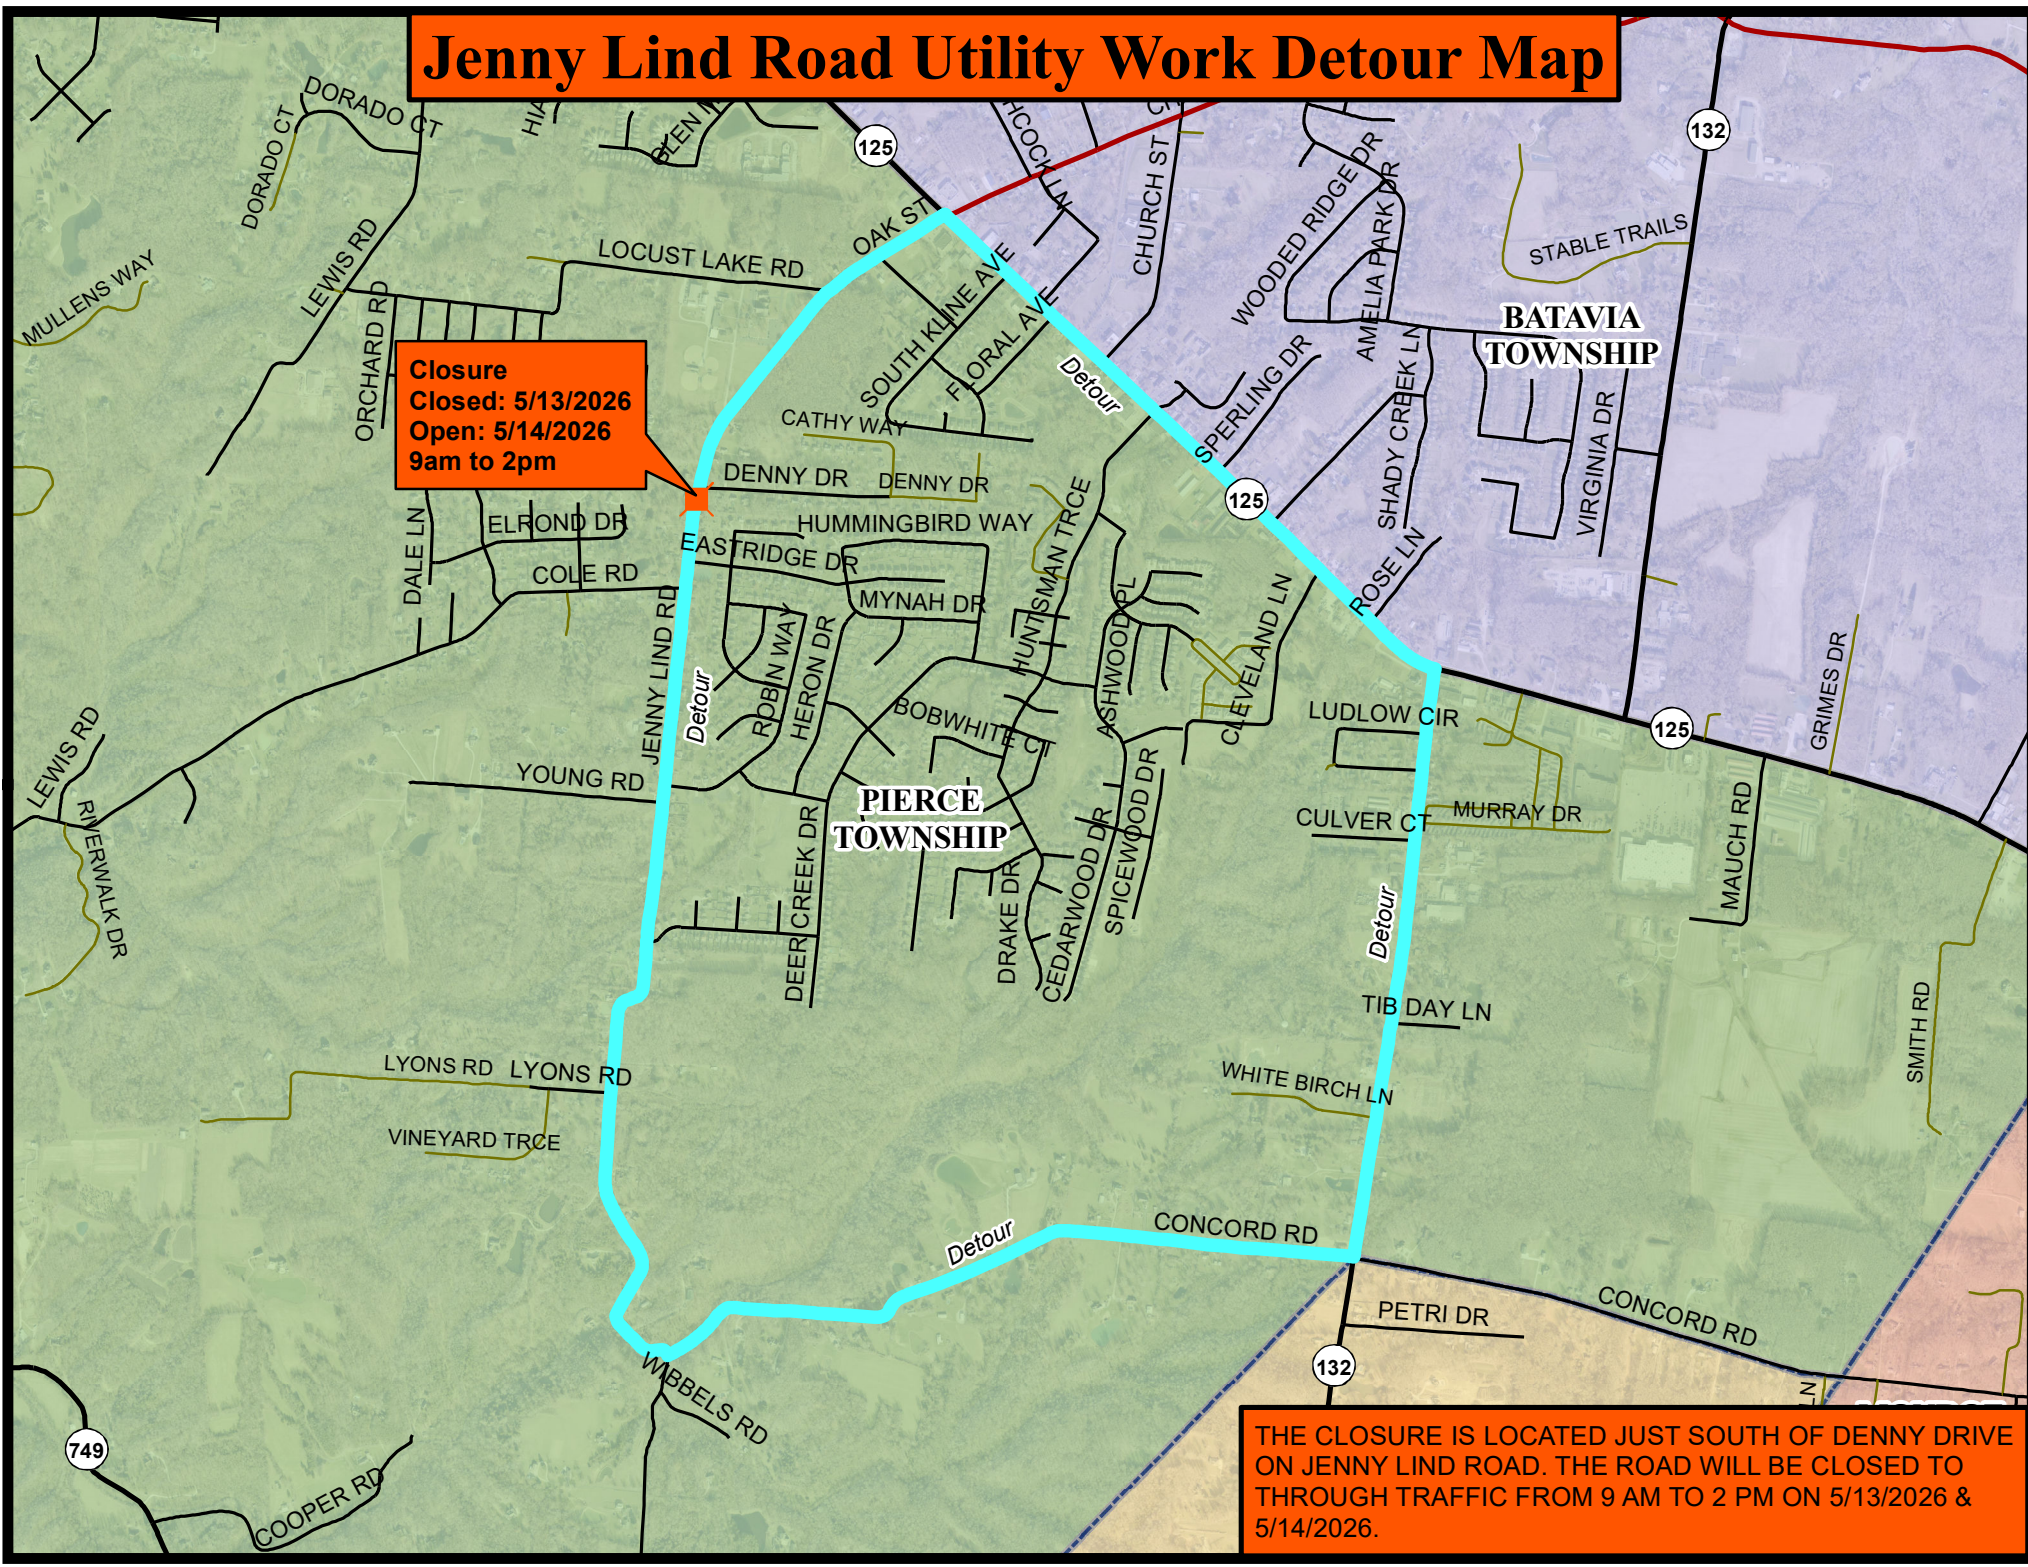

Jeremy P. Evans, P.E., P.S.
County Engineer
