

## CLERMONT COUNTY ENGINEER'S OFFICE

Jeremy Evans, P.E., P.S.  
Clermont County Engineer

May 5, 2026

Board of County Commissioners  
101 East Main Street  
Batavia, OH 45103

RE: Price Road Landslide Repair Detour  
Miami Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Price Road, as it is impractical to construct a temporary highway, culvert, or bridge. This closure is necessary for our contractor to complete repairs associated with the landslide on Price Road.

The closure is located between address 5970 and 6040 Price Road. **The road will be closed to through traffic beginning Monday, May 18, 2026, through Friday, June 19, 2026.** The length of the detour is approximately 8.19 miles or 43,225 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain advance notice and detour signage. The contractor will be responsible for installing and maintaining barricades and closure signage at the work zone. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Fredrick Sturgis at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.  
County Engineer
