Batavia, OH 45103

RE: Baldwin Road Landslide Repair Detour
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Baldwin Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our contractor to complete landslide repair work along Baldwin Road.

The closure is located between address 1437 and 1440 Baldwin Road. **The road will be closed to through traffic beginning Monday, August 17, 2026, through Friday, September 18, 2026.** The length of the detour is approximately 7.09 miles or 37,452 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain the advance notice and detour signage. The contractor will place barricades and signs at the project site. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Fredi Sturgis at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
