RE: Beechwood Road Drainage Improvements Detour
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Beechwood Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our crews to complete drainage improvements along Beechwood Road.

The closure is located between address 4876 and 4908 Beechwood Road. **The road will be closed to through traffic from 8AM to 5PM on Tuesday, September 8, 2026, through Friday, September 18, 2026.** The length of the detour is approximately 12.43 miles or 65,658 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain the detour signs throughout the duration of the closure. Access to all homes within the closure limits will be maintained by the crew on site. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Evans", written over a horizontal line.
