Batavia, OH 45103

RE: Business 28 Utility Connection Project Detour
Miami Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Business 28, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for the contractor to connect sewer and water utilities for address 995 Business 28.

The closure is located between Elm Street and Eastern Avenue on Business 28. **The road will be closed to through traffic from 7AM to 5PM beginning Monday, August 17, 2026, through Friday, August 28, 2026.** The length of the detour is approximately 2.54 miles or 13,392 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will install and maintain all detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mike Lober at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Evans", written over a horizontal line.

Jeremy P. Evans, P.E., P.S.
County Engineer
