RE: Clough Pike & Dixie Lane Culvert Replacement Detour
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Clough Pike and Dixie Lane, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our crews to replace the intersection pipe under Dixie Lane.

The closure is located at the intersection of Dixie Lane and Clough Pike. **Clough Pike and Dixie Lane will be closed to through traffic from 8AM to 5PM on Tuesday, September 22, 2026, and Wednesday, September 23, 2026.** The length of the detour is approximately 3.44 miles or 18,142 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain the detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
