Batavia, OH 45103

RE: Clough Pike Utility Connection Project Detour
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Clough Pike, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for the contractor to complete a sanitary sewer connection on Clough Pike.

The closure is located 310' north of Presidential Drive on Clough Pike. **The road will be closed to through traffic from 8AM to 5PM on Monday, August 31, 2026, through Friday, September 4, 2026.** The length of the detour is approximately 3.63 miles or 19,190 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will install and maintain all detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Eric Ely or Tommy Houlihan at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
