RE: Cook Road Drainage Improvements Detour
Miami Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Cook Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our crews to repair and replace culverts, repair berms, and clean and reshape ditches as needed along Cook Road.

The first closure is located just south of Newberry Avenue on Cook Road. Once work is completed at that location, the crews will move north to the next closure along the road. **Cook Road will be closed to through traffic from 7:30AM to 5PM beginning Monday, July 13, 2026, through Tuesday, July 28, 2026.** The length of the detour is approximately 4.93 miles or 26,055 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain the detour signage throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.
County Engineer
