RE: Deerfield Road Watermain Connection Detour
Goshen and Miami Townships

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Deerfield Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for the contractor to complete a watermain tie-in.

The location of the closure is near address 5867 Deerfield Road. **Deerfield Road will be closed to through traffic beginning Tuesday, November 3, 2026, through Thursday, November 5, 2026.** The length of the detour is approximately 7.75 miles or 40,901 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor is responsible for installing and maintaining all detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Eric Ely or Tommy Houlihan at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
