RE: Edenton-Pleasant Plain Road Drainage Improvements Detour
Wayne Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Edenton-Pleasant Plain Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our crews to replace culverts CC43-1 and CC43-2 and replace the berm near those culverts.

The closure is located between address 6633 and 6652 Edenton-Pleasant Plain Road. **Edenton-Pleasant Plain Road will be closed to through traffic beginning Monday, October 5, 2026, through Tuesday, October 13, 2026.** The length of the detour is approximately 3.23 miles or 17,070 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain all detour signs throughout the duration of the project. Local traffic will be maintained. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
