Batavia, OH 45103

RE: Filager Road Sanitary Connection Project Detour
Batavia Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Filager Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for a contractor to complete a sanitary sewer connection.

The closure is located approximately 330' southwest of East Filager Road on Filager Road. **Filager Road will be closed to through traffic beginning Tuesday, November 17, 2026, through Friday, November 20, 2026**.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor is responsible for installing and maintaining all detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Lucas Braun at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
