RE: Marathon-Edenton Road Waterline Relocation Detour
Wayne Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Marathon-Edenton Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for the contractor to relocate the waterline in preparation for the upcoming bridge replacement on Bridge No. C82-5.68.

The closure is located north of No. 9 Road on Marathon-Edenton Road. **Marathon-Edenton Road will be closed to through traffic beginning Tuesday, November 3, 2026, through Thursday, November 5, 2026.** The length of the detour is approximately 6.24 miles or 32,973 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor is responsible for installing and maintaining all detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
