Batavia, OH 45103

RE: Shiloh Road Bridge No. T196-1.21 Maintenance Detour
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Shiloh Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our contractor to install waterproofing on the bridge deck.

The closure will be located between address 6676 and 6680 Shiloh Road. **The road will be closed to through traffic beginning Tuesday, October 6, 2026, through Wednesday, October 7, 2026.** The length of the detour is approximately 4.20 miles or 22,199 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain the detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
