RE: Spring Grove Road Bridge No. C114-0.43 Replacement Detour
Tate Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Spring Grove Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary to allow the contractor to complete a bridge replacement project.

The closure is located between address 3749 and 3756 Spring Grove Road. **The road will be closed to through traffic beginning Monday, July 27, 2026, through Friday, October 2, 2026.** The length of the detour is approximately 7.77 miles or 41,016 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will install and maintain all detour signage throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Fredi Sturgis at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
