RE: Williamsburg-Bantam Road Drainage Improvements Detour
Tate Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Williamsburg-Bantam Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our crews to repair and replace culverts, repair berms, and clean and reshape ditches as needed along Williamsburg-Bantam Road.

The first closure is located between address 2621 and 2627 Williamsburg-Bantam Road. The crews will begin working at that location. Once work is completed, they will move east to the next closure. **The road will be closed to through traffic from 7:30AM to 5PM beginning Monday, July 27, 2026, through Friday, July 31, 2026.** The length of the detour is approximately 4.76 miles or 25,136 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will install and maintain all detour signs throughout the duration of the closure. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.
County Engineer
