RE: Ninemile-Tobasco Road Bridge No.C95-1.15 Replacement
Pierce Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Bridge replacement on Ninemile-Tobasco Road Bridge No.95-1.15 and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

Therefore, I have scheduled a road closure on Ninemile-Tobasco Road. The closure is located just south of Woodland Trail on Ninemile-Tobasco Road. **The road will be closed to through traffic on Monday 8-19-2019 through Tuesday, December 17, 2019.** The length of detour is approximately 6.97 miles or 36,791 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

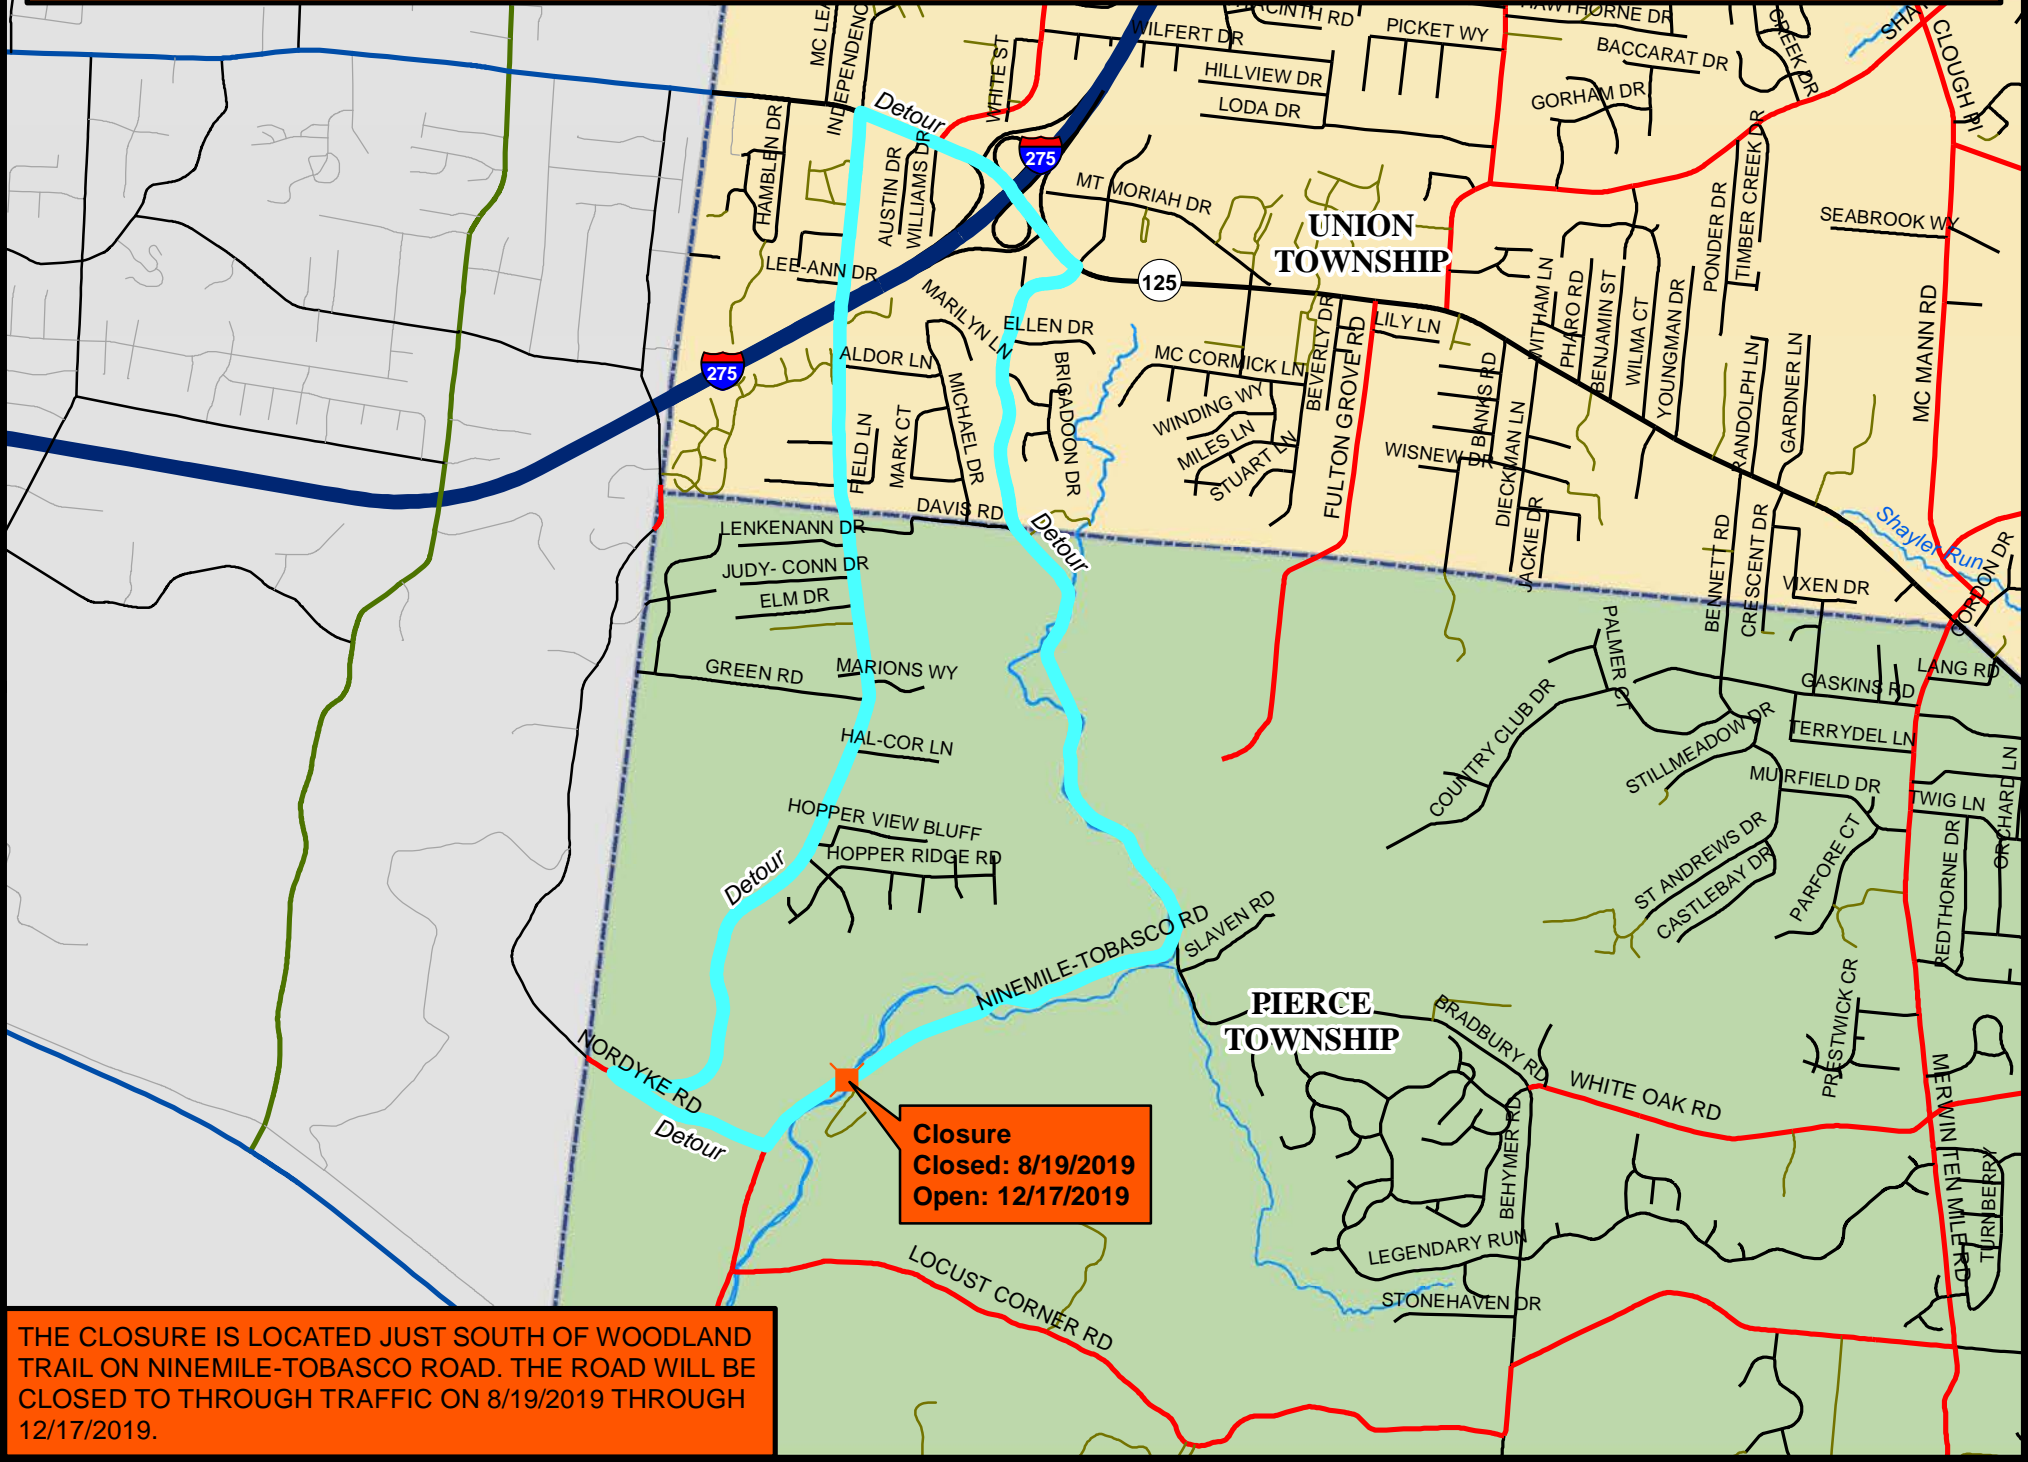

Sincerely,

Douglas E. Royer, P.E.
Deputy Engineer
