RE: Mt Holly Road Culvert No.CC88-0.79 Replacement  
Batavia Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary for the Culvert Replacement on Mt. Holly Road and that it is impractical to construct a temporary highway/culvert and that a temporary detour is required.

Therefore I have scheduled a road closure on Mt Holly Road. The closure is located between address 210 and 214 Mt Holly Road. **The road will be closed to through traffic from 7AM to 5PM on Wednesday 9-18-2019 through Thursday 9-19-19.** The length of detour is approximately 4.23 miles or 22,308.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
