Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that an emergency road closure is necessary on Stonelick Williams Corner Road due to storm damage that occurred overnight to the Covered Bridge( No. C116-1.21), and that a detour is required.

Therefore I have scheduled an emergency road closure on Stonelick Williams Corner Road. **The closure is in effect immediately, today Wednesday 02-26-2020 until further notice.** The closure is located between 5266 and 5281 Stonelick-Williams Corner Road. The length of detour is approximately 11.74 miles or 61,975

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,
