RE: Loveland-Miamiville Road Closure- Utility Work
Miami Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Loveland Miami Road for Utility Work, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

Therefore I have scheduled a road closure on Loveland Miami Road. The closure is located 125' west of Jannie Lane on Loveland-Miami Road. **The road will be closed to through traffic from 9AM to 3PM on Wednesday 3-4-2020.** The length of detour is approximately 3.09 miles or 16,329 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

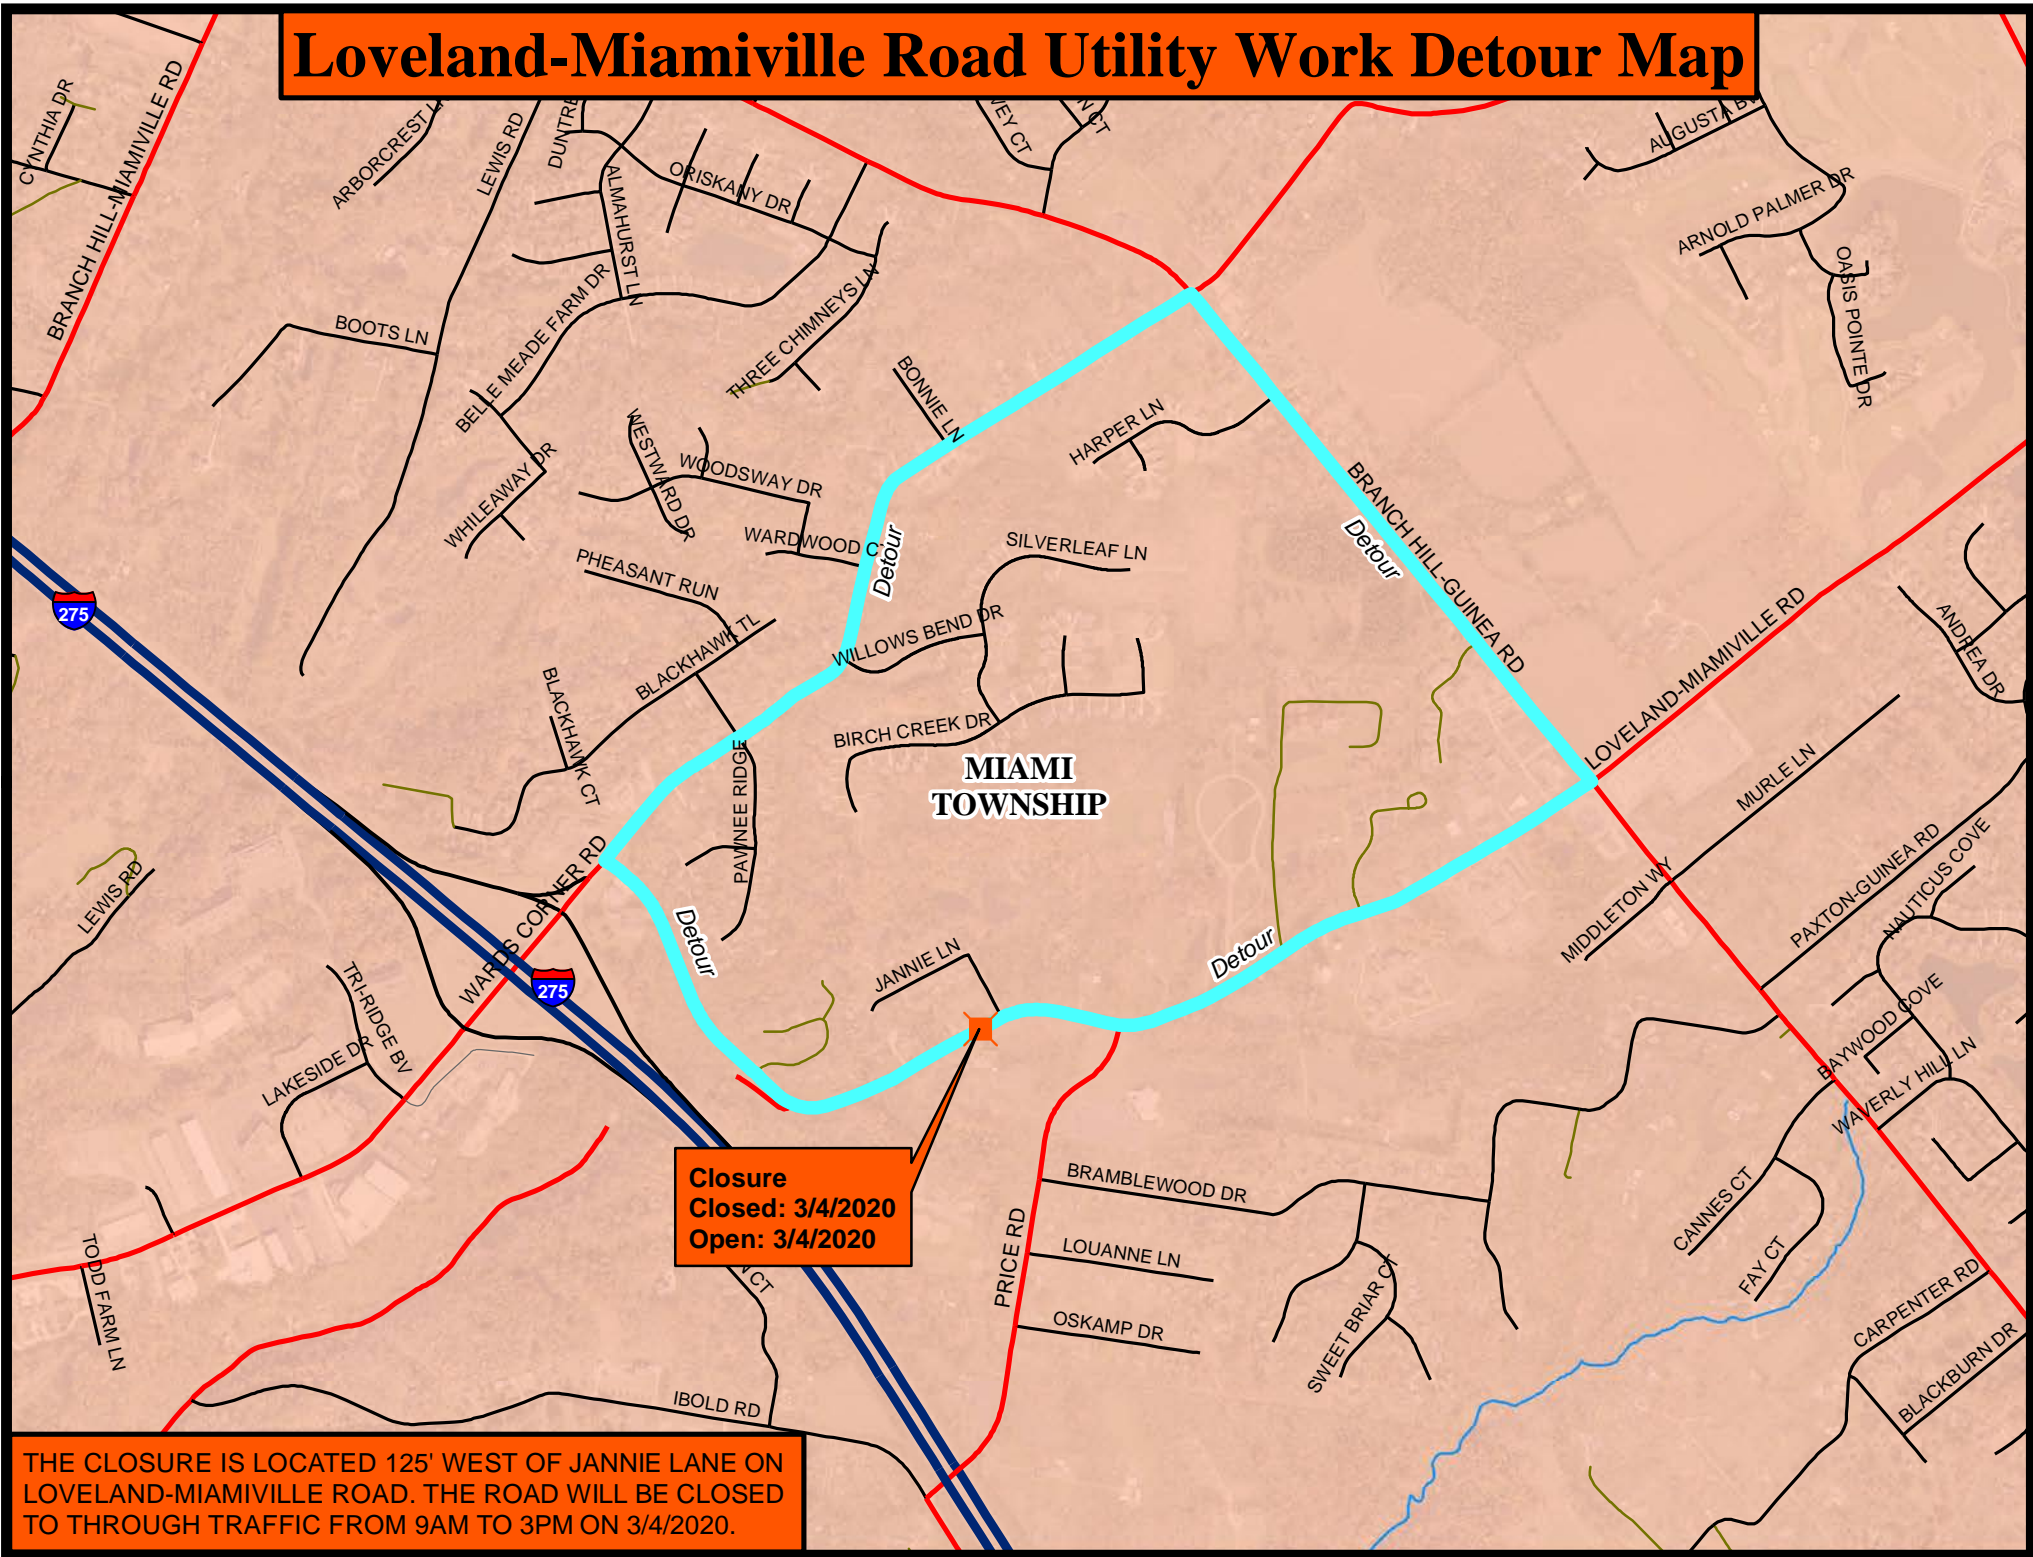

A handwritten signature in blue ink, appearing to read "Jeremy Evans", written over a horizontal line.
