RE: **Lindale-Mt Holly Road Closure-Culvert Replacement (CC71-9)**
Monroe Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Lindale-Mt. Holly Road. This closure is needed for the culvert replacements on Lindale-Mt Holly Road and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

Therefore I have scheduled a road closure on Lindale-Mt Holly Road. The closure is located between address 3075 and 3101 Lindale-Mt Holly Road. **The road will be closed to through traffic on Monday 3-30-2020 through Friday 4-17-2020.** Lindale Mt Holly Road will be closed in order for our crew to replace the existing 54" CMP with a 5'x10' Concrete Box Culvert. The length of detour is approximately 2.57 miles or 13,572 feet

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy Evans", is written over the typed name.

Jeremy Evans P.E., P.S.
