RE: **Lindale-Nicholsville Road Closure-Culvert Replacements**  
Ohio & Monroe Townships

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Lindale-Nicholsville Road. This closure is needed for the culvert replacements on Lindale-Nicholsville Road and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

Therefore I have scheduled a road closure on Lindale-Nicholsville Road. The first closure is located 100' West of Brooking Road on Lindale-Nicholsville Road. The crews will begin working at that location. Once work is completed they will move west to the next closure. There are 6 culverts being replaced with this closure. **The road will be closed to through traffic from 7AM to 5PM on Thursday 3-26-2020 through Friday 4-10-2020.** The length of detour is approximately 11.06 miles or 58,413 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

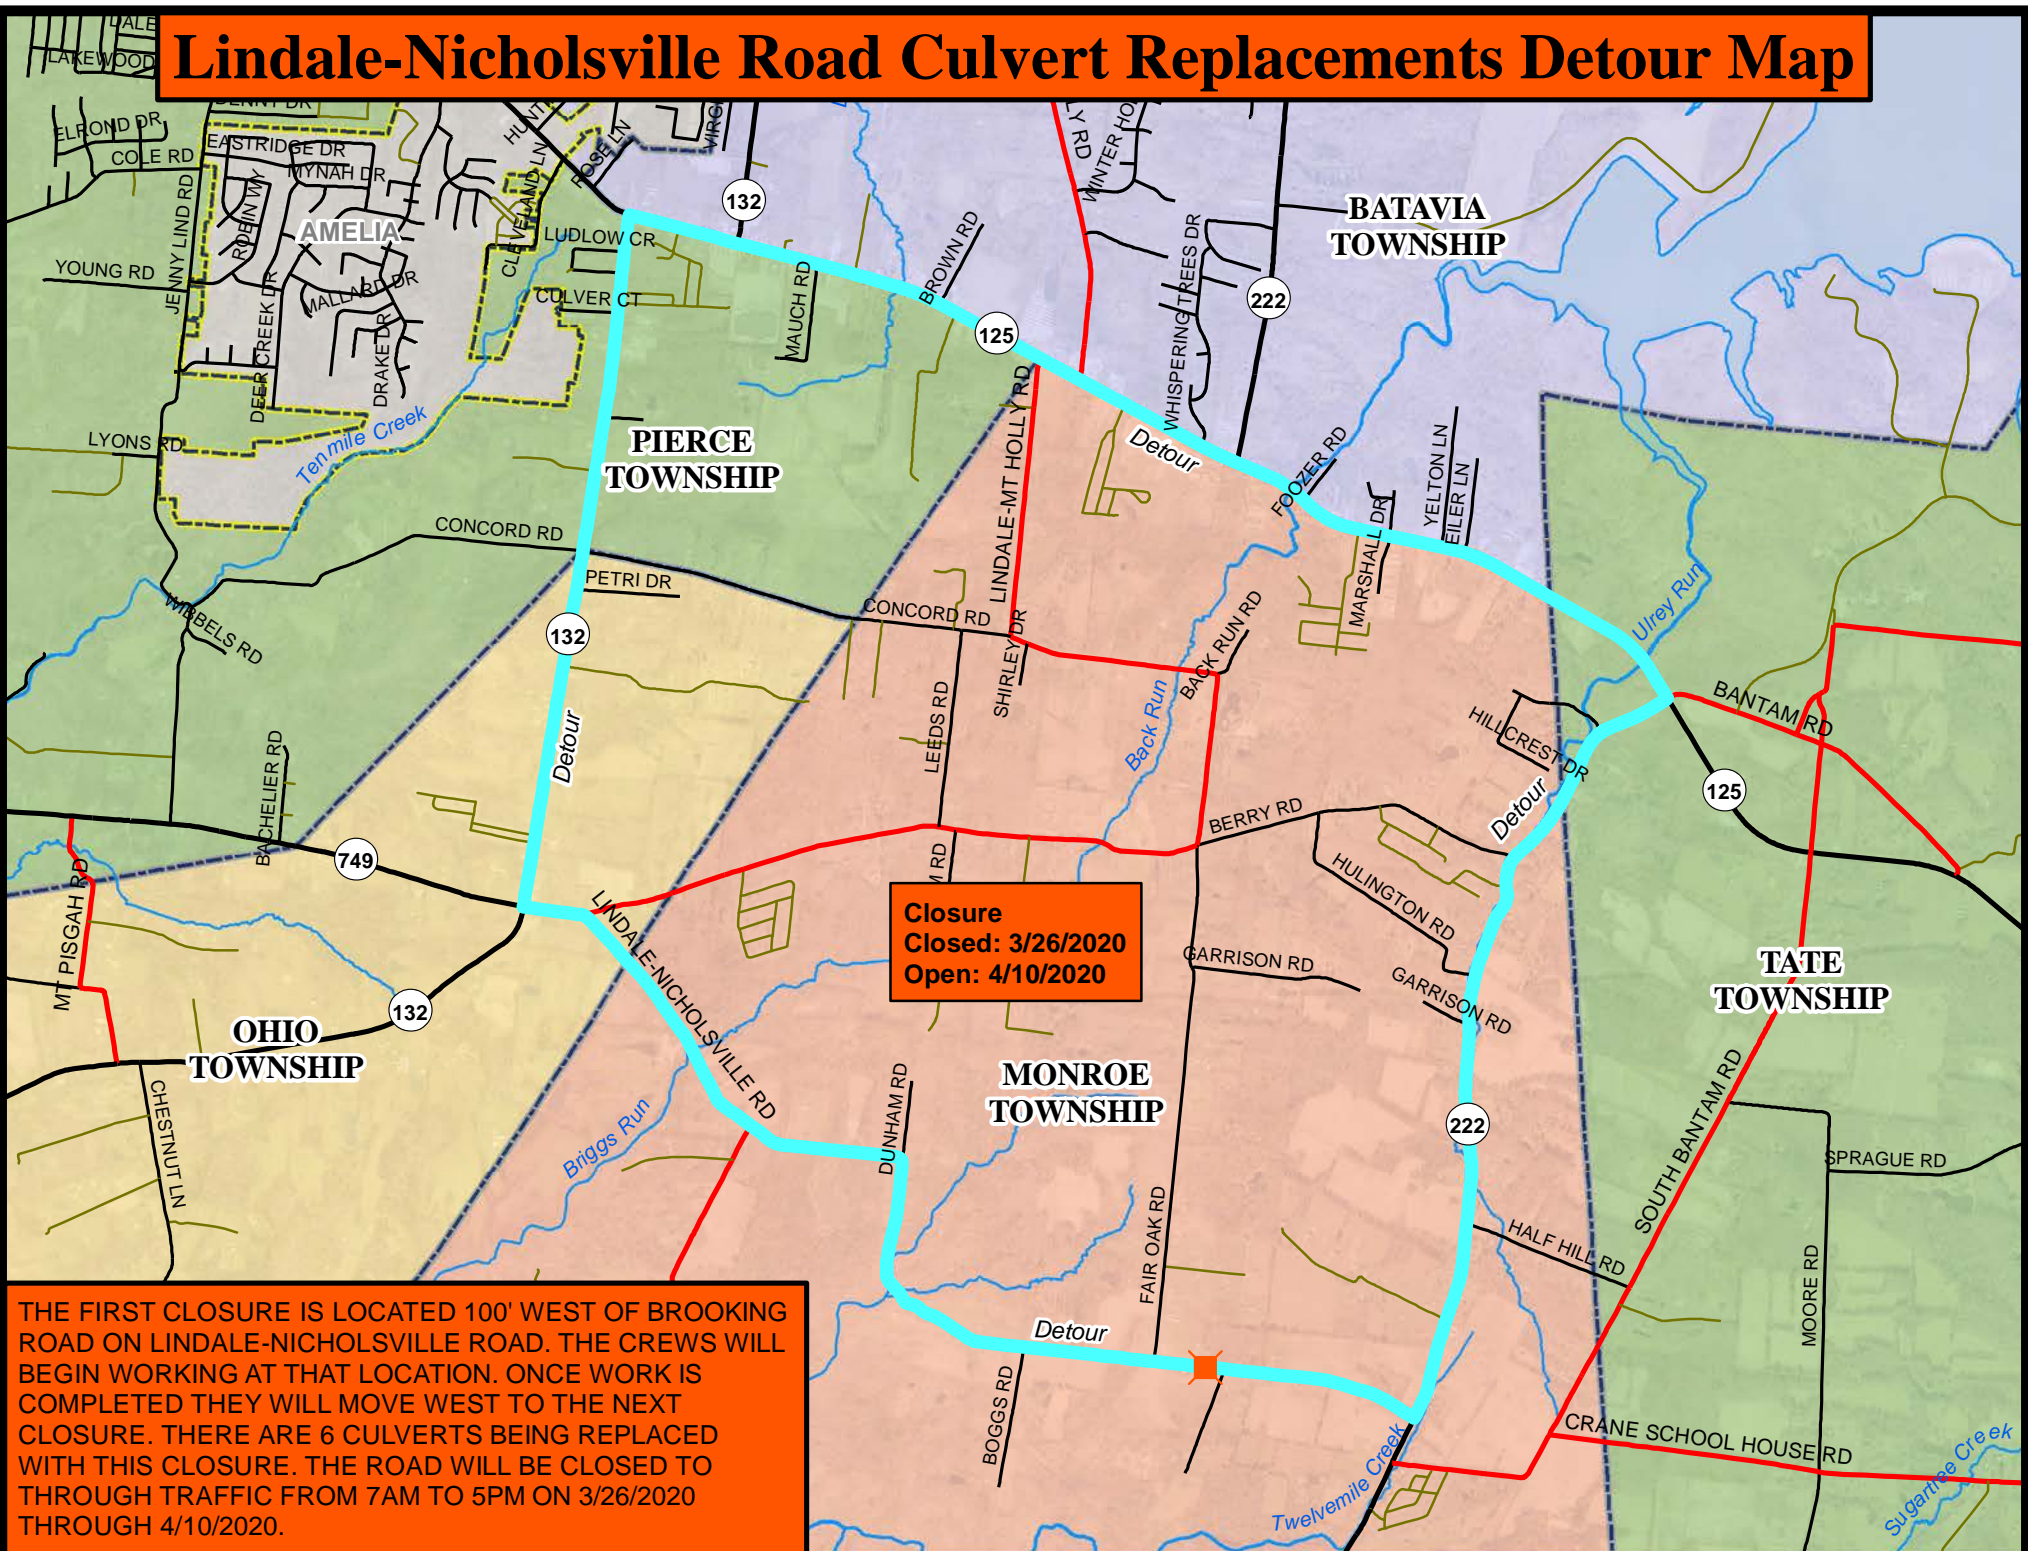

Sincerely,

Jeremy Evans P.E., P.S.  
Clermont County Engineer

**Closure**  
Closed: 3/26/2020  
Open: 4/10/2020

THE FIRST CLOSURE IS LOCATED 100' WEST OF BROOKING ROAD ON LINDALE-NICHOLSVILLE ROAD. THE CREWS WILL BEGIN WORKING AT THAT LOCATION. ONCE WORK IS COMPLETED THEY WILL MOVE WEST TO THE NEXT CLOSURE. THERE ARE 6 CULVERTS BEING REPLACED WITH THIS CLOSURE. THE ROAD WILL BE CLOSED TO THROUGH TRAFFIC FROM 7AM TO 5PM ON 3/26/2020 THROUGH 4/10/2020.
