RE: Gaynor Road Landslide Boring's-Road Closure  
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Gaynor Road. This closure is needed so our contractor can collect borings for the landslide on Gaynor Road.

Therefore I have scheduled a road closure on Gaynor Road. The closure is located approximately 350' South of Fay Road on Gaynor Road. **The date of closure is Thursday April 2, 2020, between the hours of 8AM through 4PM.** The length of detour is approximately 2.97 miles or 15,690 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,
