August 19, 2020
Board of County Commissioners
101 East Main Street
Batavia, Ohio 45103

RE: Lucas Road Bridge NO. C77-1.54 replacement Project
Wayne Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Lucas Road. This closure is needed so our crews can replace a bridge on Lucas Road, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is located 400' south of Woodville Road on Lucas Road. **The road will be closed to thru traffic on Monday, September 7, 2020 through Friday, October 2, 2020.** The length of the detour is approximately 5.71 miles or 30,175 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

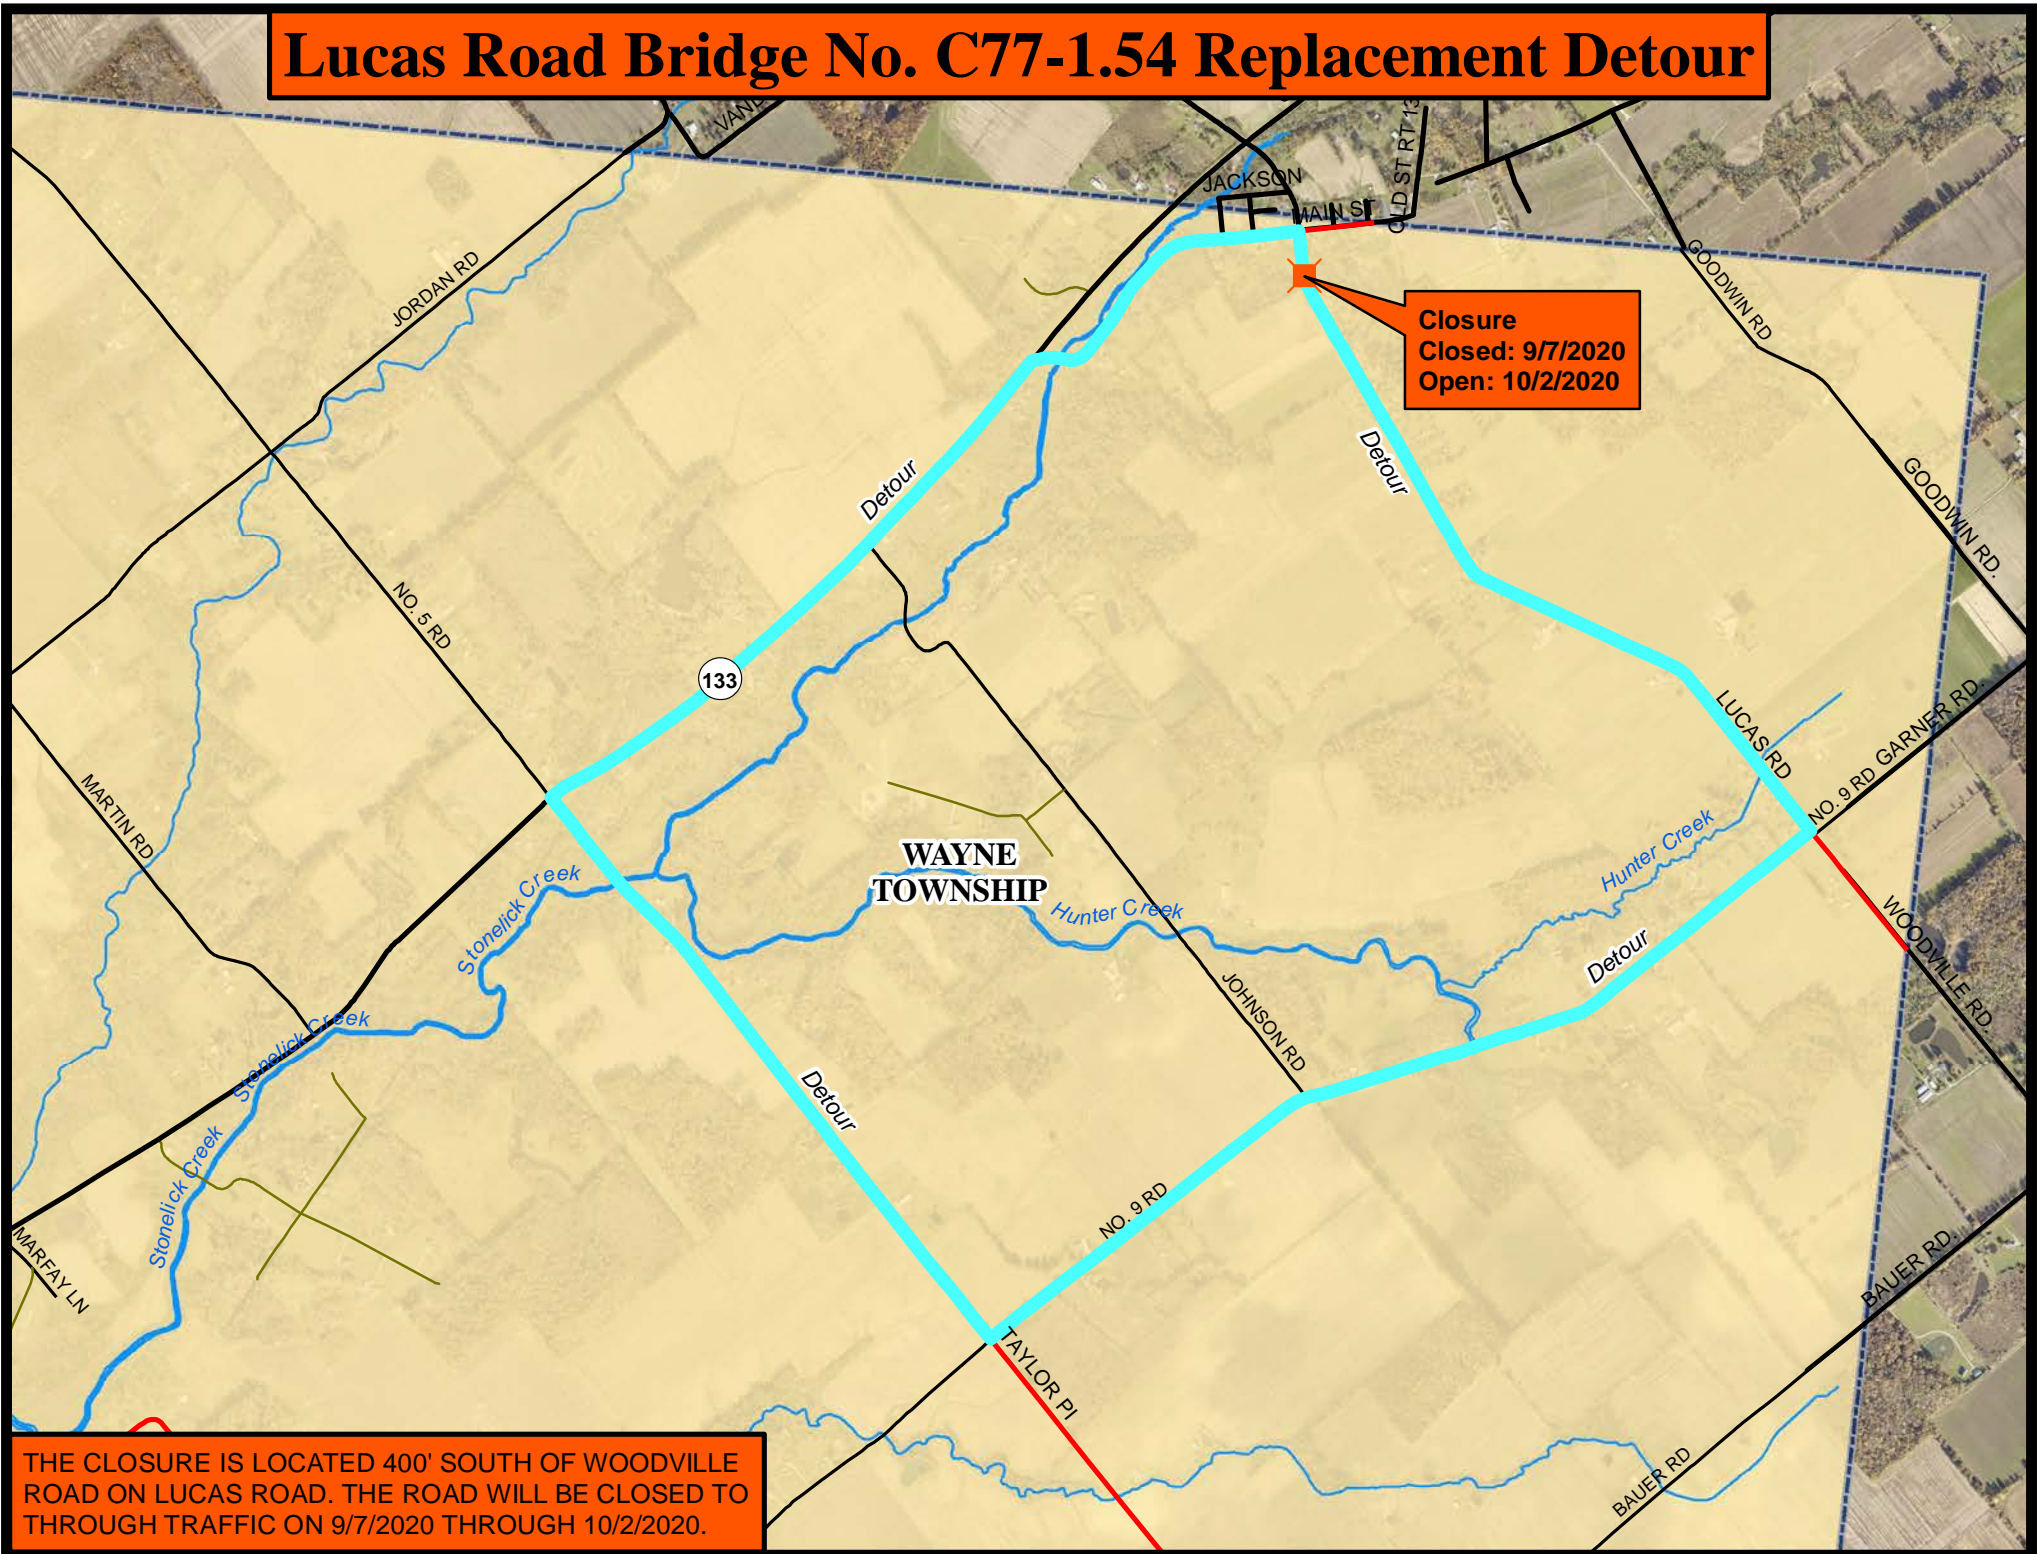

Sincerely,

Jeremy P. Evans P.E., P.S.
Clermont County Engineer
