RE: Clermont Lane Closure-Part of Old SR 74/Gleneste-Withamsville Rd Widening Project
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, the Clermont County Engineer has determined that a road closure is necessary on Clermont Lane. This closure is needed as part of the Old SR 74 and Gleneste Withamsville Road Widening Project, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is located at the intersection of Old SR 74 on Clermont Lane. **The road will be closed to thru traffic on Thursday, August 20, 2020 through Friday, October 16, 2020.** The length of the detour is approximately 0.432 miles or 2,286 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

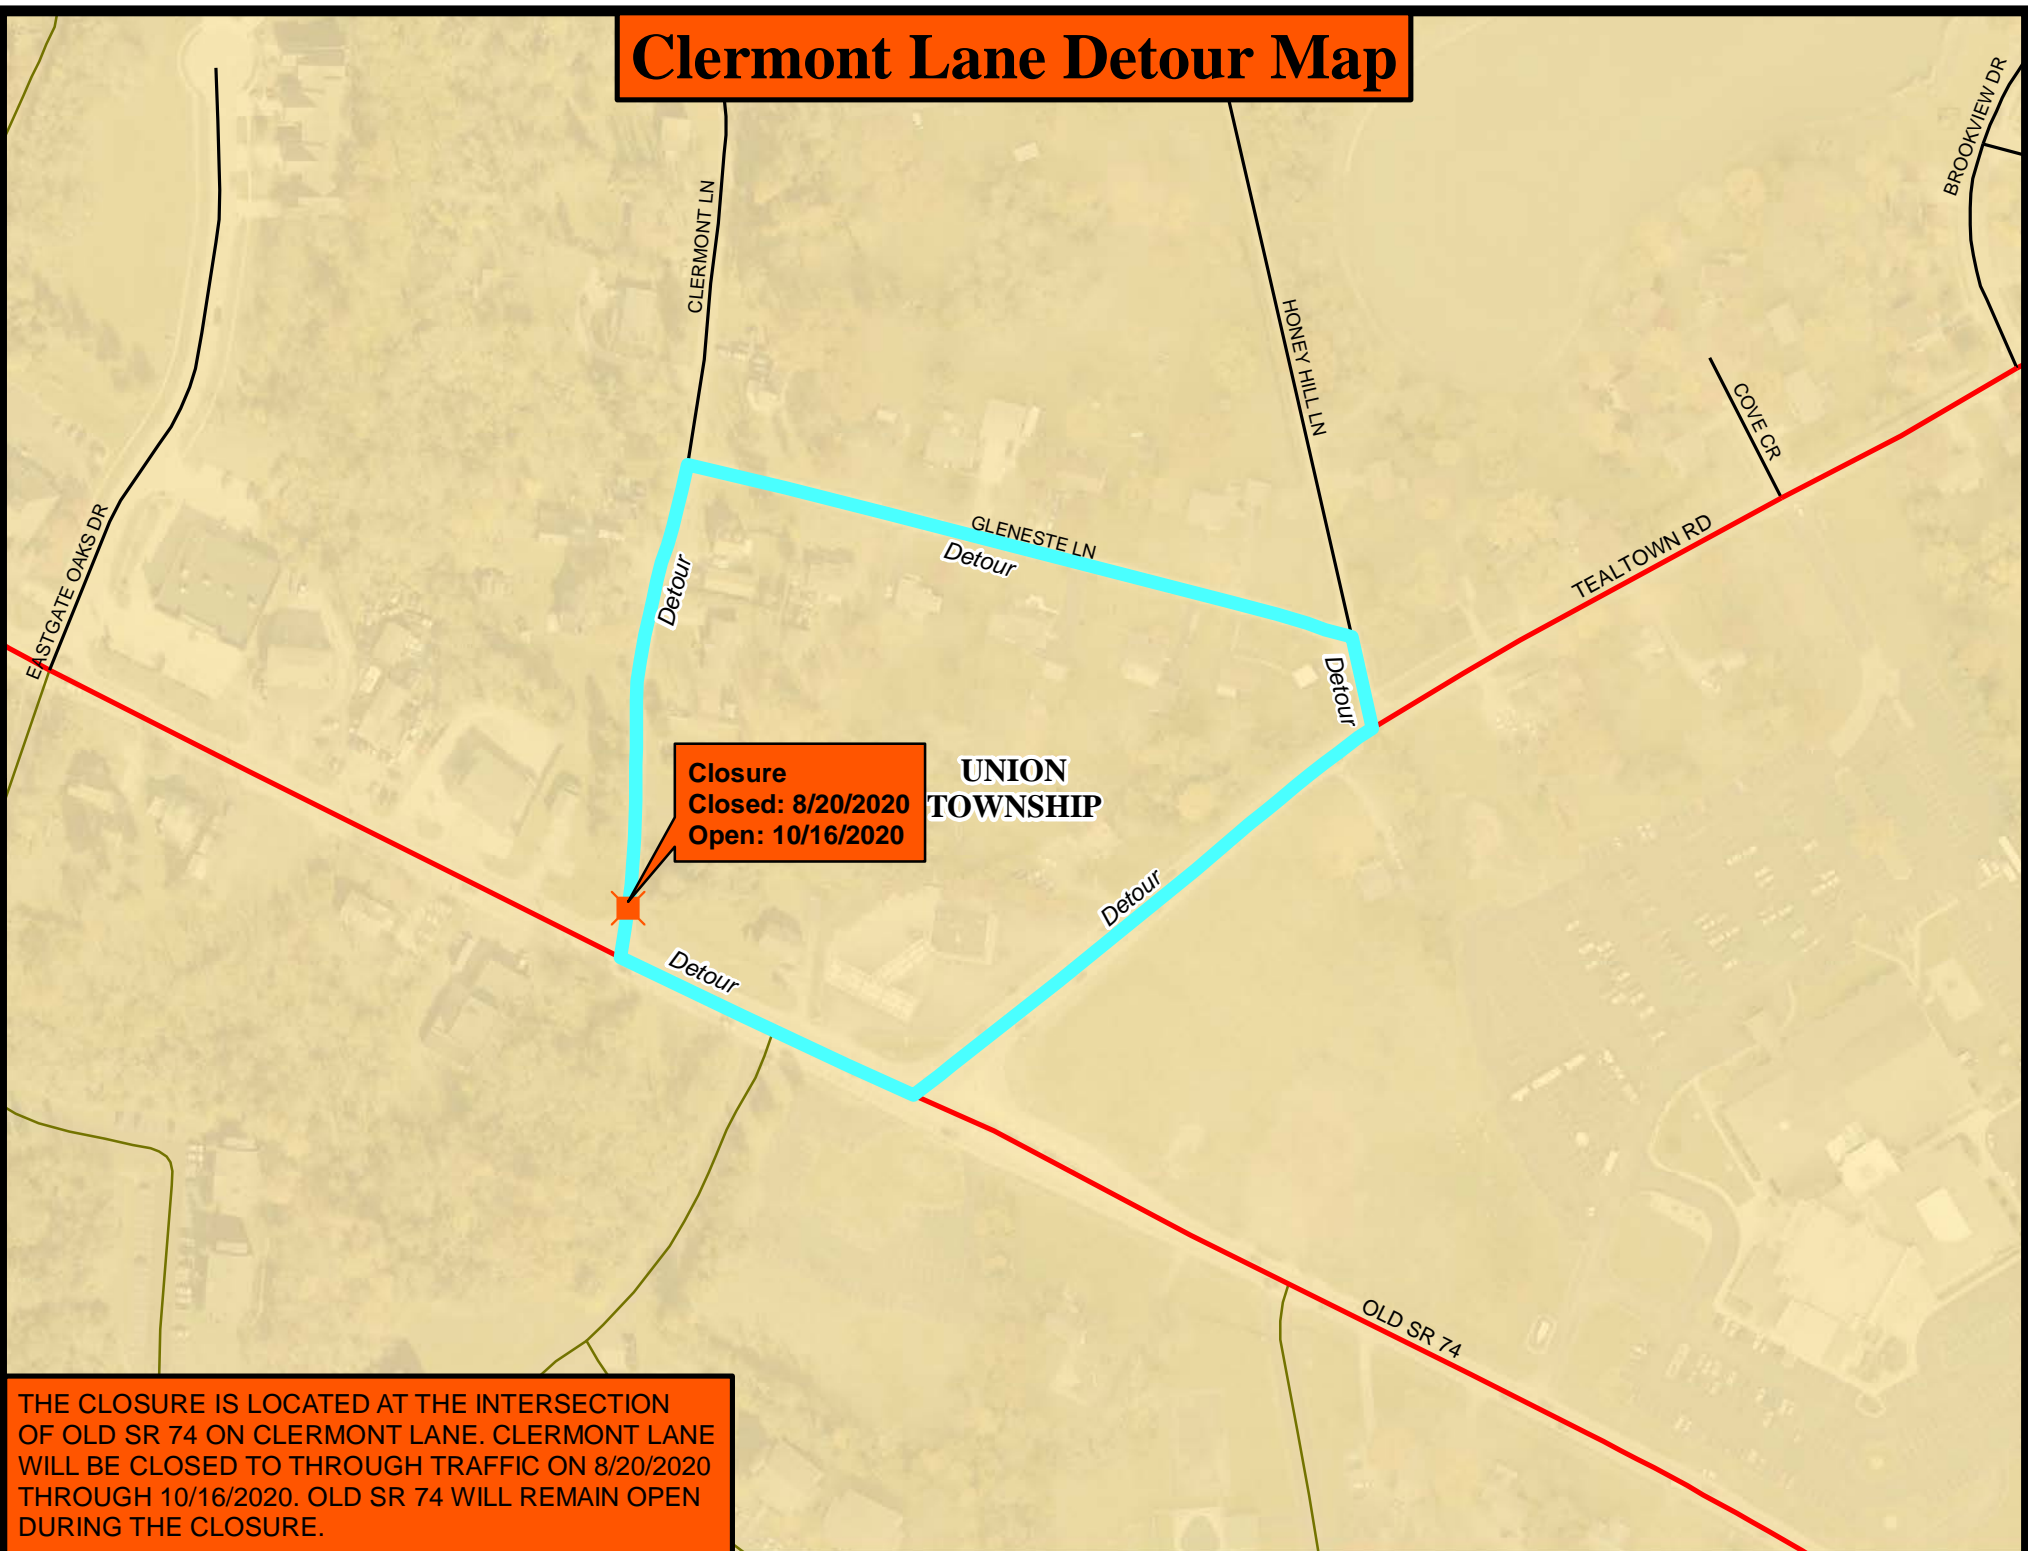

A handwritten signature in blue ink, appearing to read "Sukie M. Scheetz".
