RE: Clough Pike Culvert Replacement (No. CC33-T2.450)
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Clough Pike. This closure is needed so our crews can replace a culvert, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is located at the intersection of Wuebold Lane and Clough Pike. **The road will be closed to thru traffic on Tuesday September 22, 2020, thru Thursday, September 24, 2020, between 7AM and 5PM. on these days.** The length of the detour is approximately 3.44 miles or 18,142 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

Jeremy P. Evans, P.E, P.S.
Clermont County Engineer
