RE: Binning Road Closure
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Binning Road. This closure is needed do to the location of the road in connection to the Bridge replacement on Round Bottom Road, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is associated with the Round Bottom Road bridge replacement. The intersection of Binning Road falls within the project area for the Round Bottom Road bridge replacement project. To avoid any added danger from traffic entering the construction area we have decided to close Binning Road at the intersection of Round Bottom Road. **The road will be closed to through traffic on Monday, February 8, 2021 through Friday, November 12, 2021.** The length of the detour is approximately 6.96 miles or 36,746 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "J. Evans".
