RE: Roundbottom Road Bridge No.C106-4.18 Replacement-**UPDATED DETOUR MAP**
Miami/Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Roundbottom Road. This closure is needed so our contractor can replace the bridge, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is located southwest of address 1180 Roundbottom Road. **The road will be closed to through traffic on Monday, February 8, 2021 through Friday, November 12, 2021.** The length of the detour is approximately 7.94 miles or 41,939 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

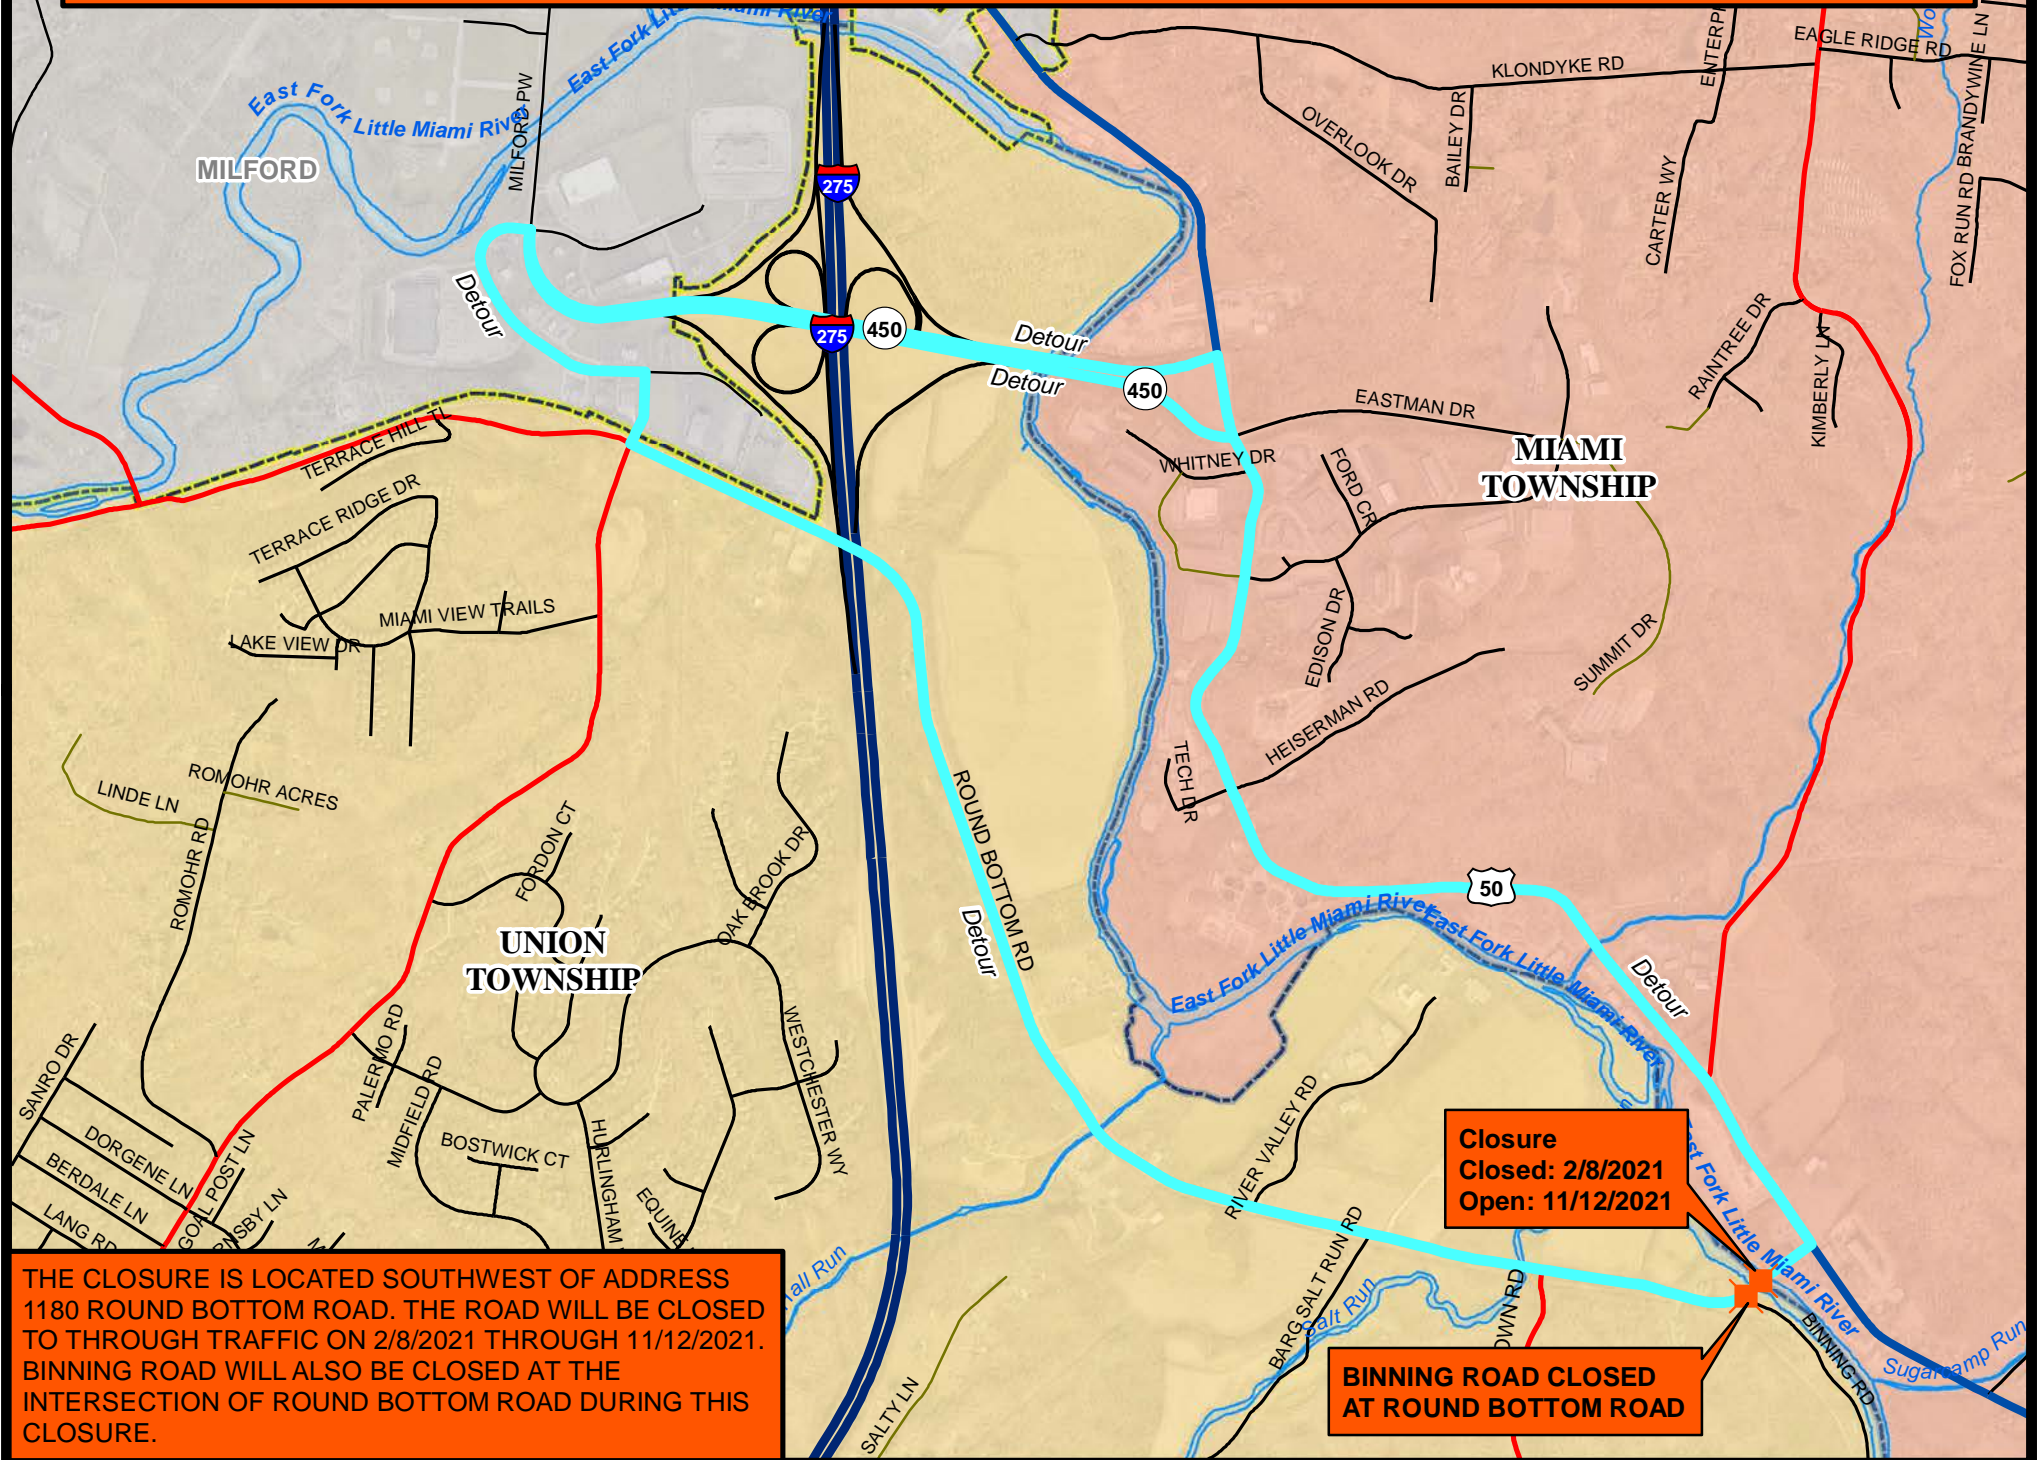

Sincerely,

Jeremy P. Evans P.E., P.S.
