RE: Goshen Road **EMERGENCY CLOSURE** Bridge #C57-4.97
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Goshen Road. This closure is needed due to the damaged bridge beam and will be closed until further notice, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is located 100' South of Davin Drive on Goshen Road. **The road will be closed until further notice.** Our crews will be assessing the bridge today, January 5, 2021, to determine the next course of action. The length of the detour is approximately 4.92 miles or 26,002 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,

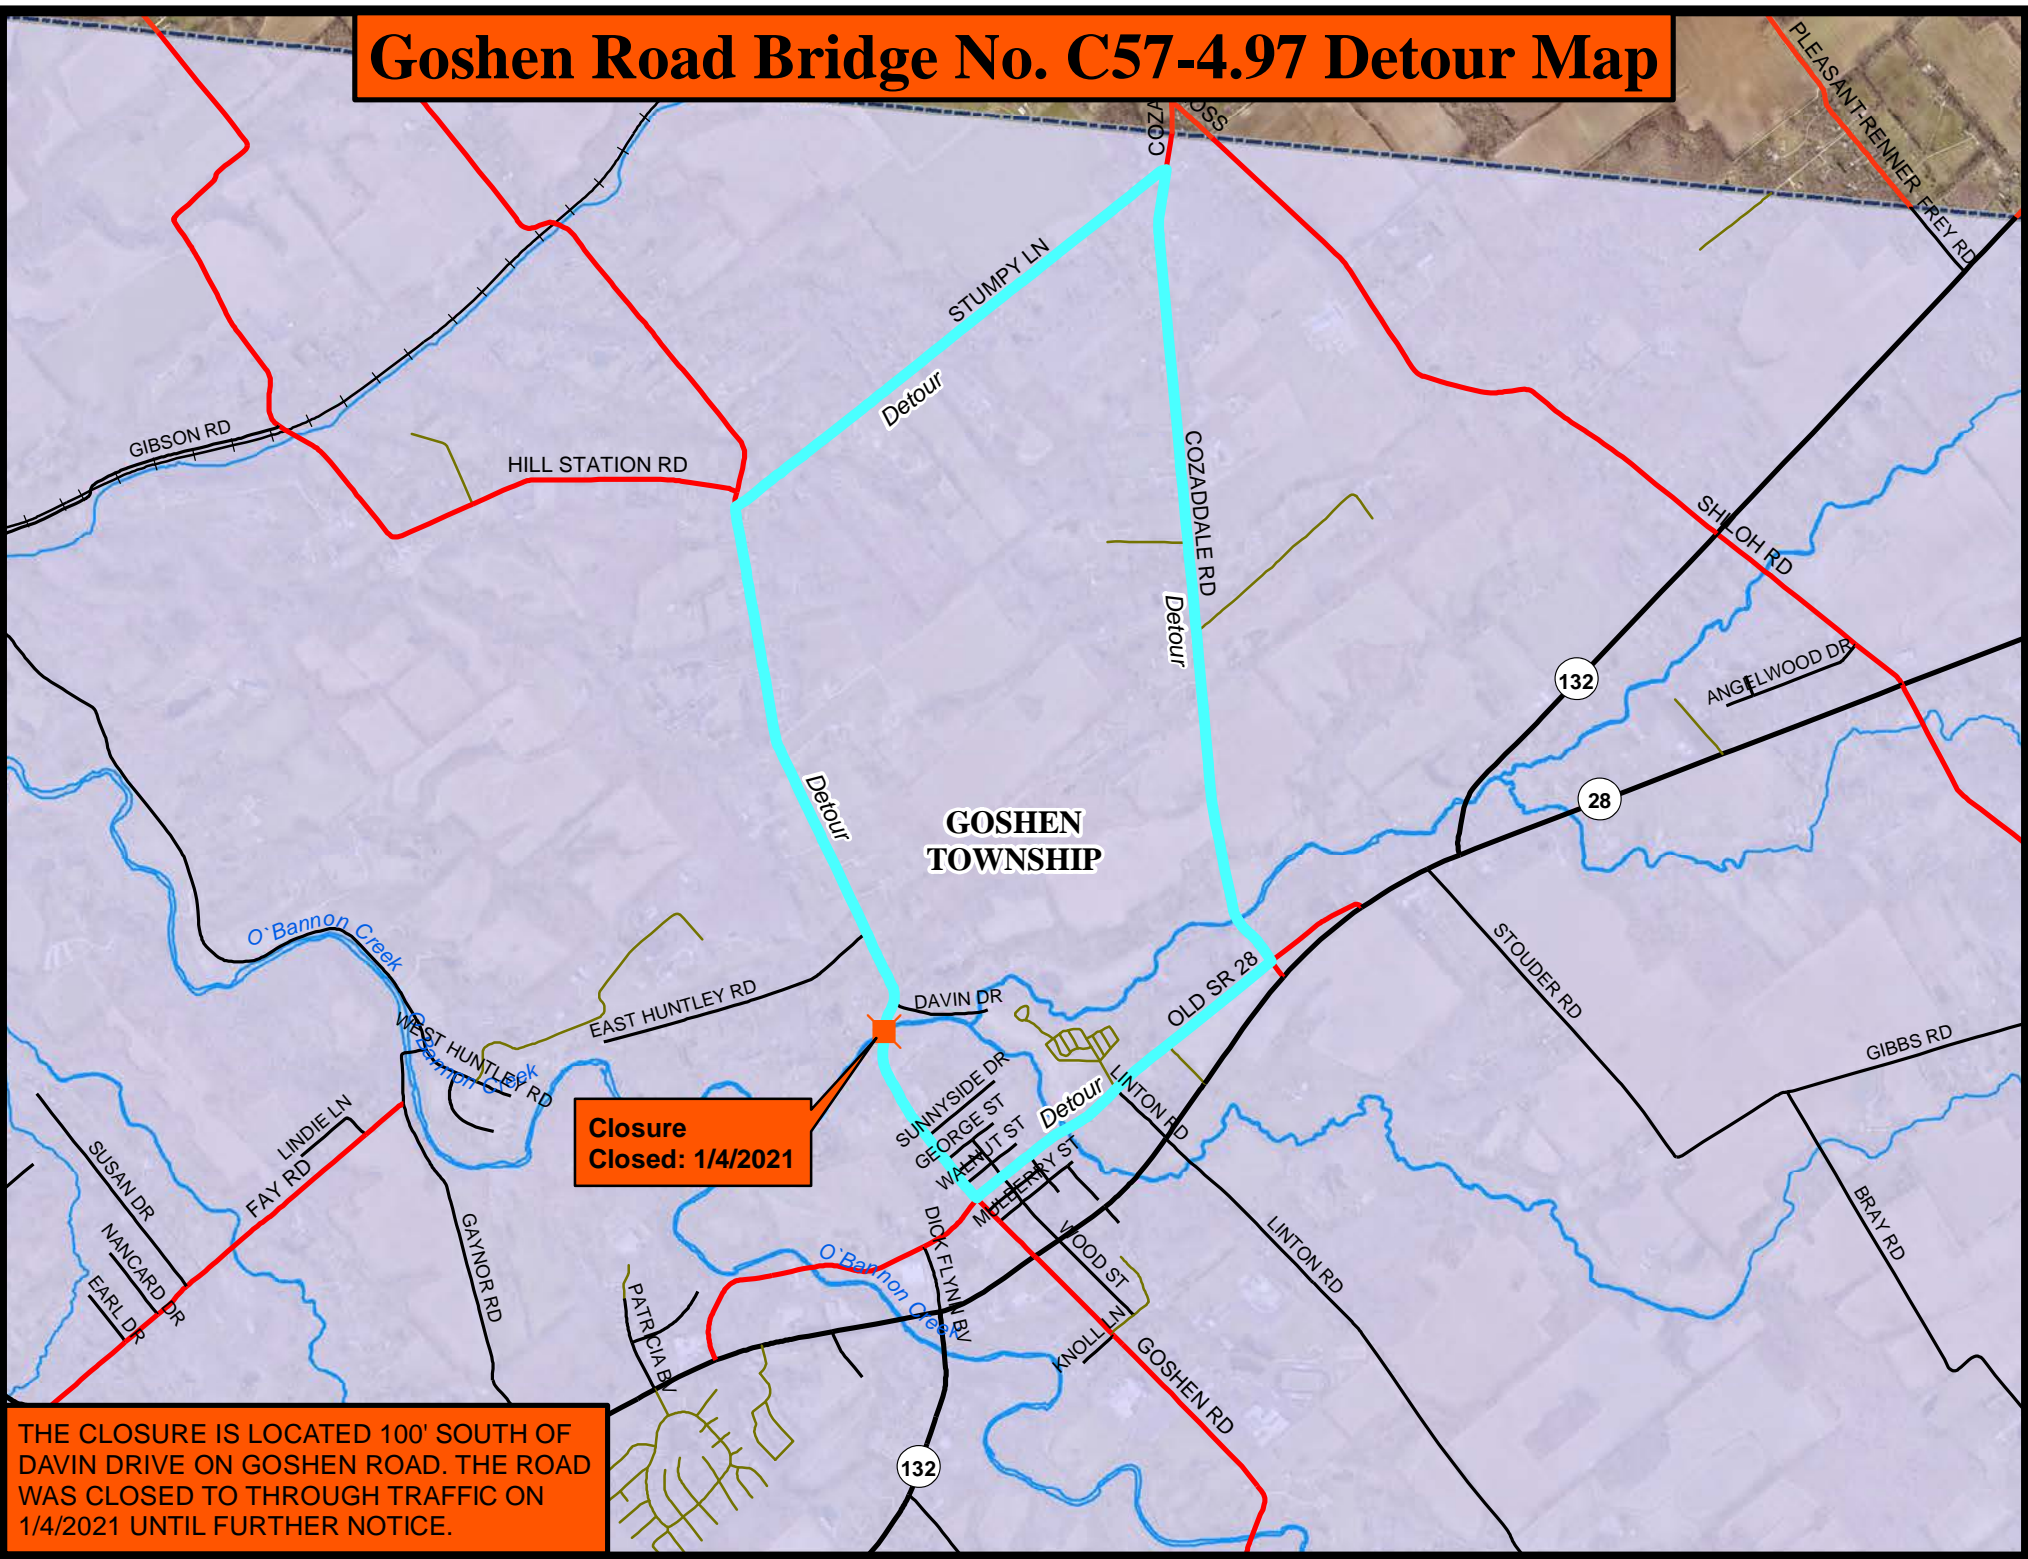

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
