RE: Gaynor Road Closure-Landslide Repair
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Gaynor Road. This closure is needed so our contractor can make repairs to the landslide on Gaynor road, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is located just south of Fay road on Gaynor Road. **The road will be closed to through traffic on Monday, January 18, 2021 through Friday, February 12, 2021.** The length of the detour is approximately 2.97 miles or 15,690 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

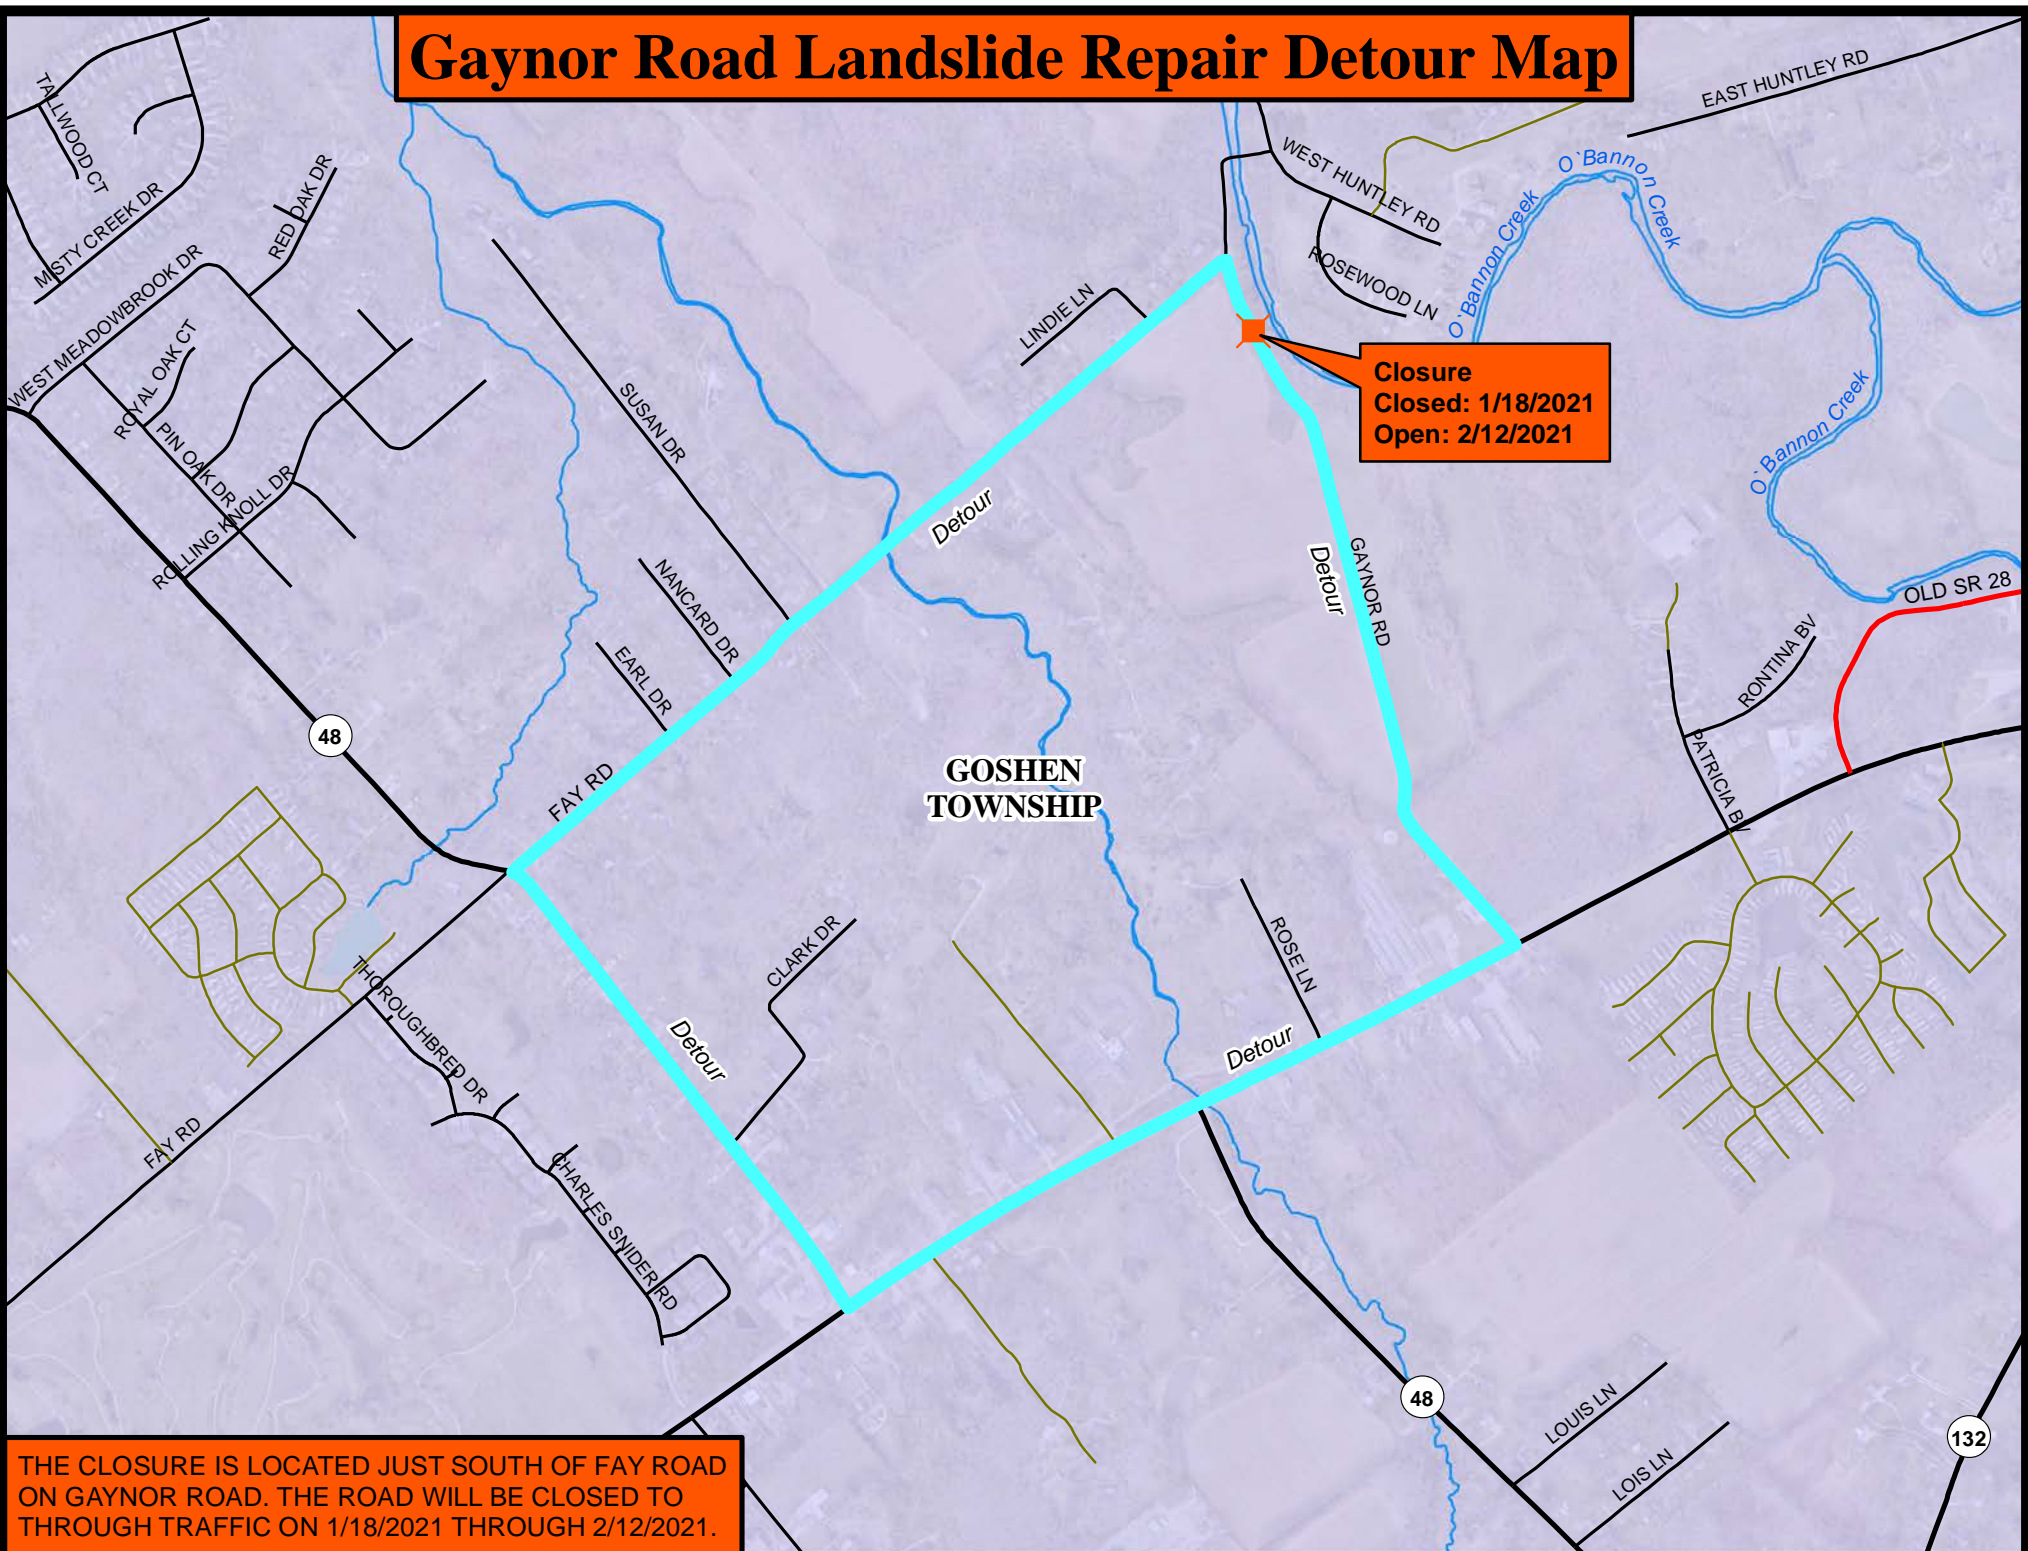

Sincerely,

Jeremy P. Evans P.E., P.S.
Clermont County Engineer
