RE: Twelvemile Road -Landslide Repair
Ohio Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Twelvemile Road. This closure is needed so our contractor can make repairs to the landslide on Twelvemile road, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

The closure is located between address 1419 and 1426 Twelvemile Road. **The road will be closed to through traffic on Monday, May 3, 2021 through Friday, May 14, 2021.** The length of the detour is approximately 9.46 miles or 49,961 feet. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineer's Office at (513)732-8857.

Sincerely,
