RE: Shinkles Ridge Road Bridge No. C109-0.01 Replacement  
Franklin Township – **ROAD CLOSURE EXTENSION**

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Shinkles Ridge Road. This closure is needed so our crews can replace the bridge, and that it is impractical to construct a temporary highway/culvert/bridge and that a temporary detour is required.

**This closure was scheduled to open on Friday, November 19, 2021, but due to unfavorable weather conditions, the closure has been extended to Wednesday, December 1, 2021.** The closure is located near the intersection of Felicity Cedron Rural Road on Shinkles Ridge Road. The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If I can provide any additional information, please call the Clermont County Engineers Office at (513)732-8857.

Sincerely,
