RE: Monterey Road Bridge No. C85-0.15 Replacement Detour
Jackson Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Monterey Road, as it is impractical to construct a temporary highway, culvert or bridge. The closure is needed so that our crews can replace a bridge on Monterey Road.

The closure is located between address 5207 and 5233 Monterey Road. **The road will be closed to through traffic on Monday, June 27, 2022 through Friday, July 29, 2022.** The length of the detour is approximately 0.76 miles or 4,021 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

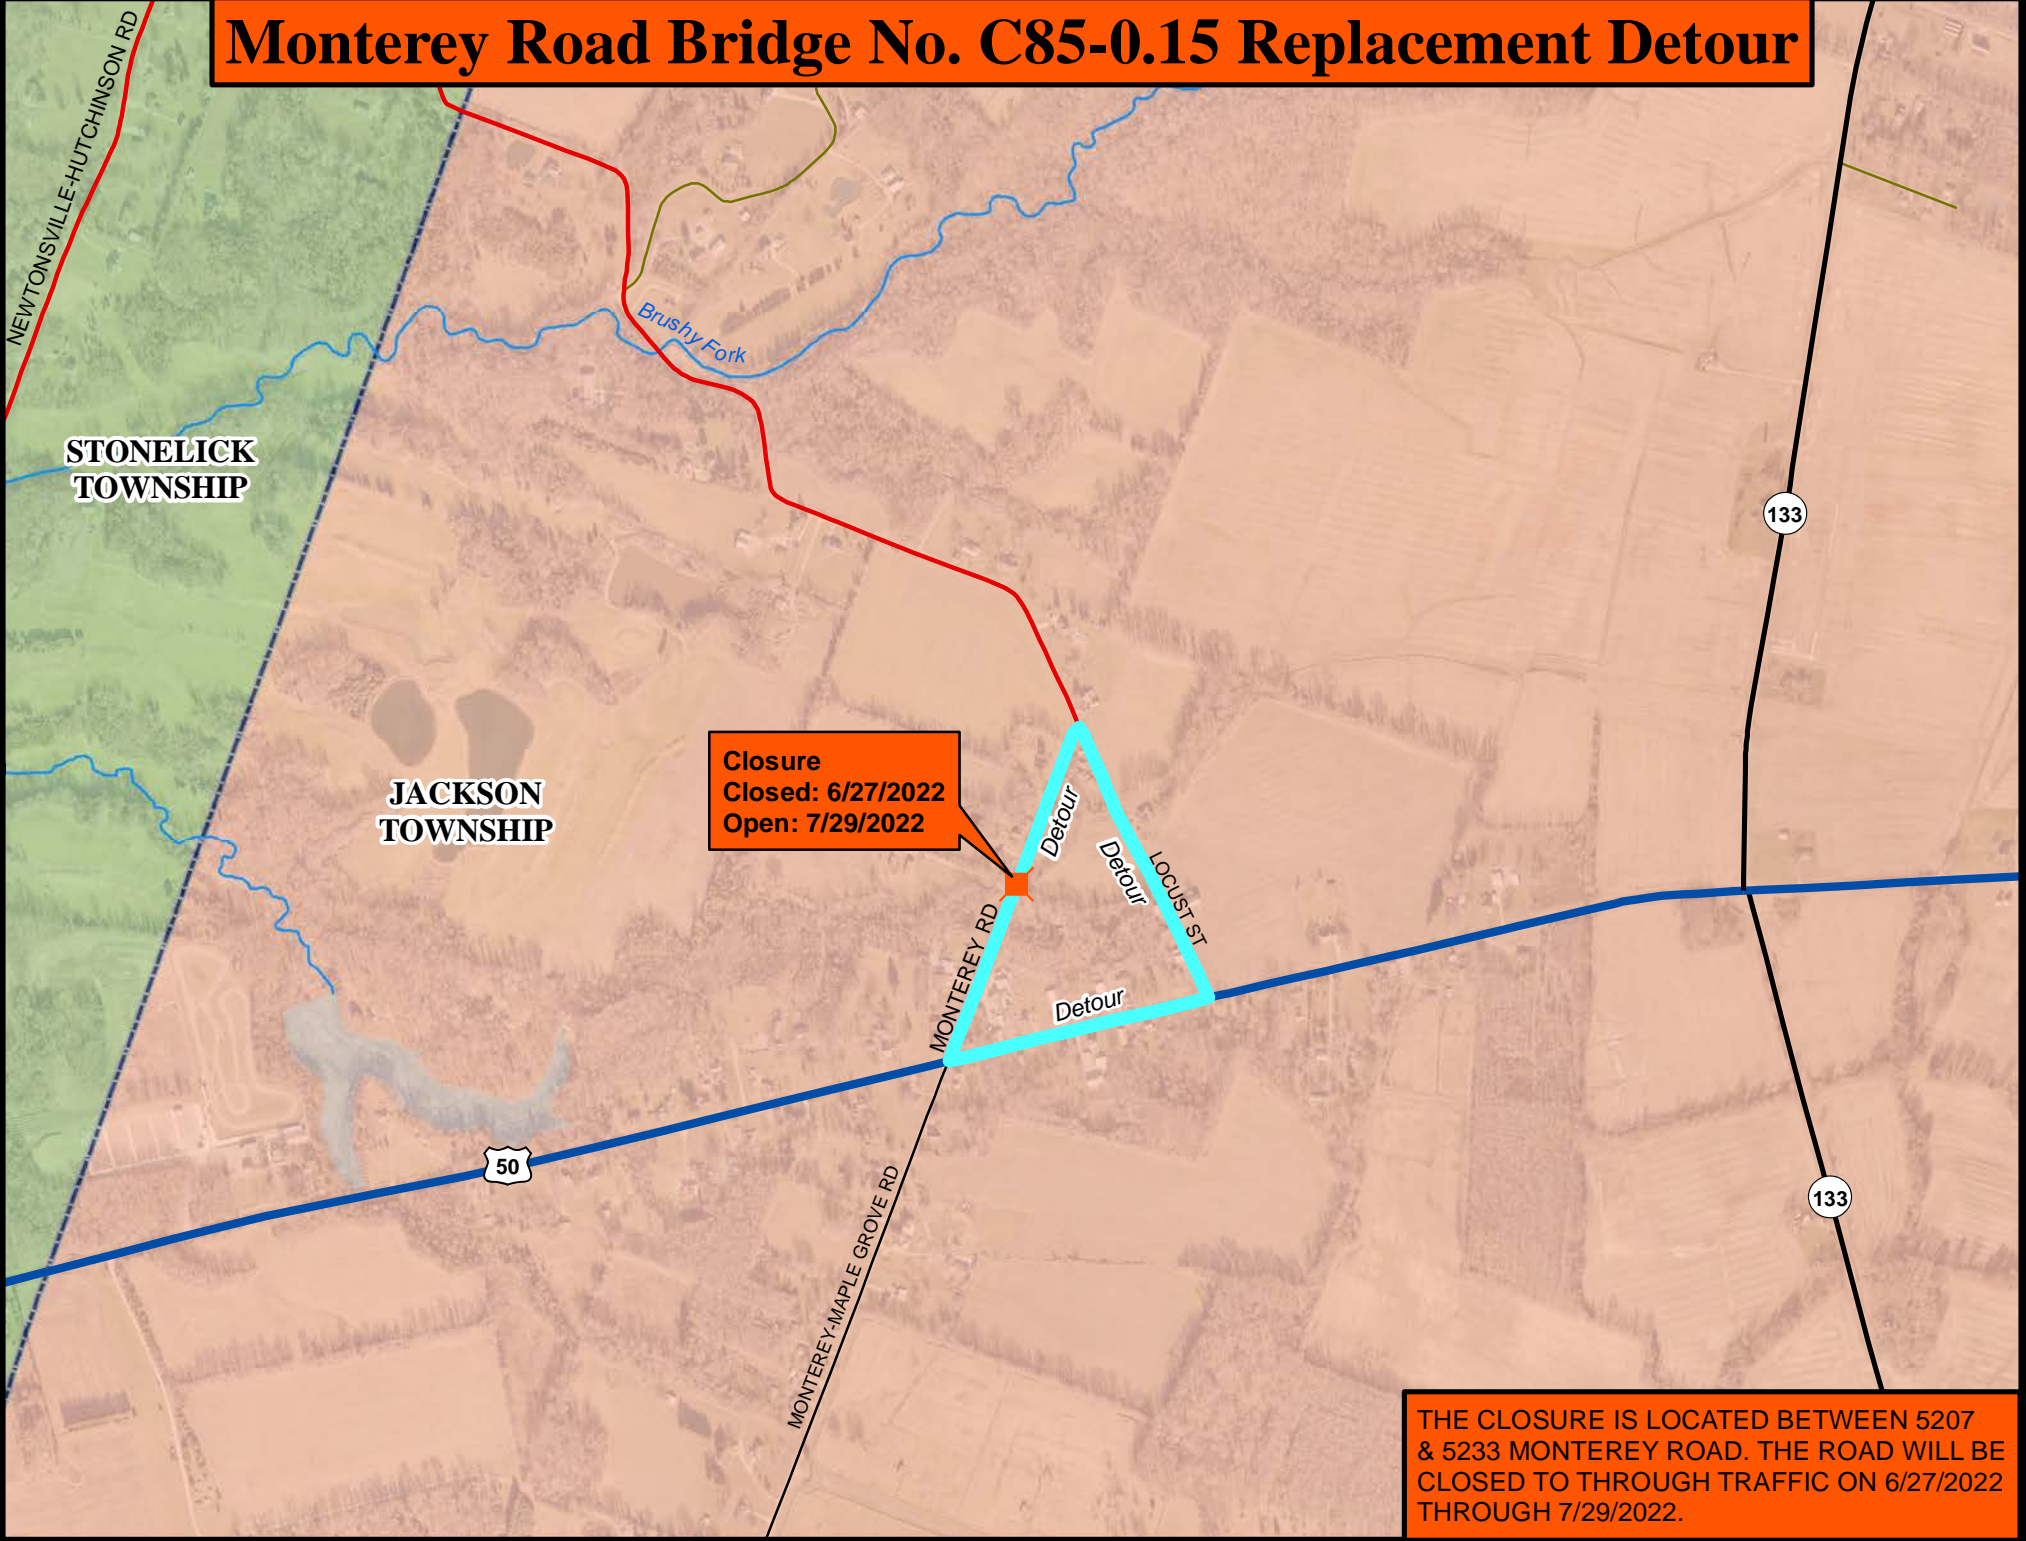

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
