RE: Felicity Cedron Rural Road Culvert No. CC45-34 Replacement Detour
Franklin Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Felicity Cedron Rural Road, as it is impractical to construct a temporary highway, culvert or bridge. The closure is needed so that our crews can replace a box culvert and improve the drainage on Felicity Cedron Rural Road.

The closure is located 220' east of address 261 Felicity Cedron Rural Road. **The road will be closed to through traffic on Monday, September 26, 2022 through Friday, October 28, 2022.** The length of the detour is approximately 6.78 miles or 35,813 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

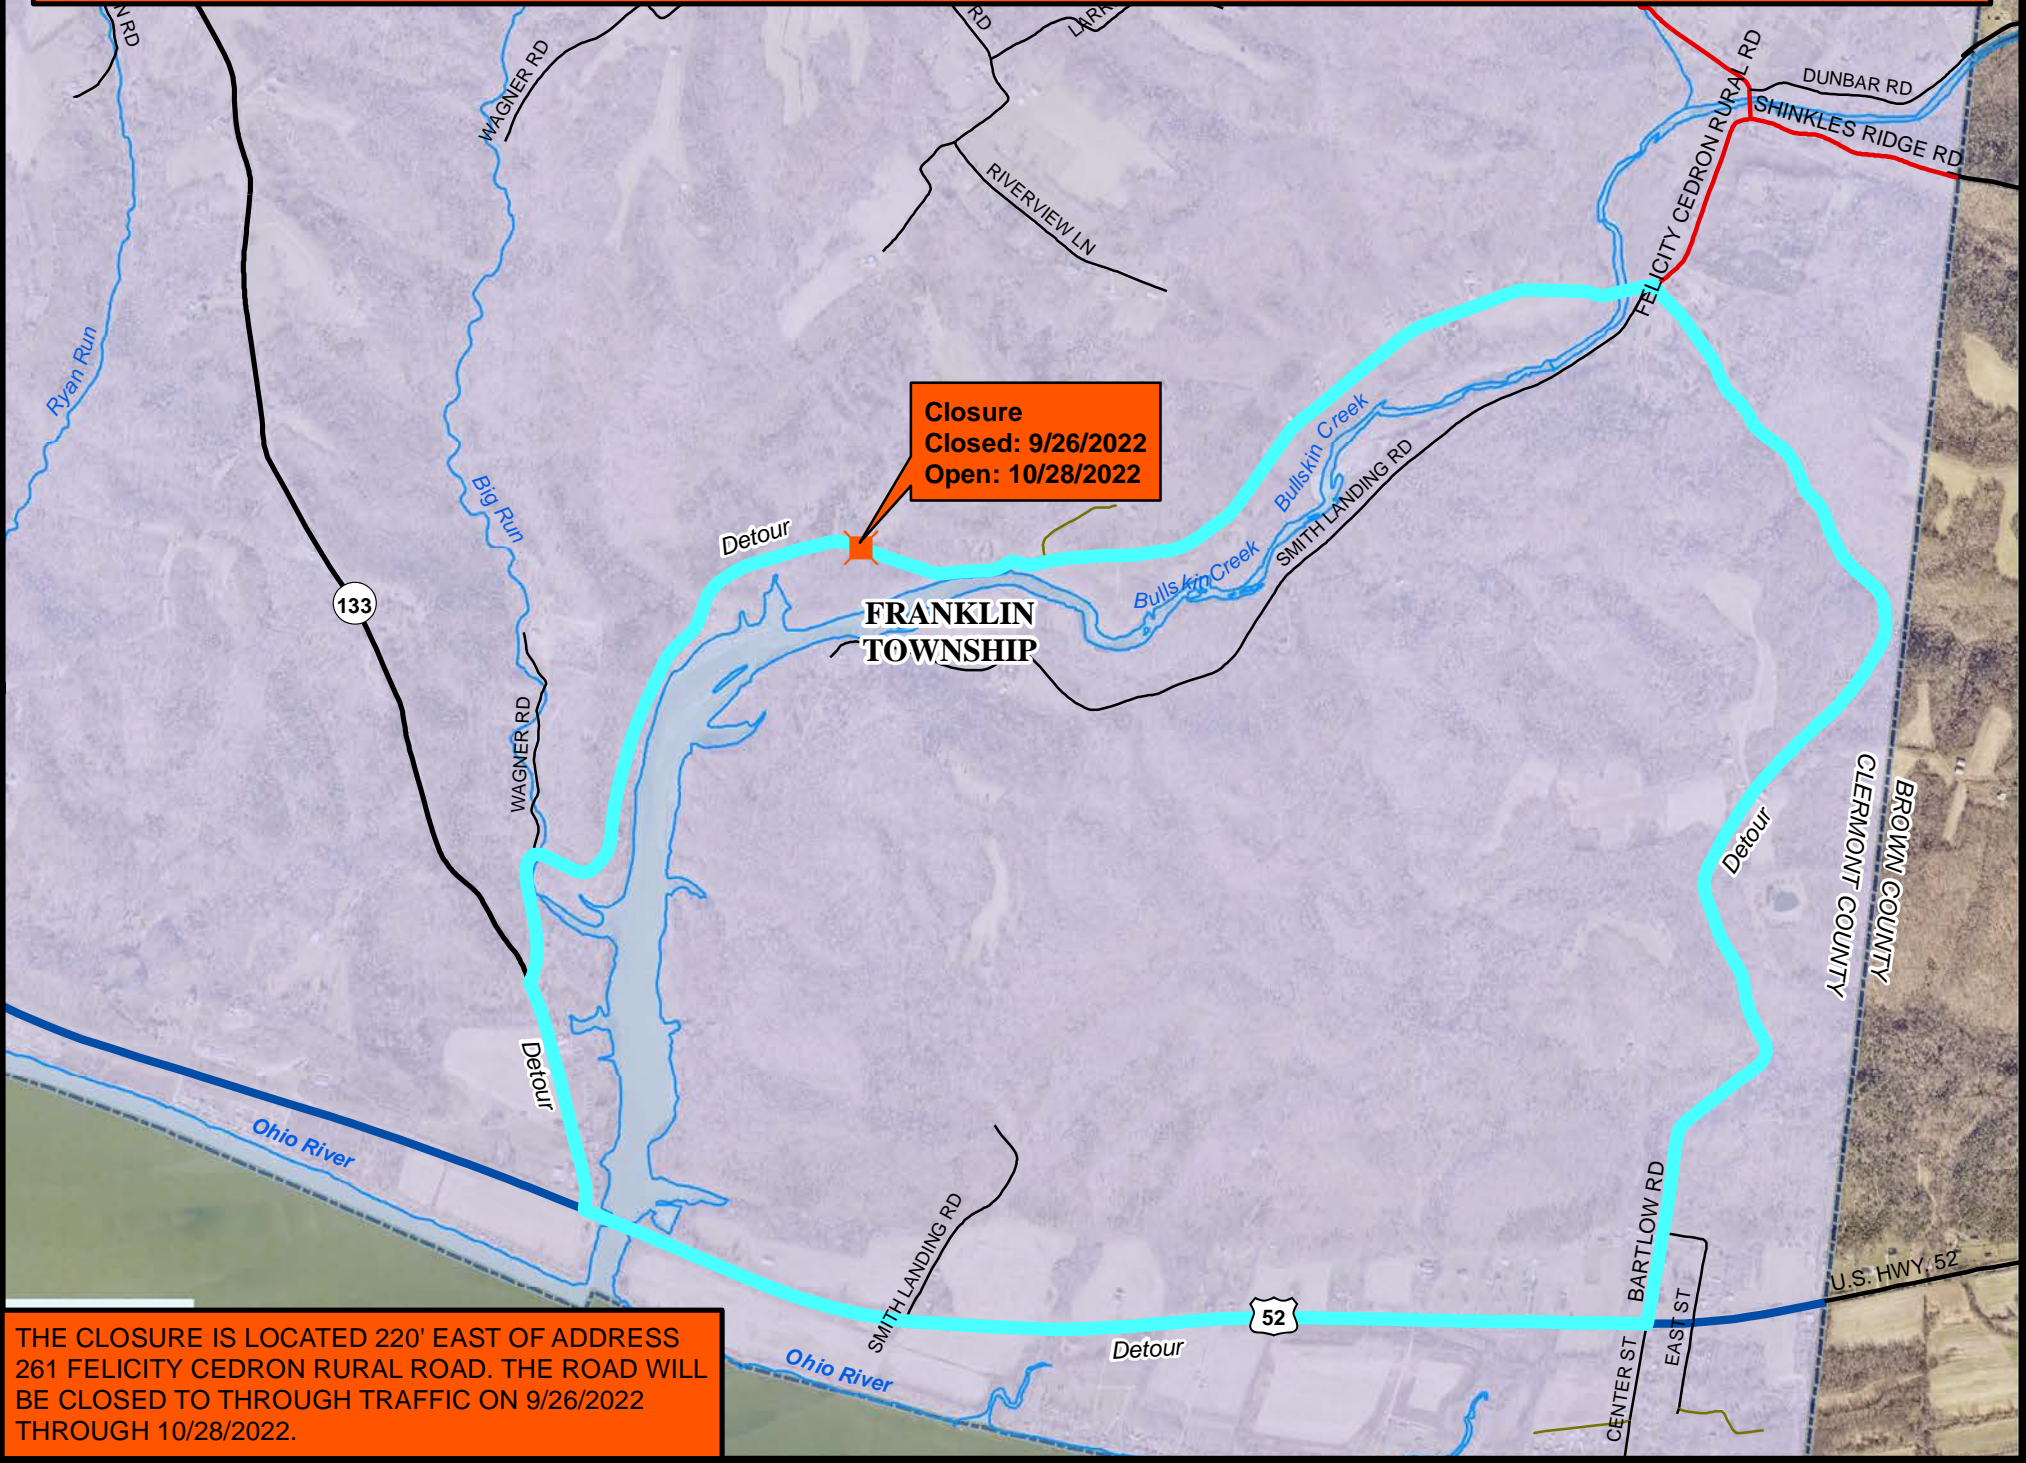

A handwritten signature in blue ink, appearing to be "JP Evans".
