

CLERMONT COUNTY ENGINEER'S OFFICE

September 9, 2022

Jeremy Evans, P.E., P.S.
Clermont County Engineer

Board of County Commissioners
101 East Main Street
Batavia, Ohio 45103

RE: Lindale-Mt. Holly Road Culvert Repair and Replacement Detour
Monroe Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Lindale-Mt. Holly Road, as it is impractical to construct a temporary highway, culvert or bridge. The closures are needed so that our crews can repair and replace culvert pipes and improve the drainage on Lindale-Mt. Holly Road.

The first closure is located between 2747 and 2748 Lindale-Mt. Holly Road. The crews will begin working at that location. Once work is completed they will move east to the next closure along the roadway. There are twelve culverts being repaired or replaced during this closure. **Lindale-Mt. Holly Road will be closed to through traffic from 7AM to 5PM on Wednesday, September 14, 2022 through Friday, October 14, 2022.** The length of the detour is approximately 7.17 miles or 37,865 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Woody Woodmansee at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

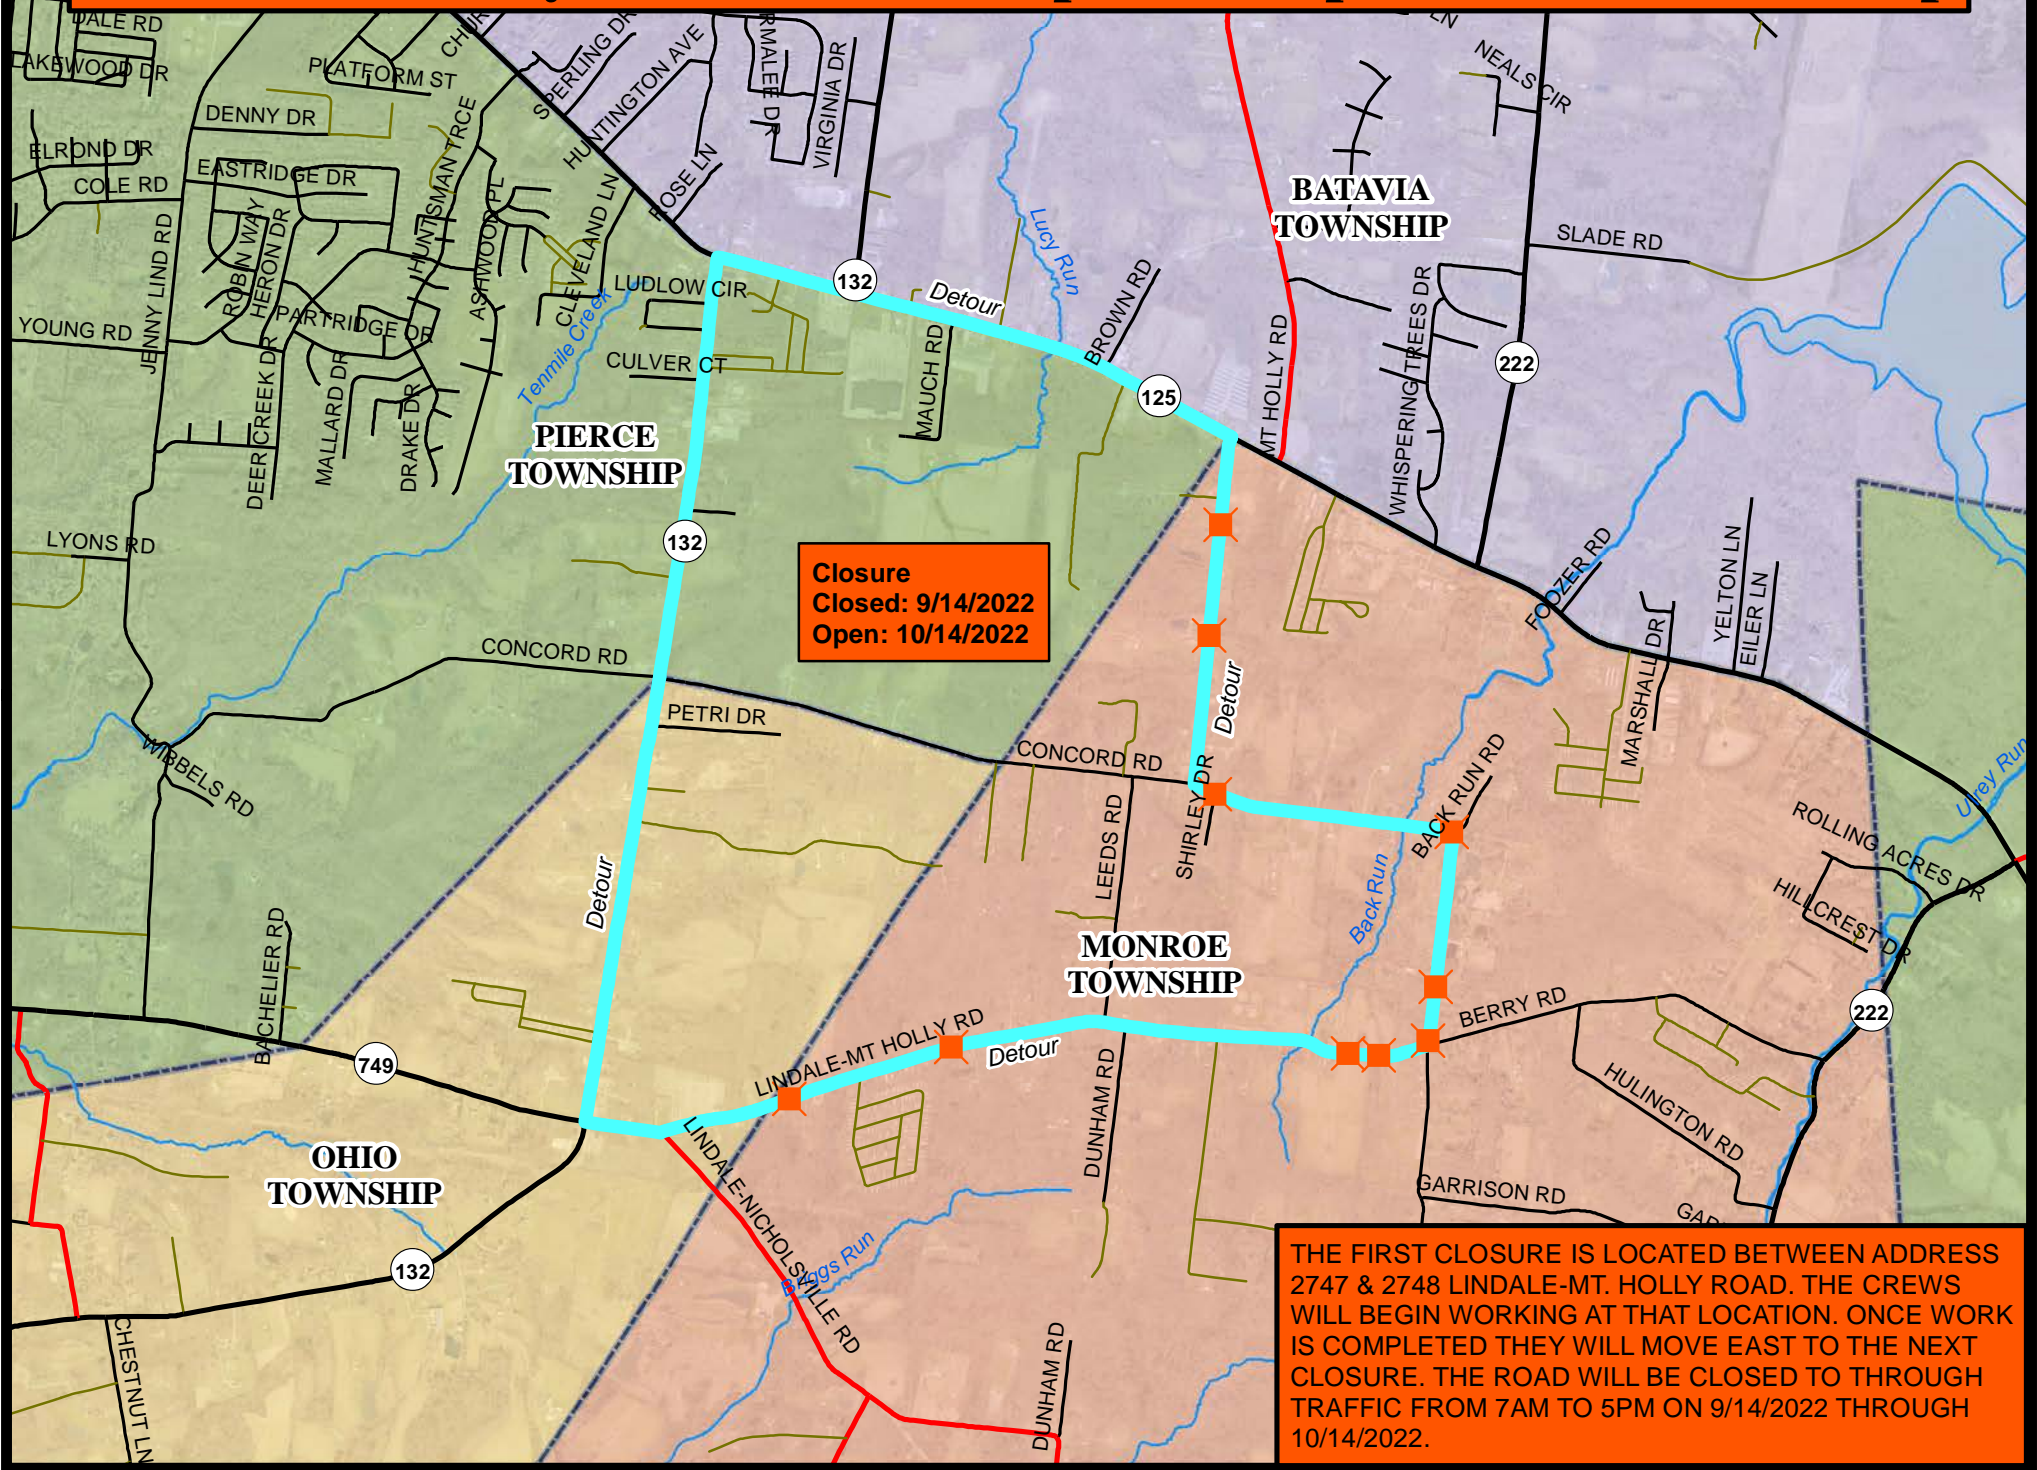

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.E.
Clermont County Engineer
