RE: Cedarville Road Bridge No. C26-4.78 Replacement Detour
Wayne Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Cedarville Road, as it is impractical to construct a temporary highway, culvert or bridge. The detour is needed so that our contractor can replace an existing deficient bridge on Cedarville Road.

The closure is located between address 2804 and 2813 Cedarville Road. **The road will be closed to through traffic on Monday, January 23, 2023 through Friday May 26, 2023.** The length of the detour is approximately 4.35 miles or 22,956 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Doug Royer at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

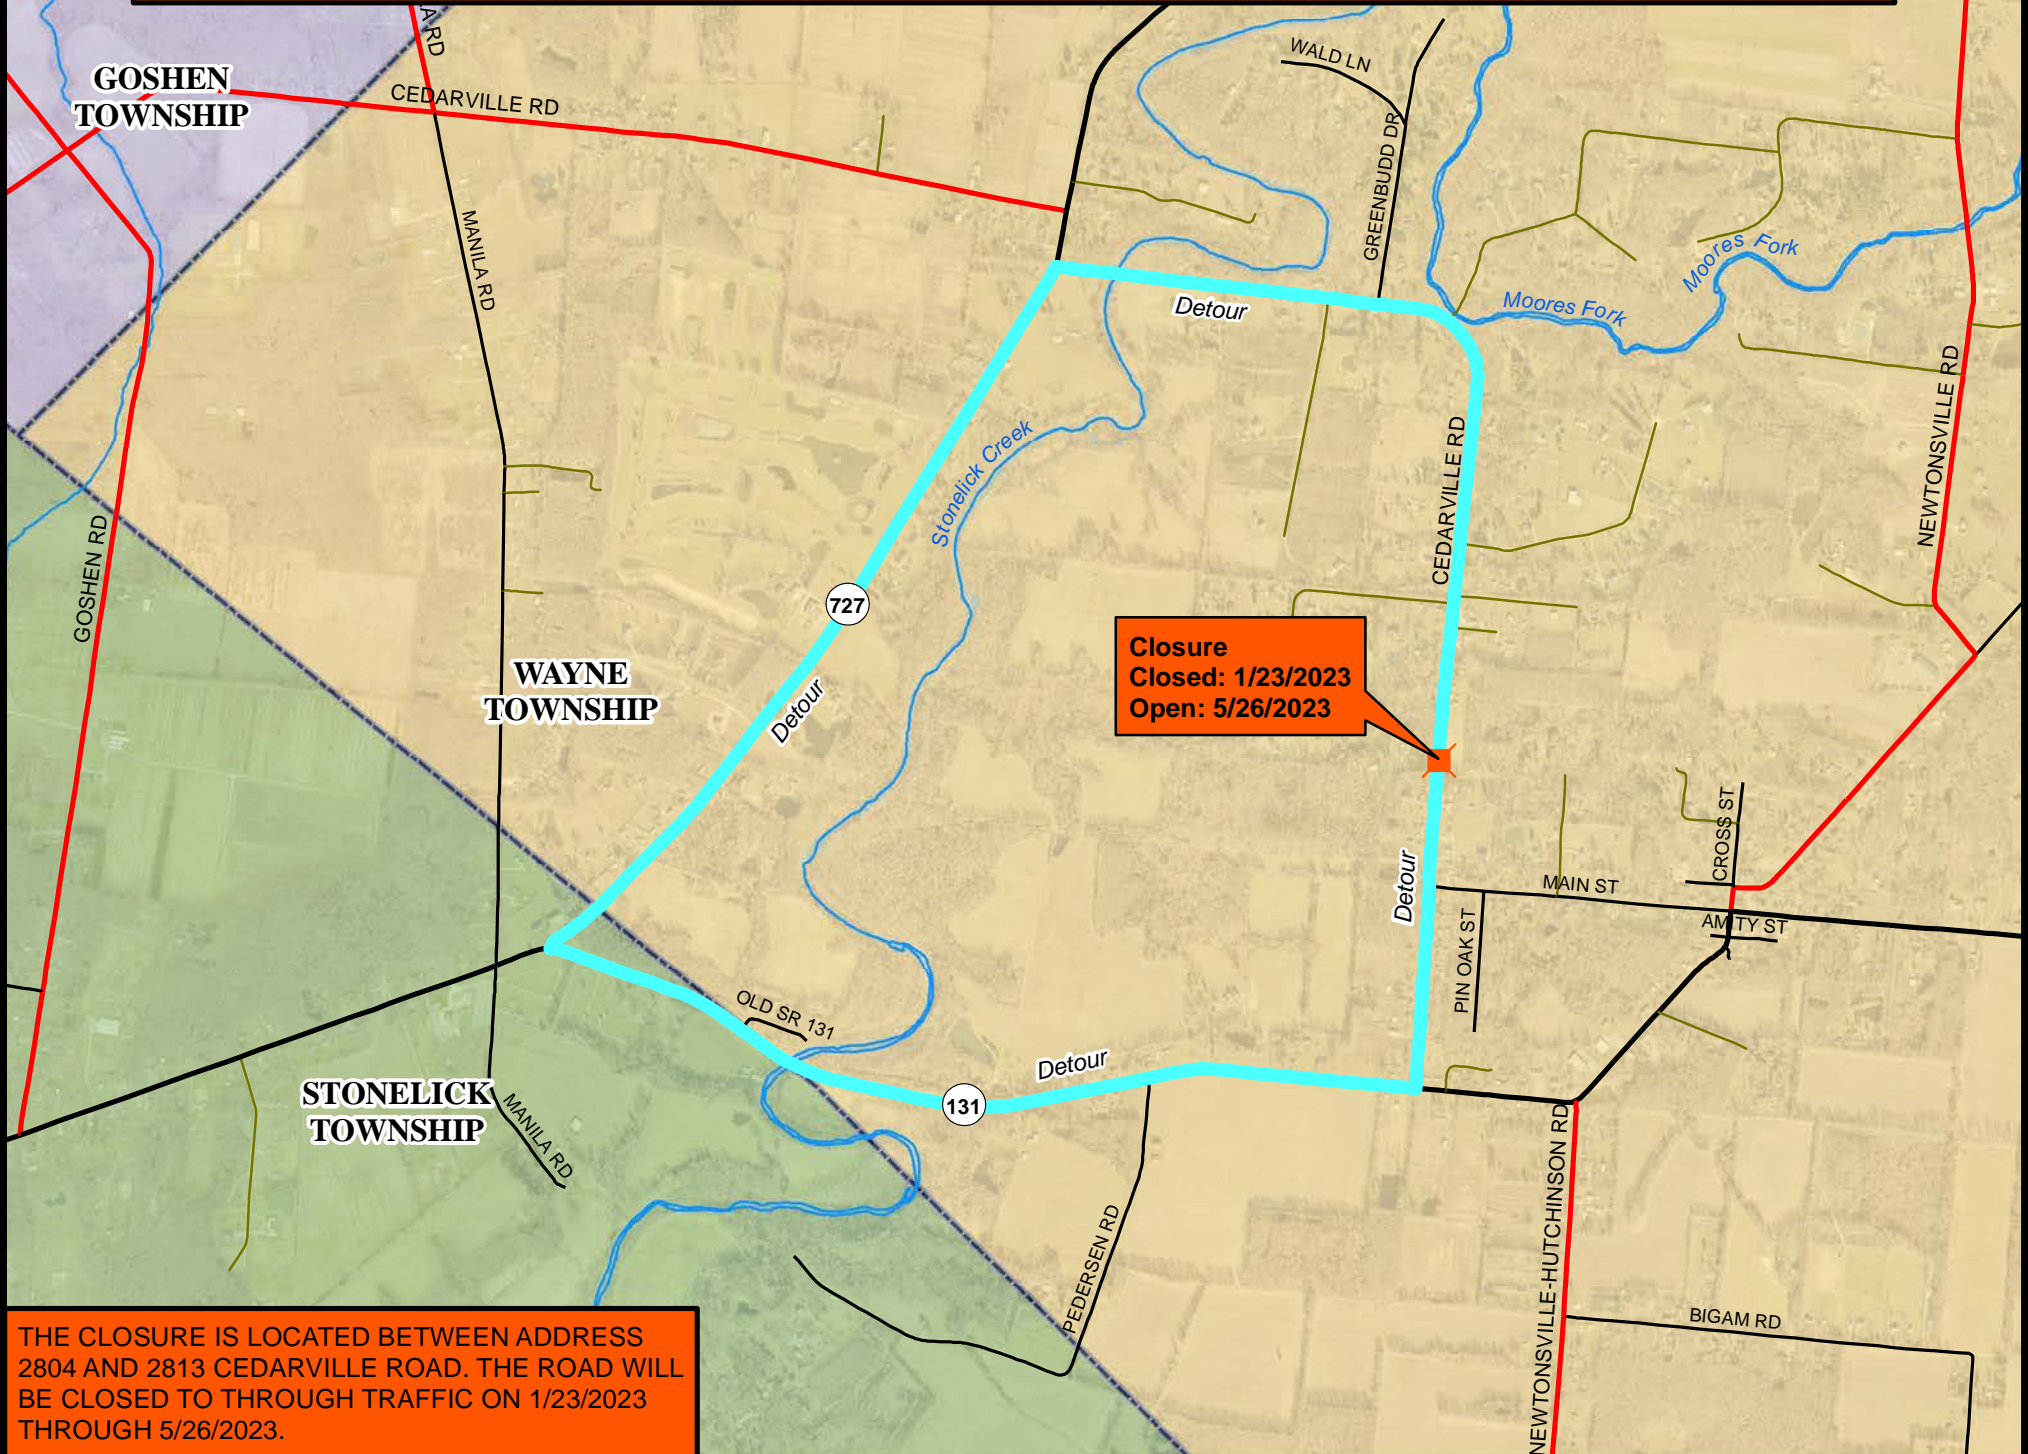

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.
Clermont County Engineer
