RE: Felicity Cedron Rural Road Bridge No. C45-2.45 Weight Reduction
Franklin Township

Dear Commissioners:

Pursuant to Section 5577.071 of the Ohio Revised Code, it has been determined that a weight reduction is necessary on Felicity Cedron Rural Road Bridge No. C45-2.45 in Franklin Township.

After our annual inspection, a new load rating has been added to Felicity Cedron Rural Road Bridge No. C45-2.45 in Franklin Township. The bridge is located approximately 250' southwest of Bartlow Road. The weight limit has been reduced from 60 ton to 30 ton. The roadway is still open to through traffic at this time. If the condition of the bridge worsens a full closure could occur and we will issue an update at that time.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All required signage will be erected and maintained.

If you have questions or need additional information, please contact Doug Royer at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy Evans".

Jeremy Evans, P.E., P.S.
Clermont County Engineer
