RE: Judd Road Utility Work Detour
Batavia Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Judd Road, as it is impractical to construct a temporary highway, culvert or bridge. Duke Energy requested the closure of Judd Road in Batavia Township. The closure is needed so that Duke can complete their scheduled utility upgrades.

The closure is located between address 58 Judd Road and State Route 132 on Judd Road. **The road will be closed to through traffic from 9AM to 2PM on Friday, January 27, 2023.** The length of the detour is approximately 3.83 miles or 20,231 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Amanda Beiting at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

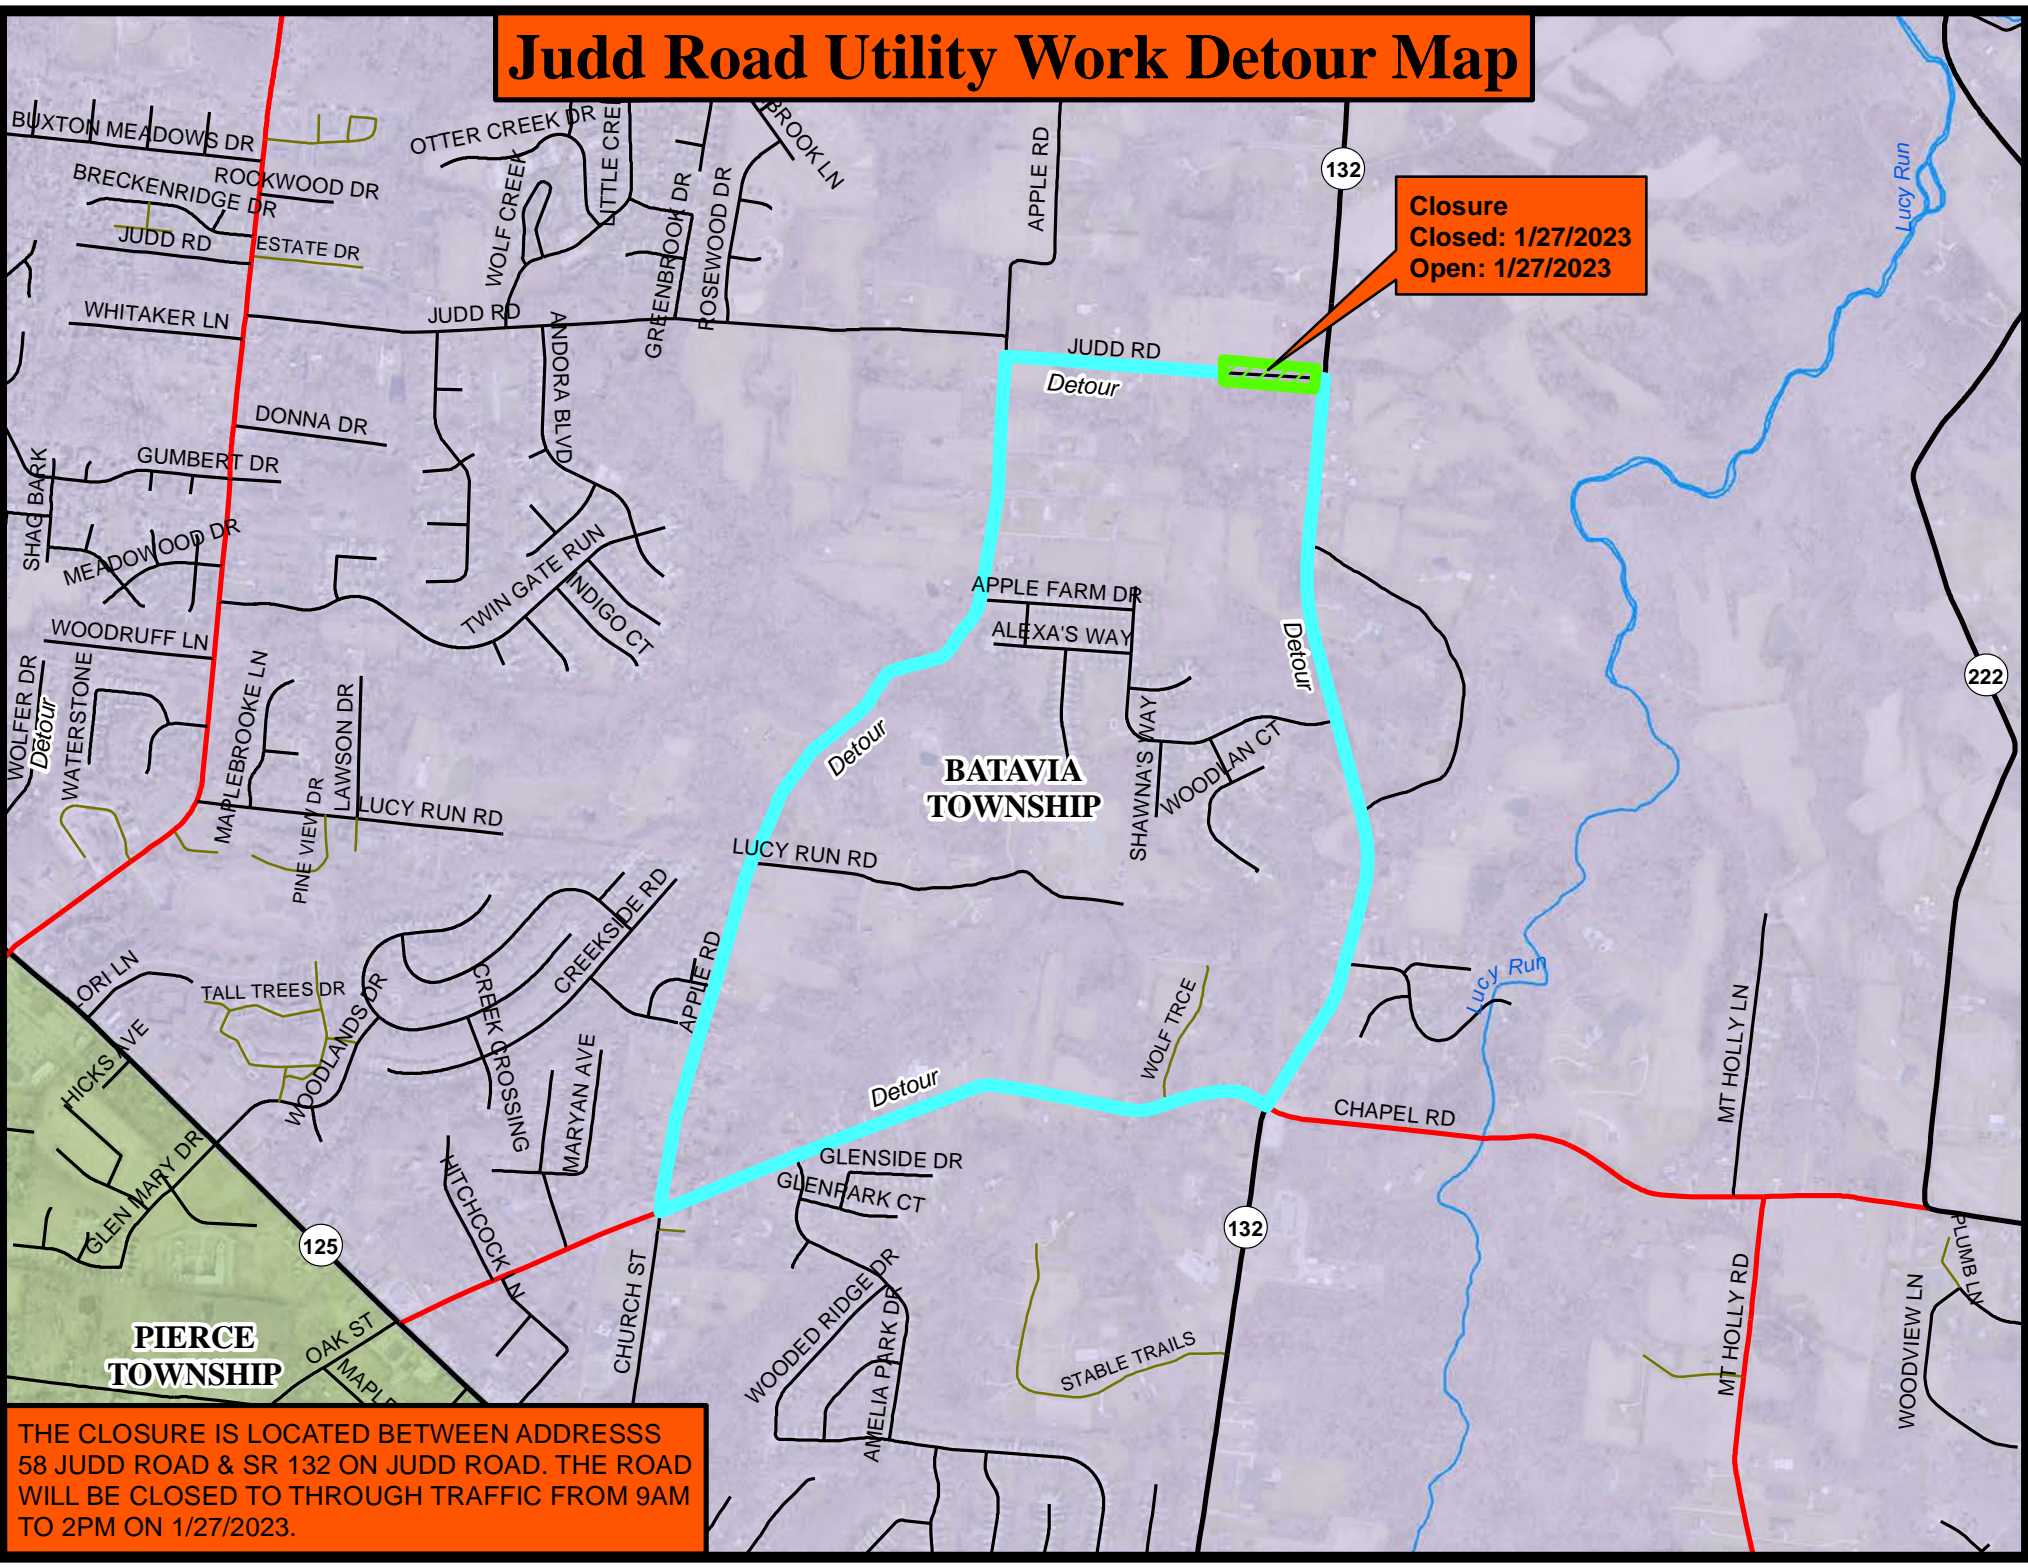

Jeremy P. Evans, P.E., P.S.
Clermont County Engineer
