RE: Bethel-Hygiene Road Culvert Repair & Replacement Detour
Tate Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Bethel-Hygiene Road, as it is impractical to construct a temporary highway, culvert or bridge. The closure is needed so that our crews can repair or replace 5 culvert pipes and improve the drainage on Bethel-Hygiene Road.

The first closure is located between address 2033 and 2048 Bethel-Hygiene Road. The crews will begin working at that location. Once work is completed they will move northeast to the next closure along the road. There are 5 culverts being repaired or replaced during this closure. **The road will be closed to through traffic from 7AM to 5PM Thursday, March 16, 2023 through Friday, March 24, 2023.** The length of the detour is approximately 7.98 miles or 42,133 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at the Clermont County Engineer's Office at (513) 732-8888.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.
Clermont County Engineer
