RE: Laurel-Moscow Road Culvert Repairs and Replacements Detour
Washington Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Laurel-Moscow Road, as it is impractical to construct a temporary highway, culvert or bridge. The closures are needed so that our crews can repair or replace 4 culvert pipes and improve the drainage on Laurel-Moscow Road.

The first closure is located approximately 70' east of US 52 on Laurel-Moscow Road. The crews will begin working at that location. Once work is completed they will move east to the next closure along the road. **The road will be closed to through traffic from 7AM to 5PM on Monday, March 27, 2023 through Monday, April 3, 2023.** The length of the detour is approximately 5.69 miles or 30,068 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

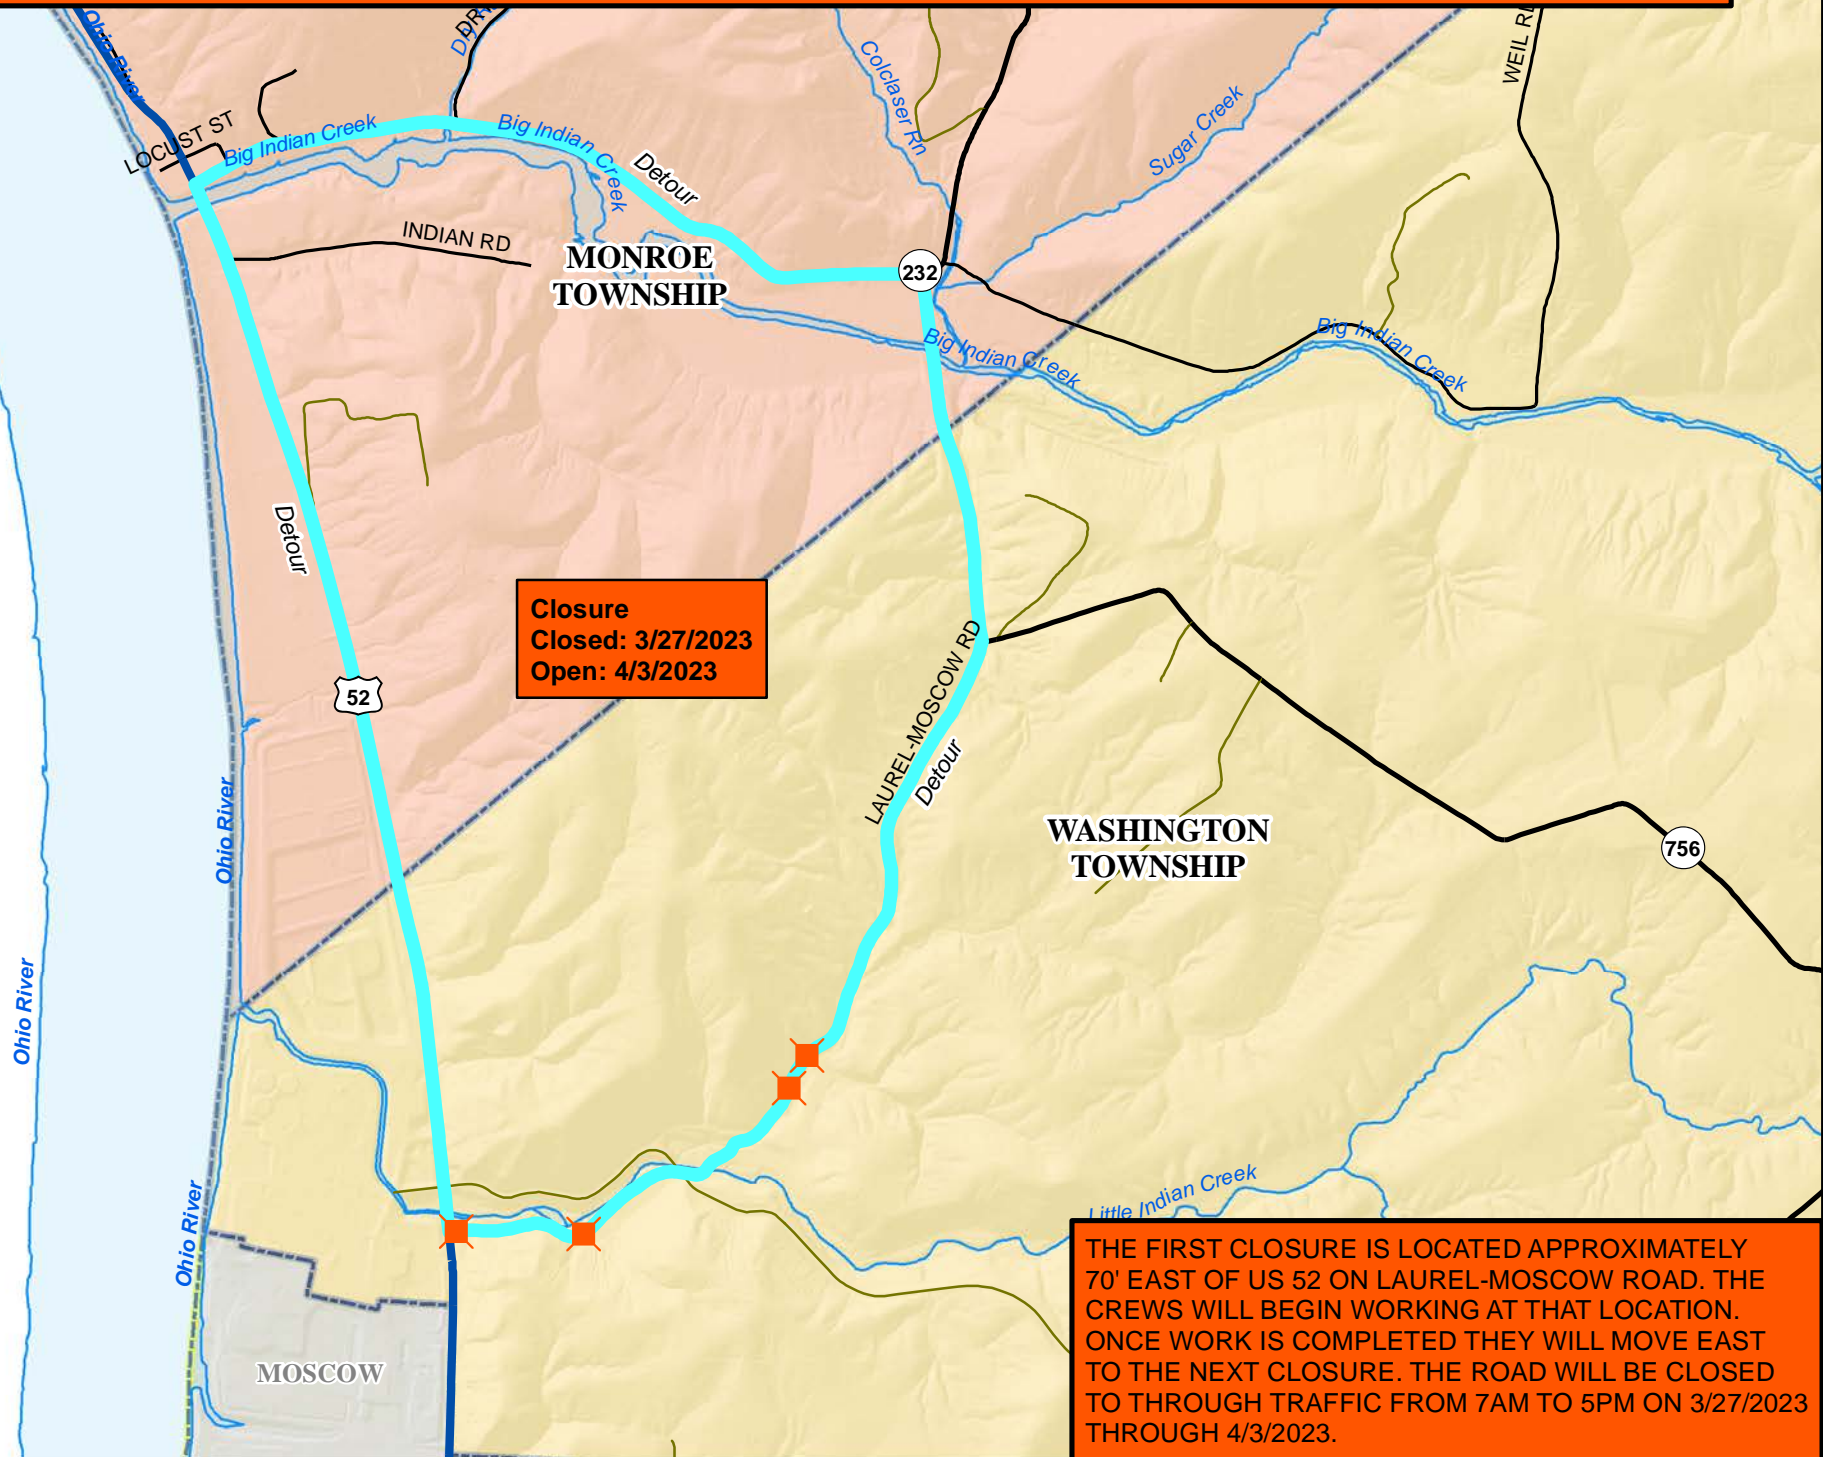

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.
