Batavia, OH 45103

RE: O'Bannonville Road Bridge Replacements C98-1.88 and C98-1.92 Detour
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on O'Bannonville Road, as it is impractical to construct a temporary highway, culvert or bridge. The closures are needed so that our crews can replace two deficient bridges on O'Bannonville Road.

The closures are located between address 1293 and 1296 O'Bannonville Road. Our crews will start with the replacement of Bridge No. C98-1.92, once work has been completed, crews will move west to Bridge No. C98-1.88. **The road will be closed to through traffic on Monday, April 3, 2023 through Friday, June 30, 2023.** The length of the detour is approximately 4.14 miles or 21,875 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Jon Carpenter at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

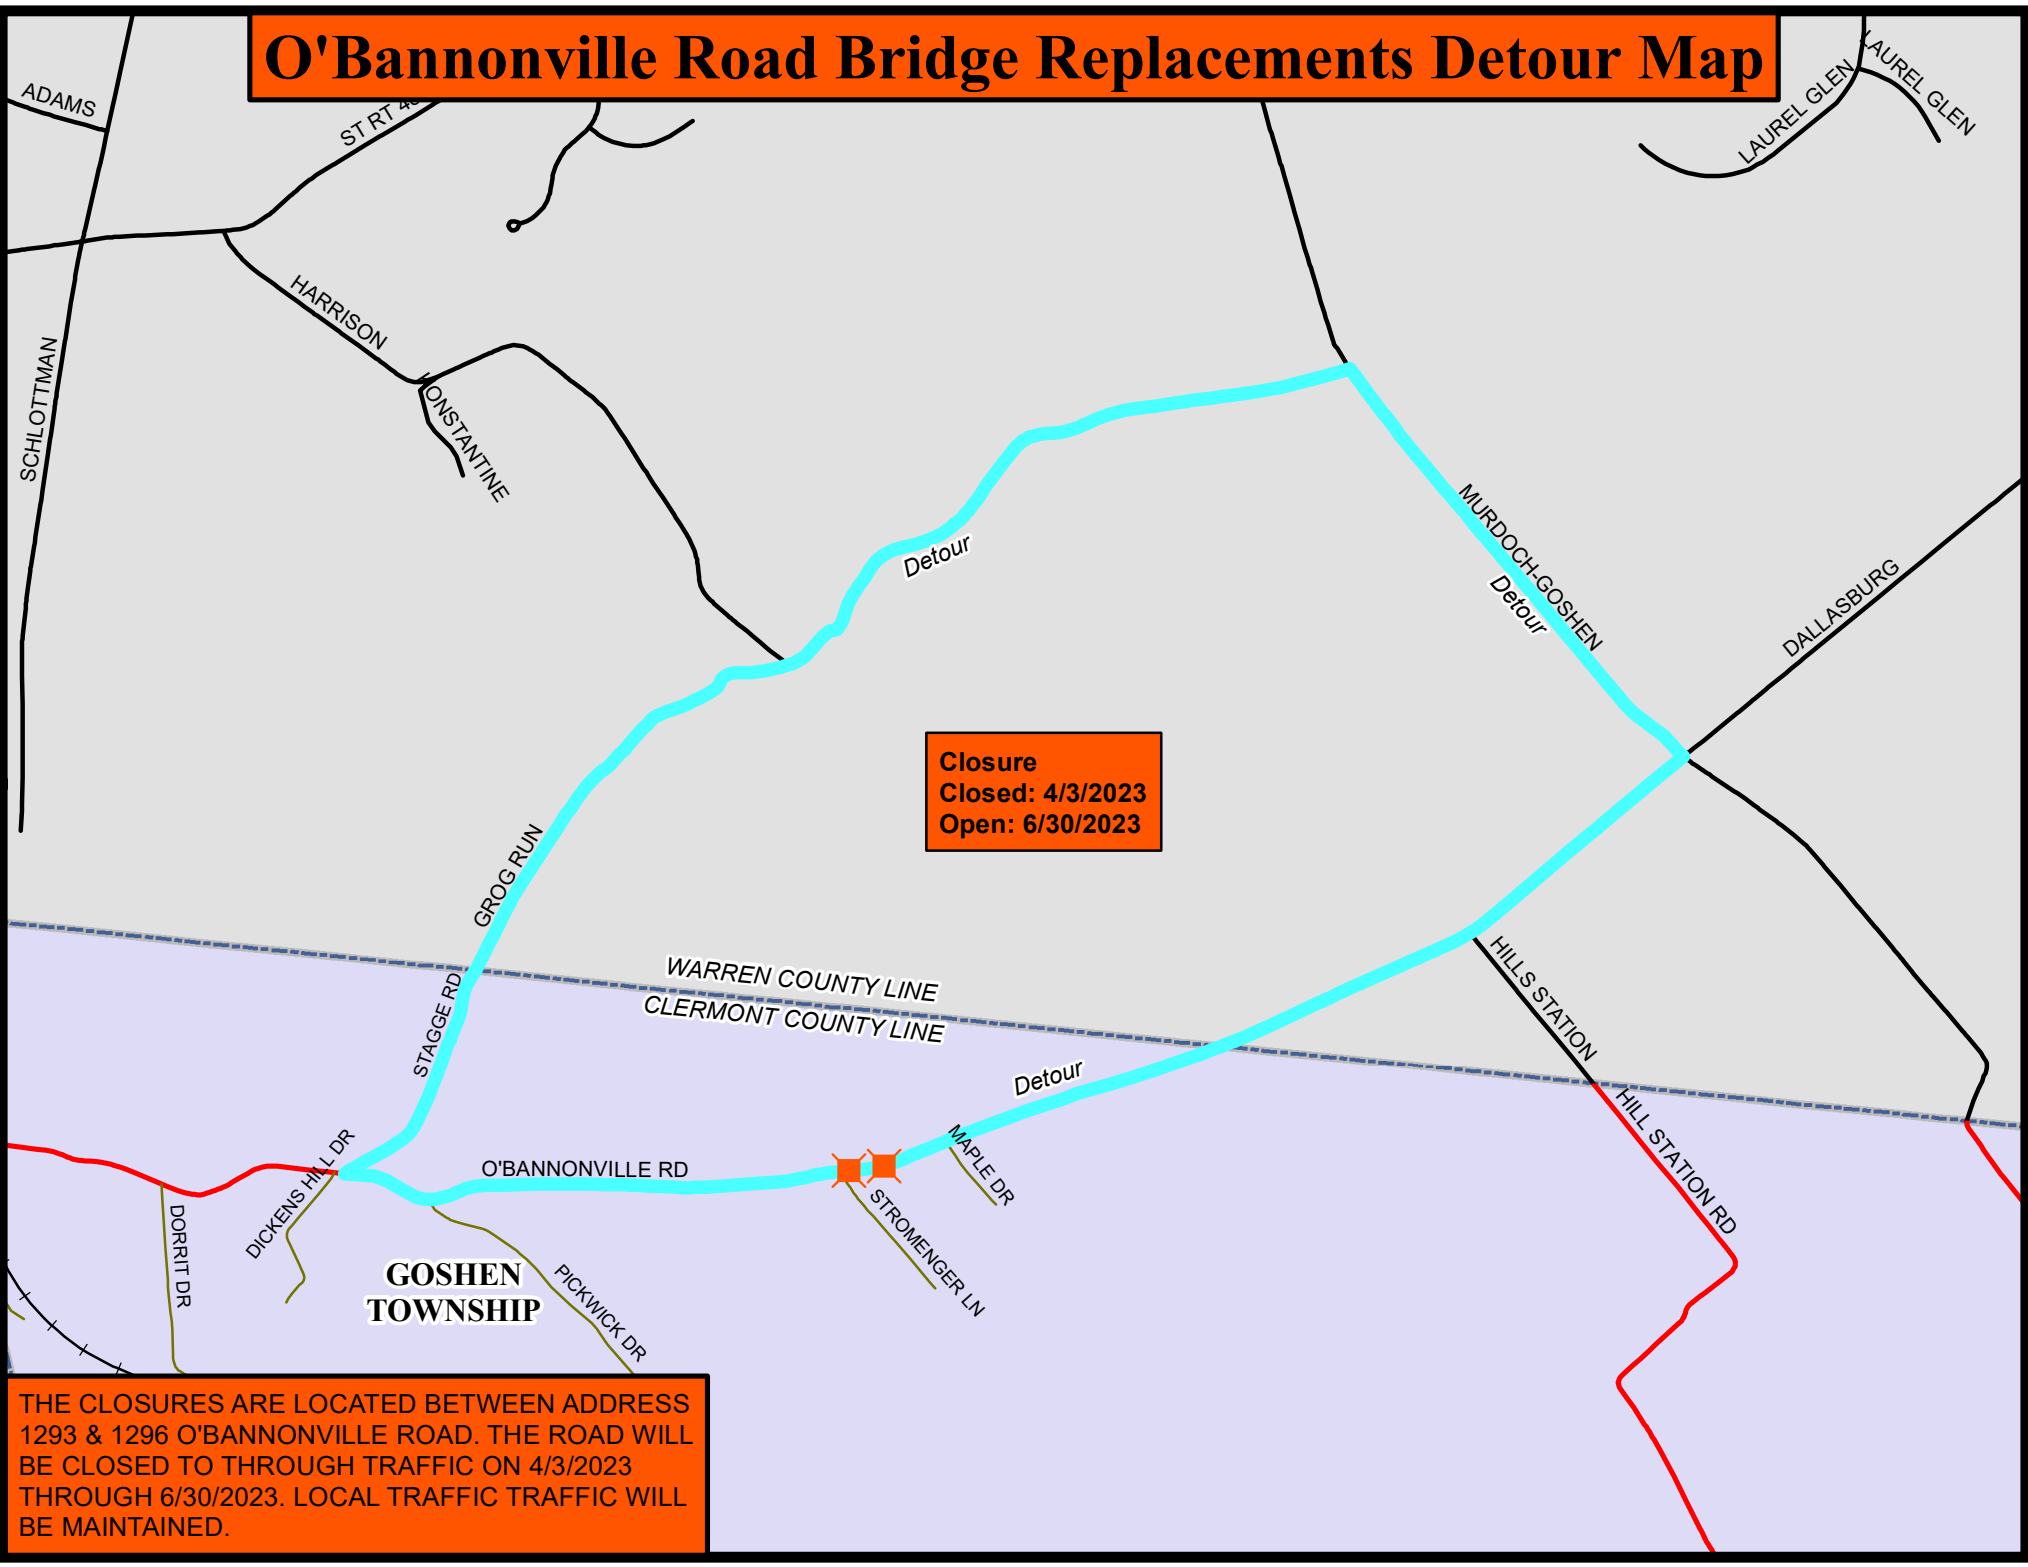

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.
Clermont County Engineer
