RE: Goshen Road Bridge No. C57-4.97 Detour
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Goshen Road, as it is impractical to construct a temporary highway, culvert or bridge. The closure is needed so that our contractor can replace a deficient bridge on Goshen Road.

The closure is located 100' south of Davin Drive on Goshen Road. **The road will be closed to through traffic on Monday, June 5, 2023 through Thursday, August 31, 2023.** The length of the detour is approximately 4.91 miles or 25,945 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. Our crews will post the advanced notification signs. The contractor will maintain the detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Doug Royer at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

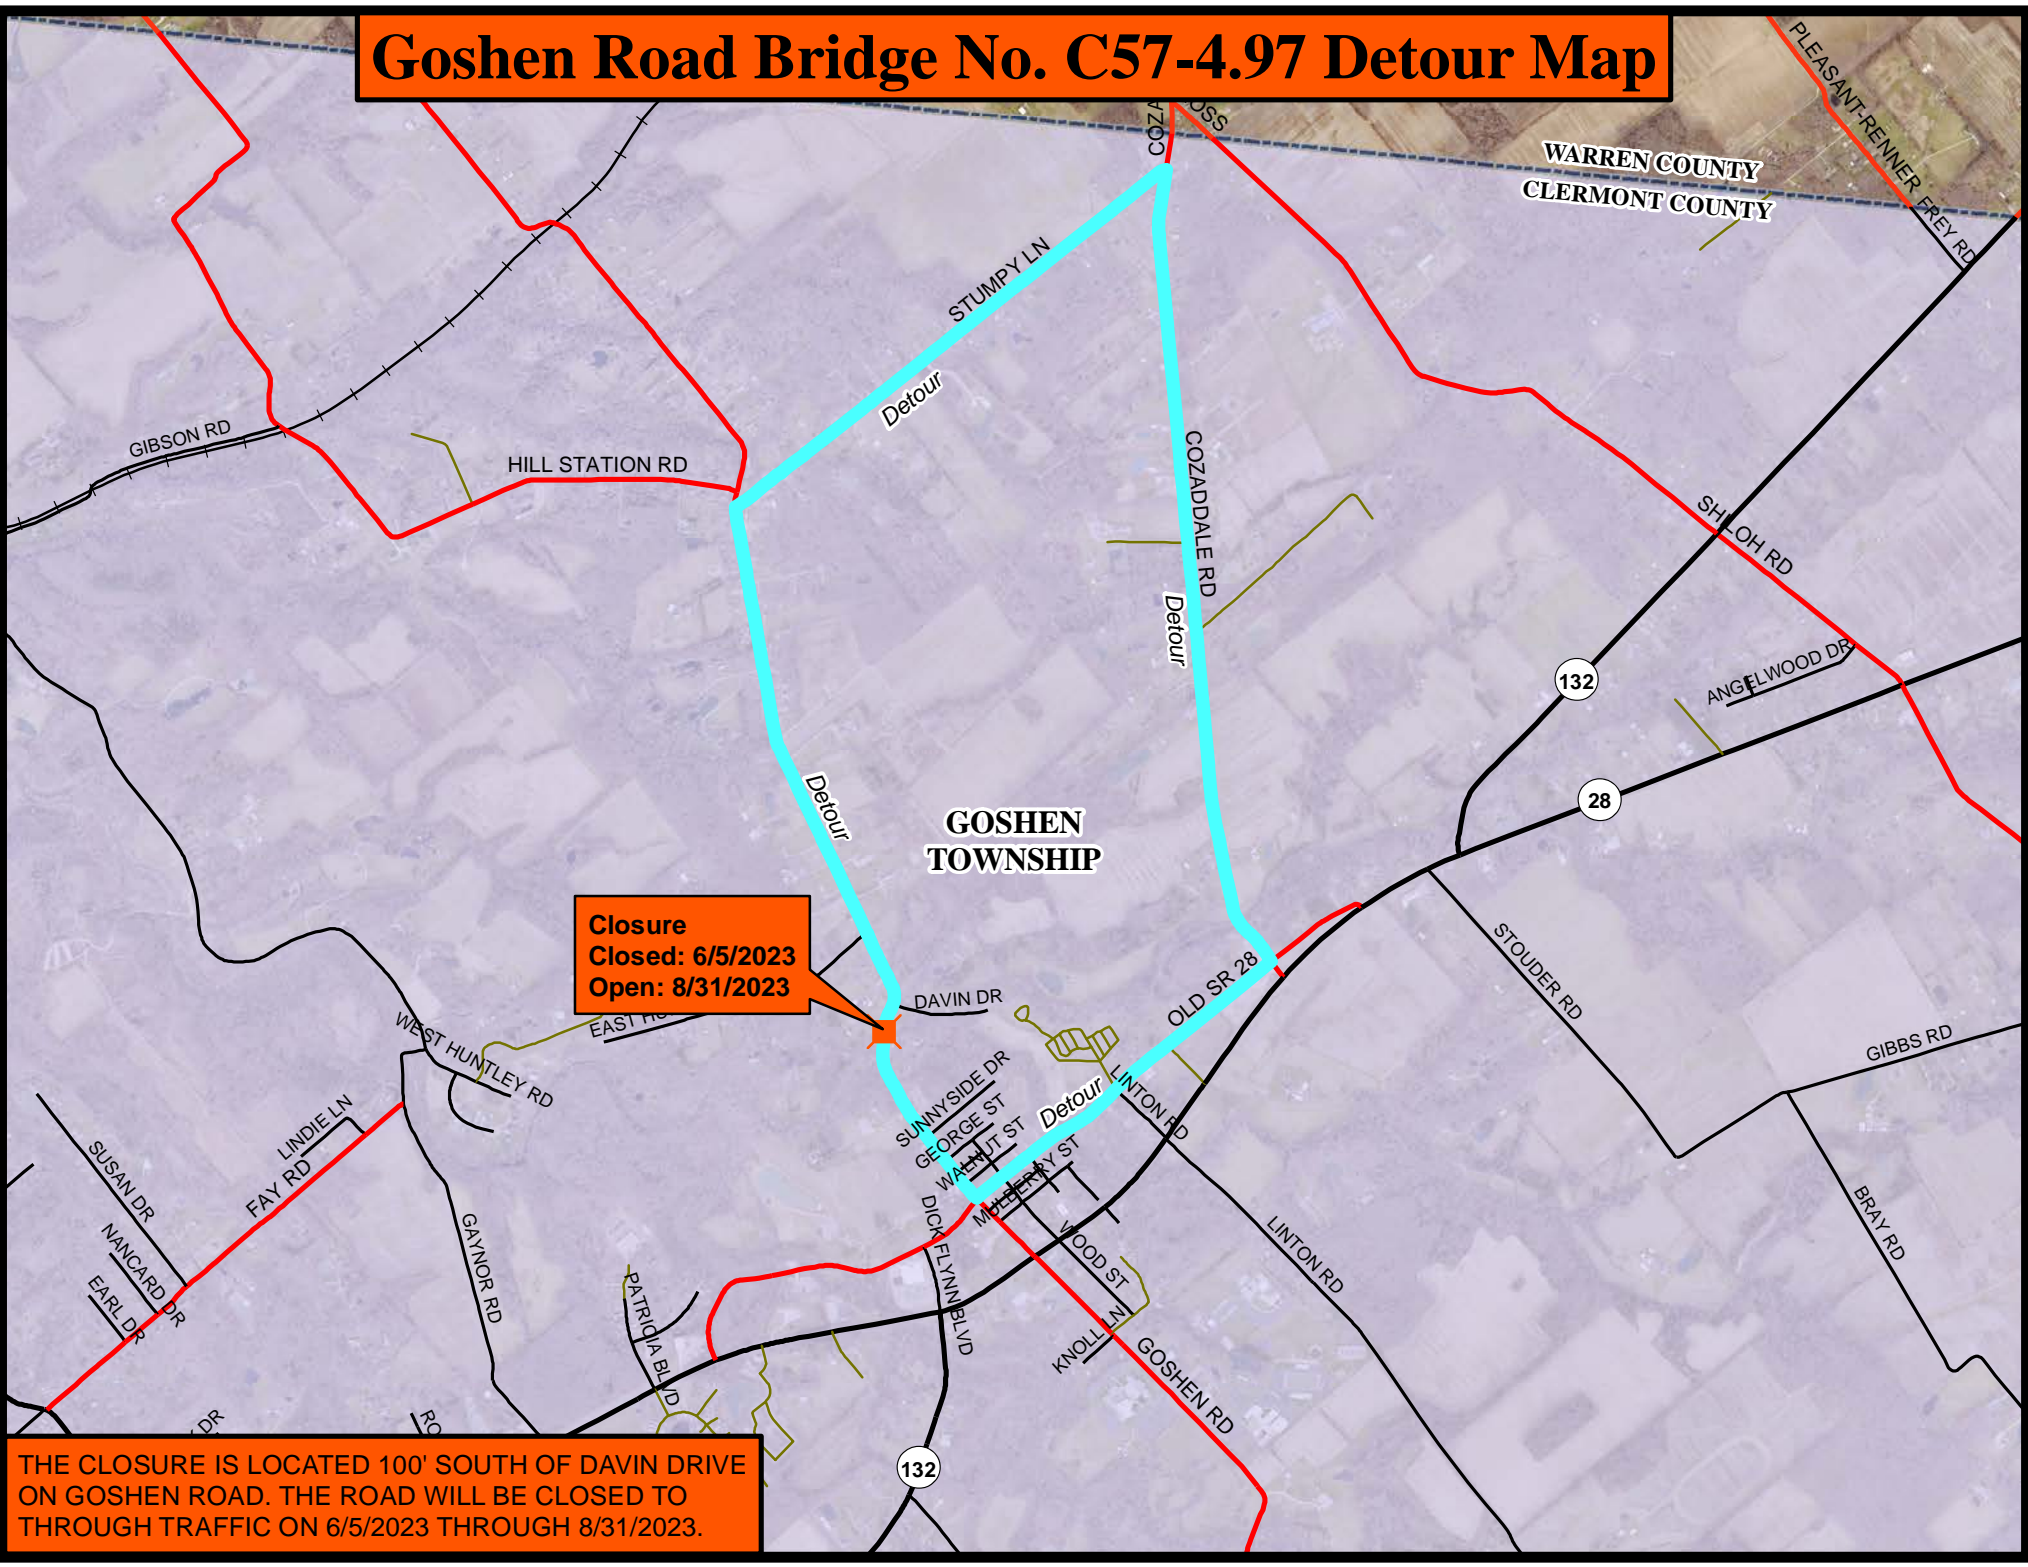

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
