RE: Aicholtz Road Roundabouts Detour
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Aicholtz Road, as it is impractical to construct a temporary highway, culvert or bridge. The detour is needed so that the contractor can construct a roundabout for the Aicholtz Road Roundabouts project.

The closure is located between address 4325 and 4336 Aicholtz Road. Eastgate Square Drive will not be accessible from Aicholtz Road during this closure. **The road will be closed to through traffic on Monday, July 10, 2023 through Friday, September 8, 2023.** The length of the detour is approximately 2.76 miles or 14,577 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will maintain the detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Doug Royer at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

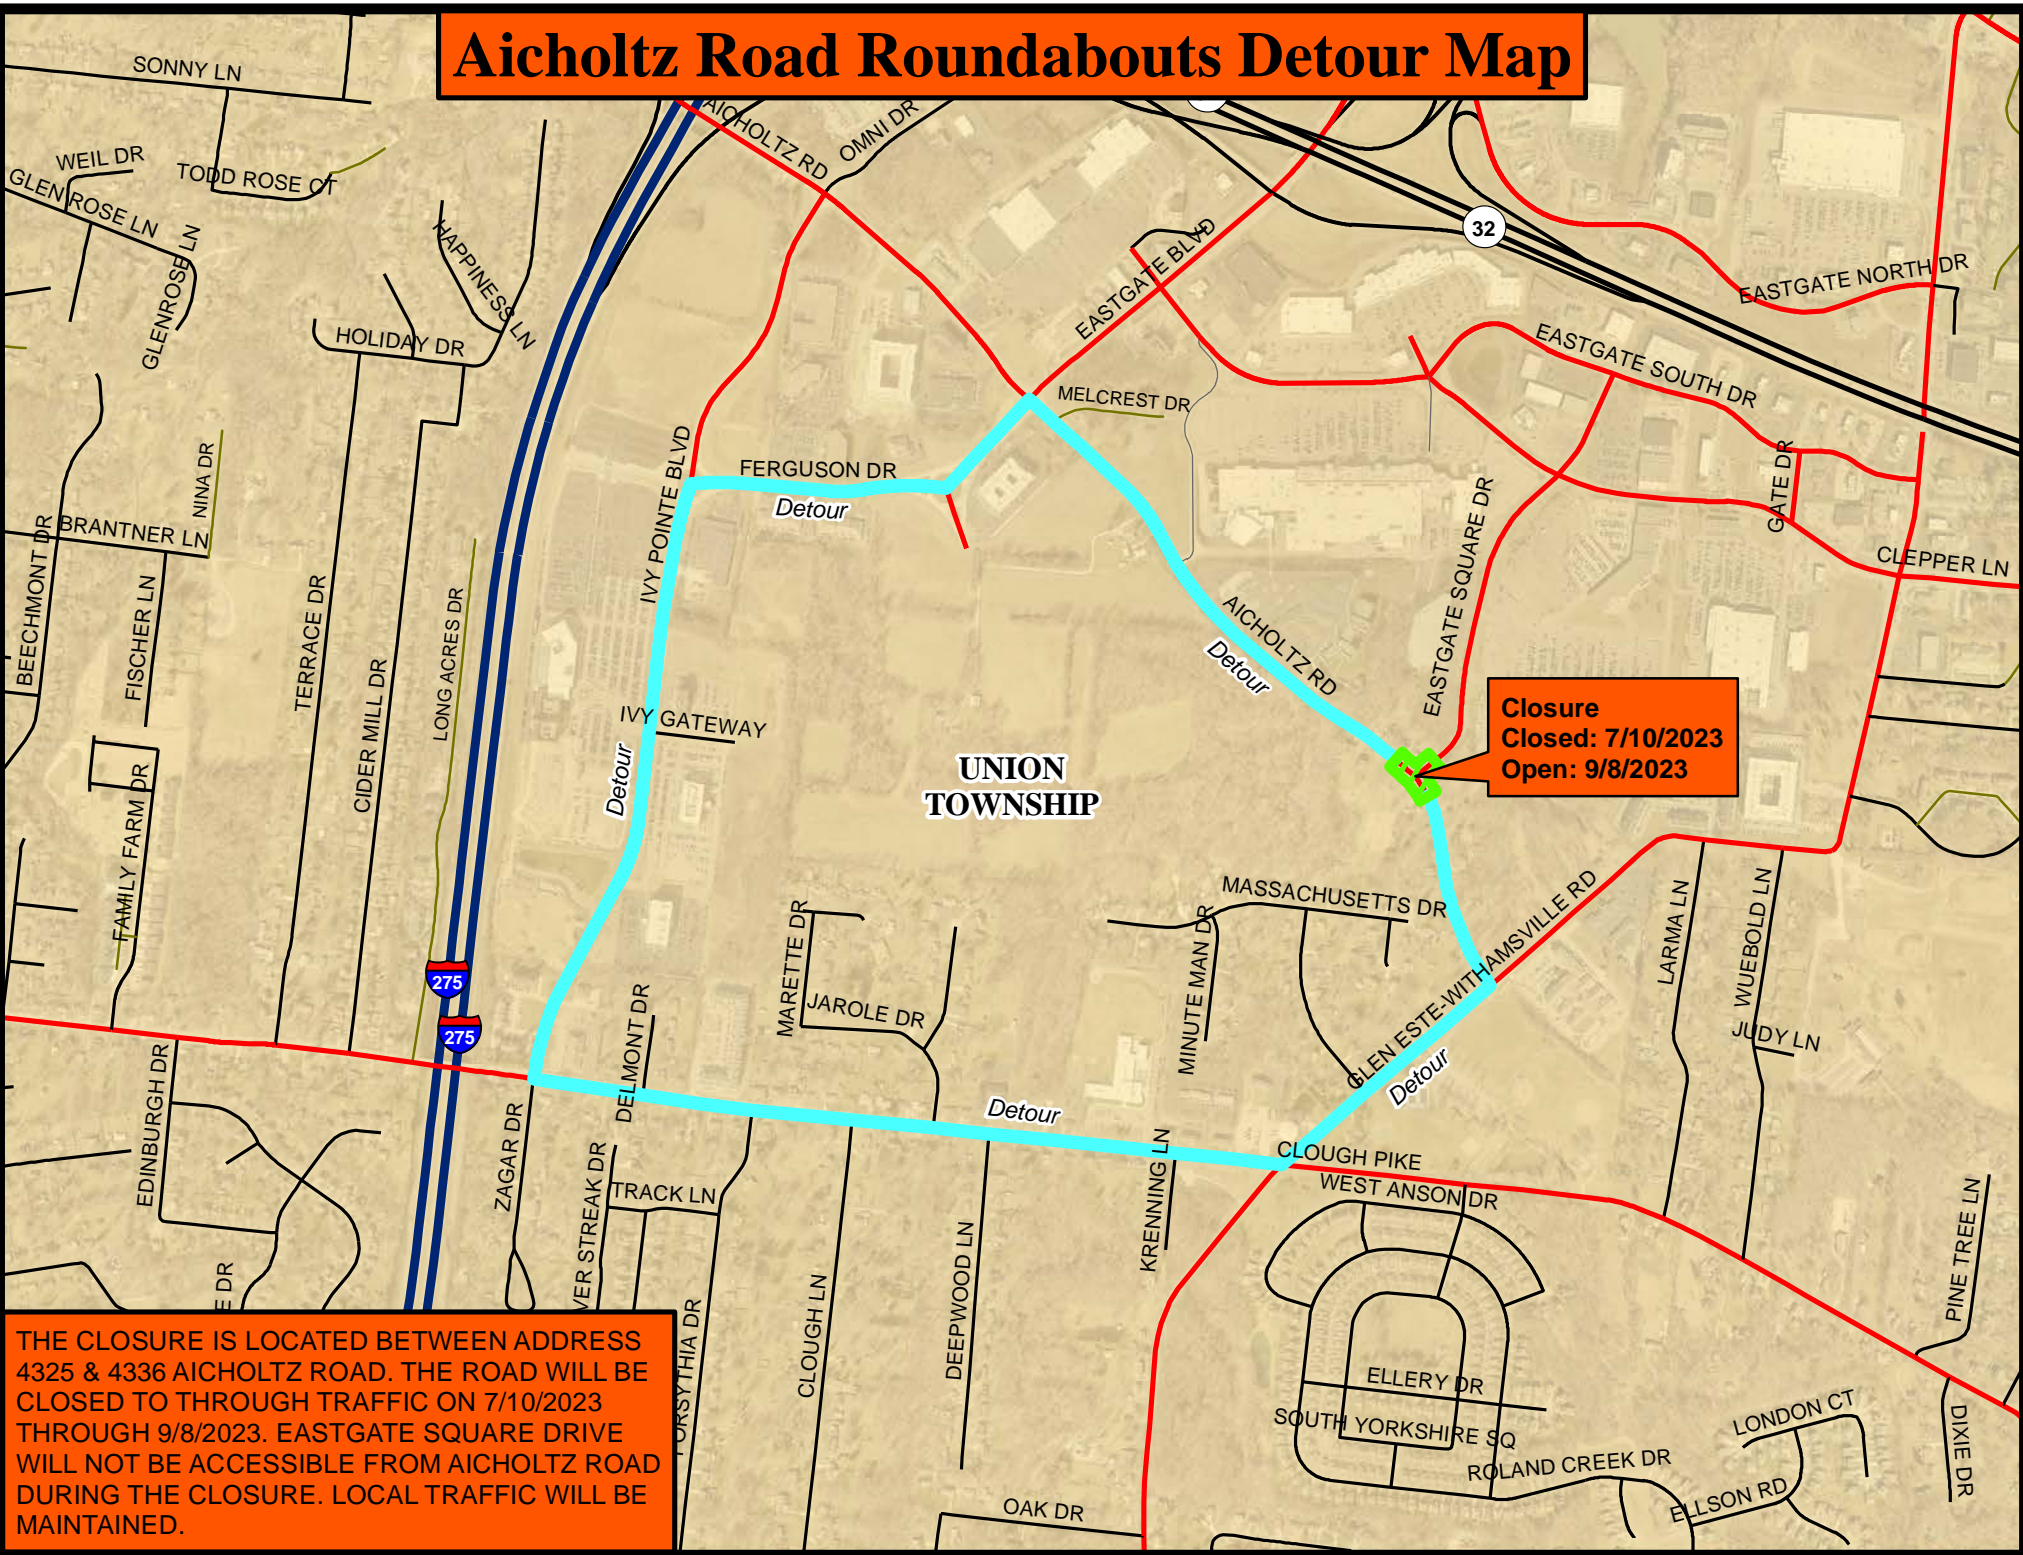

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
