Batavia, OH 45103

RE: O'Bannonville Road Bridge No. C98-0.66 Rehabilitation Detour
Miami/Goshen Townships

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on O'Bannonville Road, as it is impractical to construct a temporary highway, culvert or bridge. The closure is needed so that our contractor can rehab a deficient bridge on O'Bannonville Road.

The closure is located between address 1016 and 1051 O'Bannonville Road. **The road will be closed to through traffic on Monday, August 21, 2023 through Friday, December 1, 2023.** The length of the detour is approximately 8.94 miles or 47,206 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will maintain the detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Doug Royer at the Clermont County Engineer's Office at (513) 732-8857.

Sincerely,

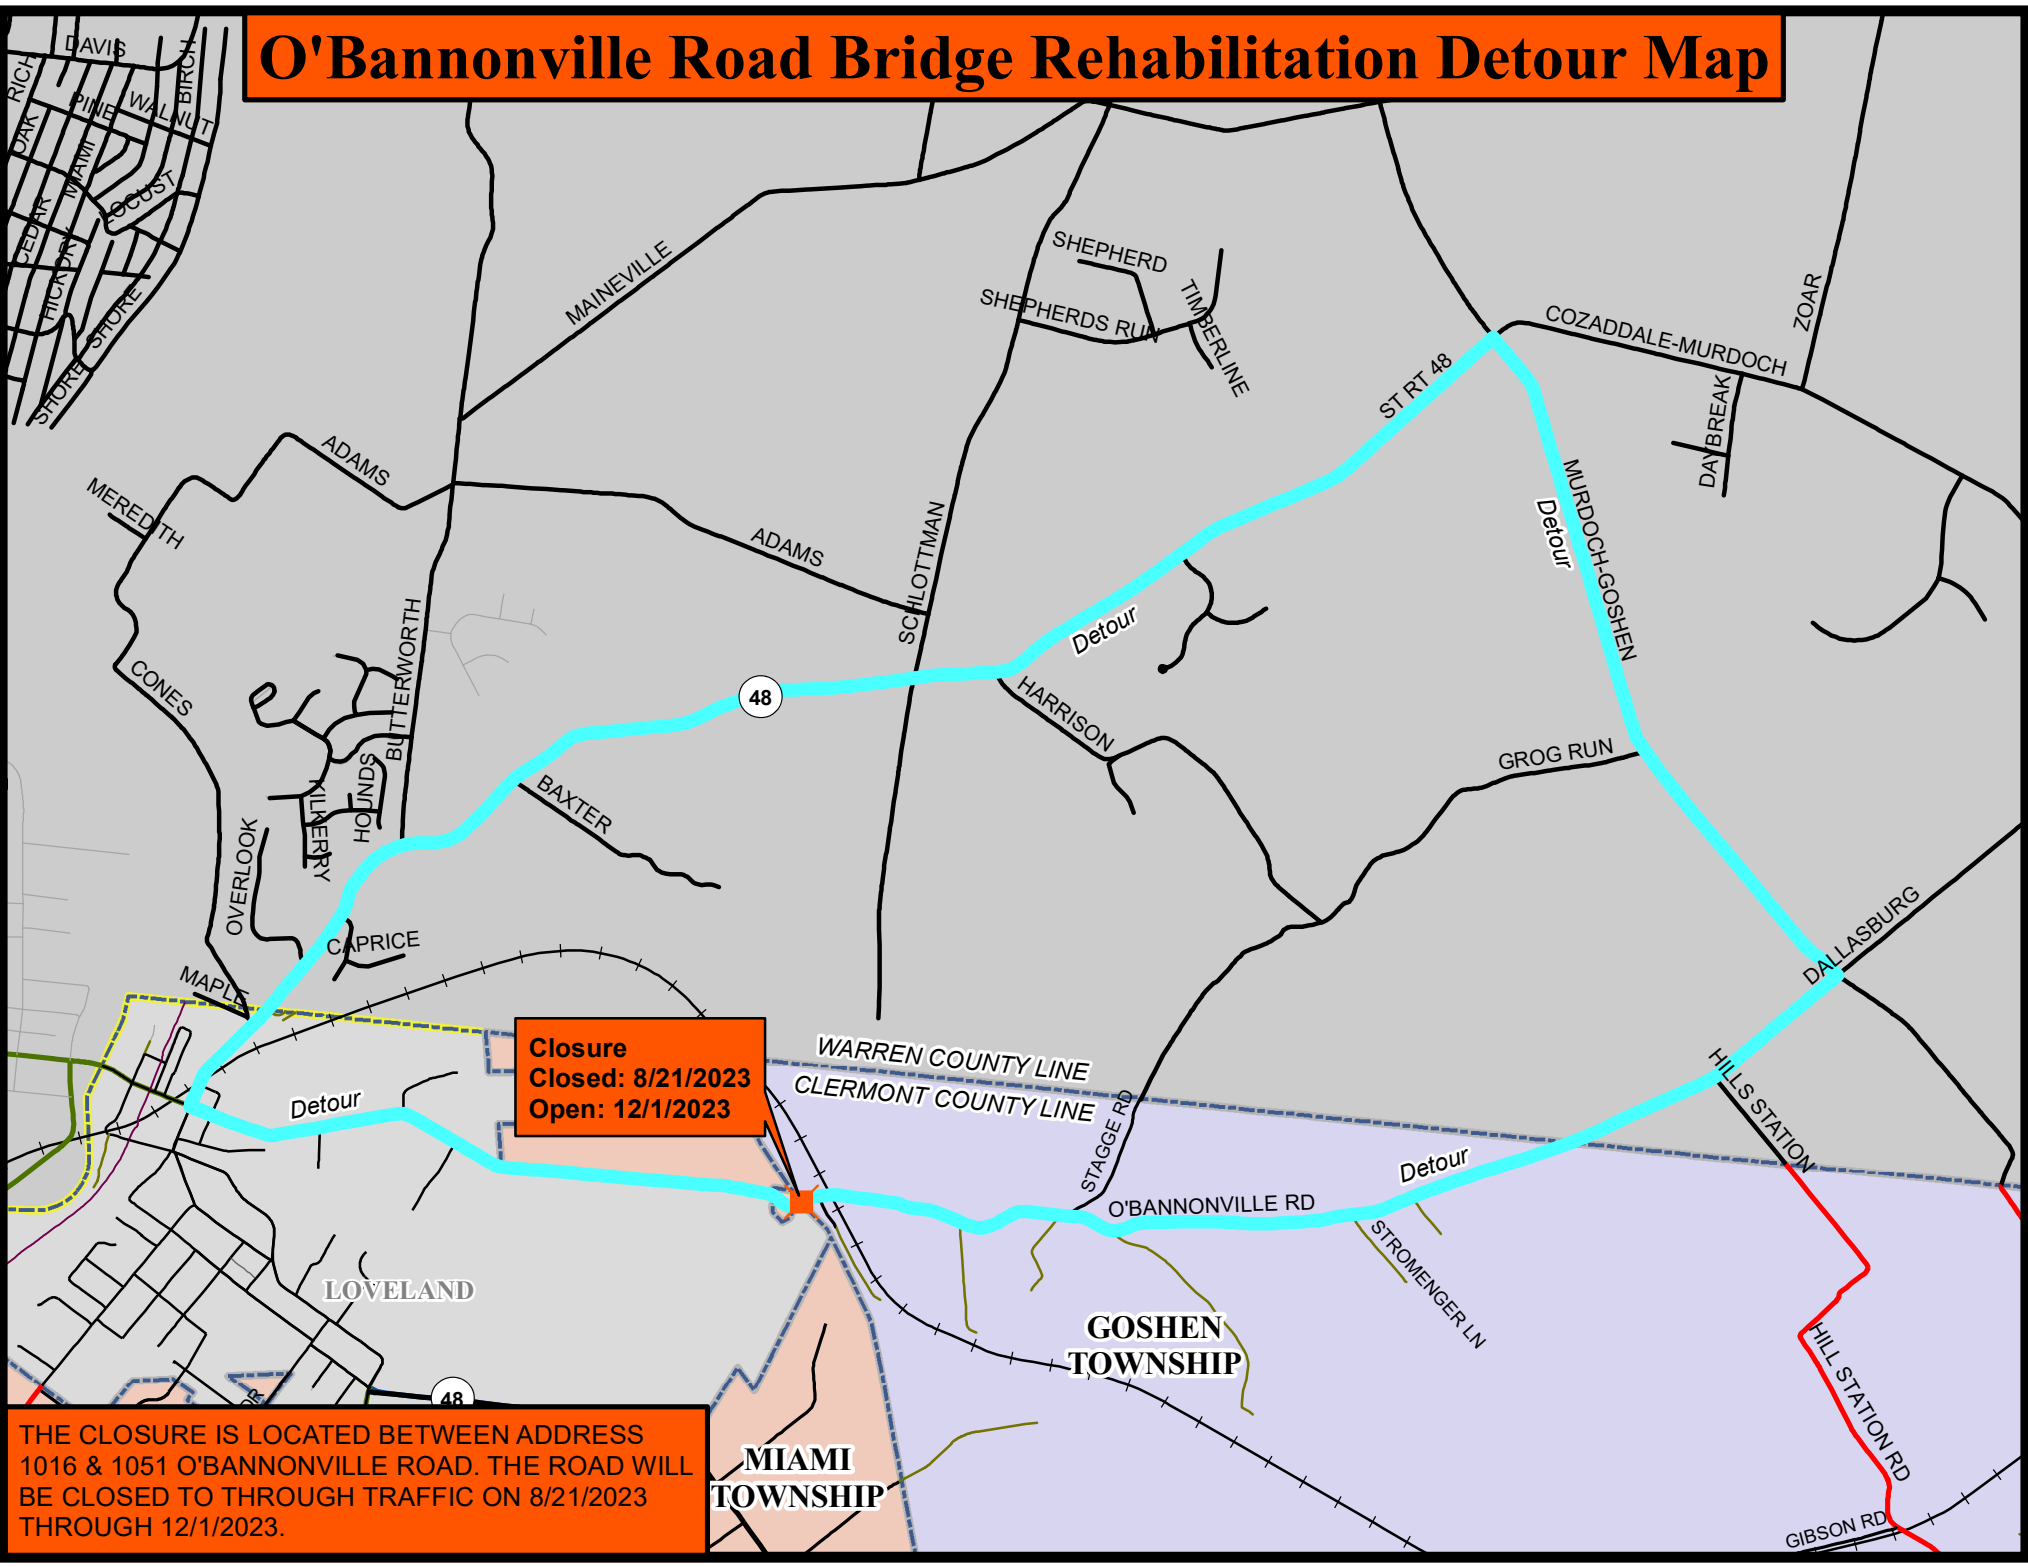

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".

Jeremy P. Evans, P.E., P.S.
