Batavia, OH 45103

RE: Shiloh Road Culvert Replacement & Drainage Improvements Detour  
Goshen Townships

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Shiloh Road, as it is impractical to construct a temporary highway, culvert or bridge. The closure is necessary so our crews can replace a culvert and improve the drainage on Shiloh Road.

The closure is located between SR 132 & the Warren County Line on Shiloh Road. **The road will be closed to through traffic from 7am to 5pm on Thursday, July 18, 2024 through Wednesday, July 24, 2024.**

The length of the detour is approximately 4.45 miles or 23,522 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will maintain the detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Mark Schlosser at 513-732-8857.

Sincerely,

Jeremy P. Evans, P.E., P.S.  
Clermont County Engineer
