RE: Binning Road Landslide Repair Detour
Union Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Binning Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for our contractor to repair the landslide on Binning Road.

The closure is located just south of address 1226 Binning Road. **The road will be closed to through traffic beginning Tuesday, March 4, 2025, through Friday, April 18, 2025.** The length of the detour is approximately 5.67 miles or 29,954 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crew will install the advance notice and detour signs. The contractor will install and maintain the barricades and closure signs at the site. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Amanda Beiting at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans".
