Batavia, OH 45103

RE: Shiloh Road (Shiloh Bridge C157-2.35 Replacement Project) Detour  
Goshen Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Shiloh Road, as it is impractical to construct a temporary highway, culvert or bridge. The detour is needed so that the contractor can replace a deficient bridge along Shiloh Road.

The closure is located between addresses 7085 & 7089 Shiloh Road. **Shiloh Road will be closed to through traffic on Monday, February 17, 2025 through Thursday, May 22, 2025.** The length of the detour is approximately 2.24 miles or 11,835 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. The contractor will maintain the detour signs throughout the project. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Doug Royer at 513-732-8857.

Sincerely,

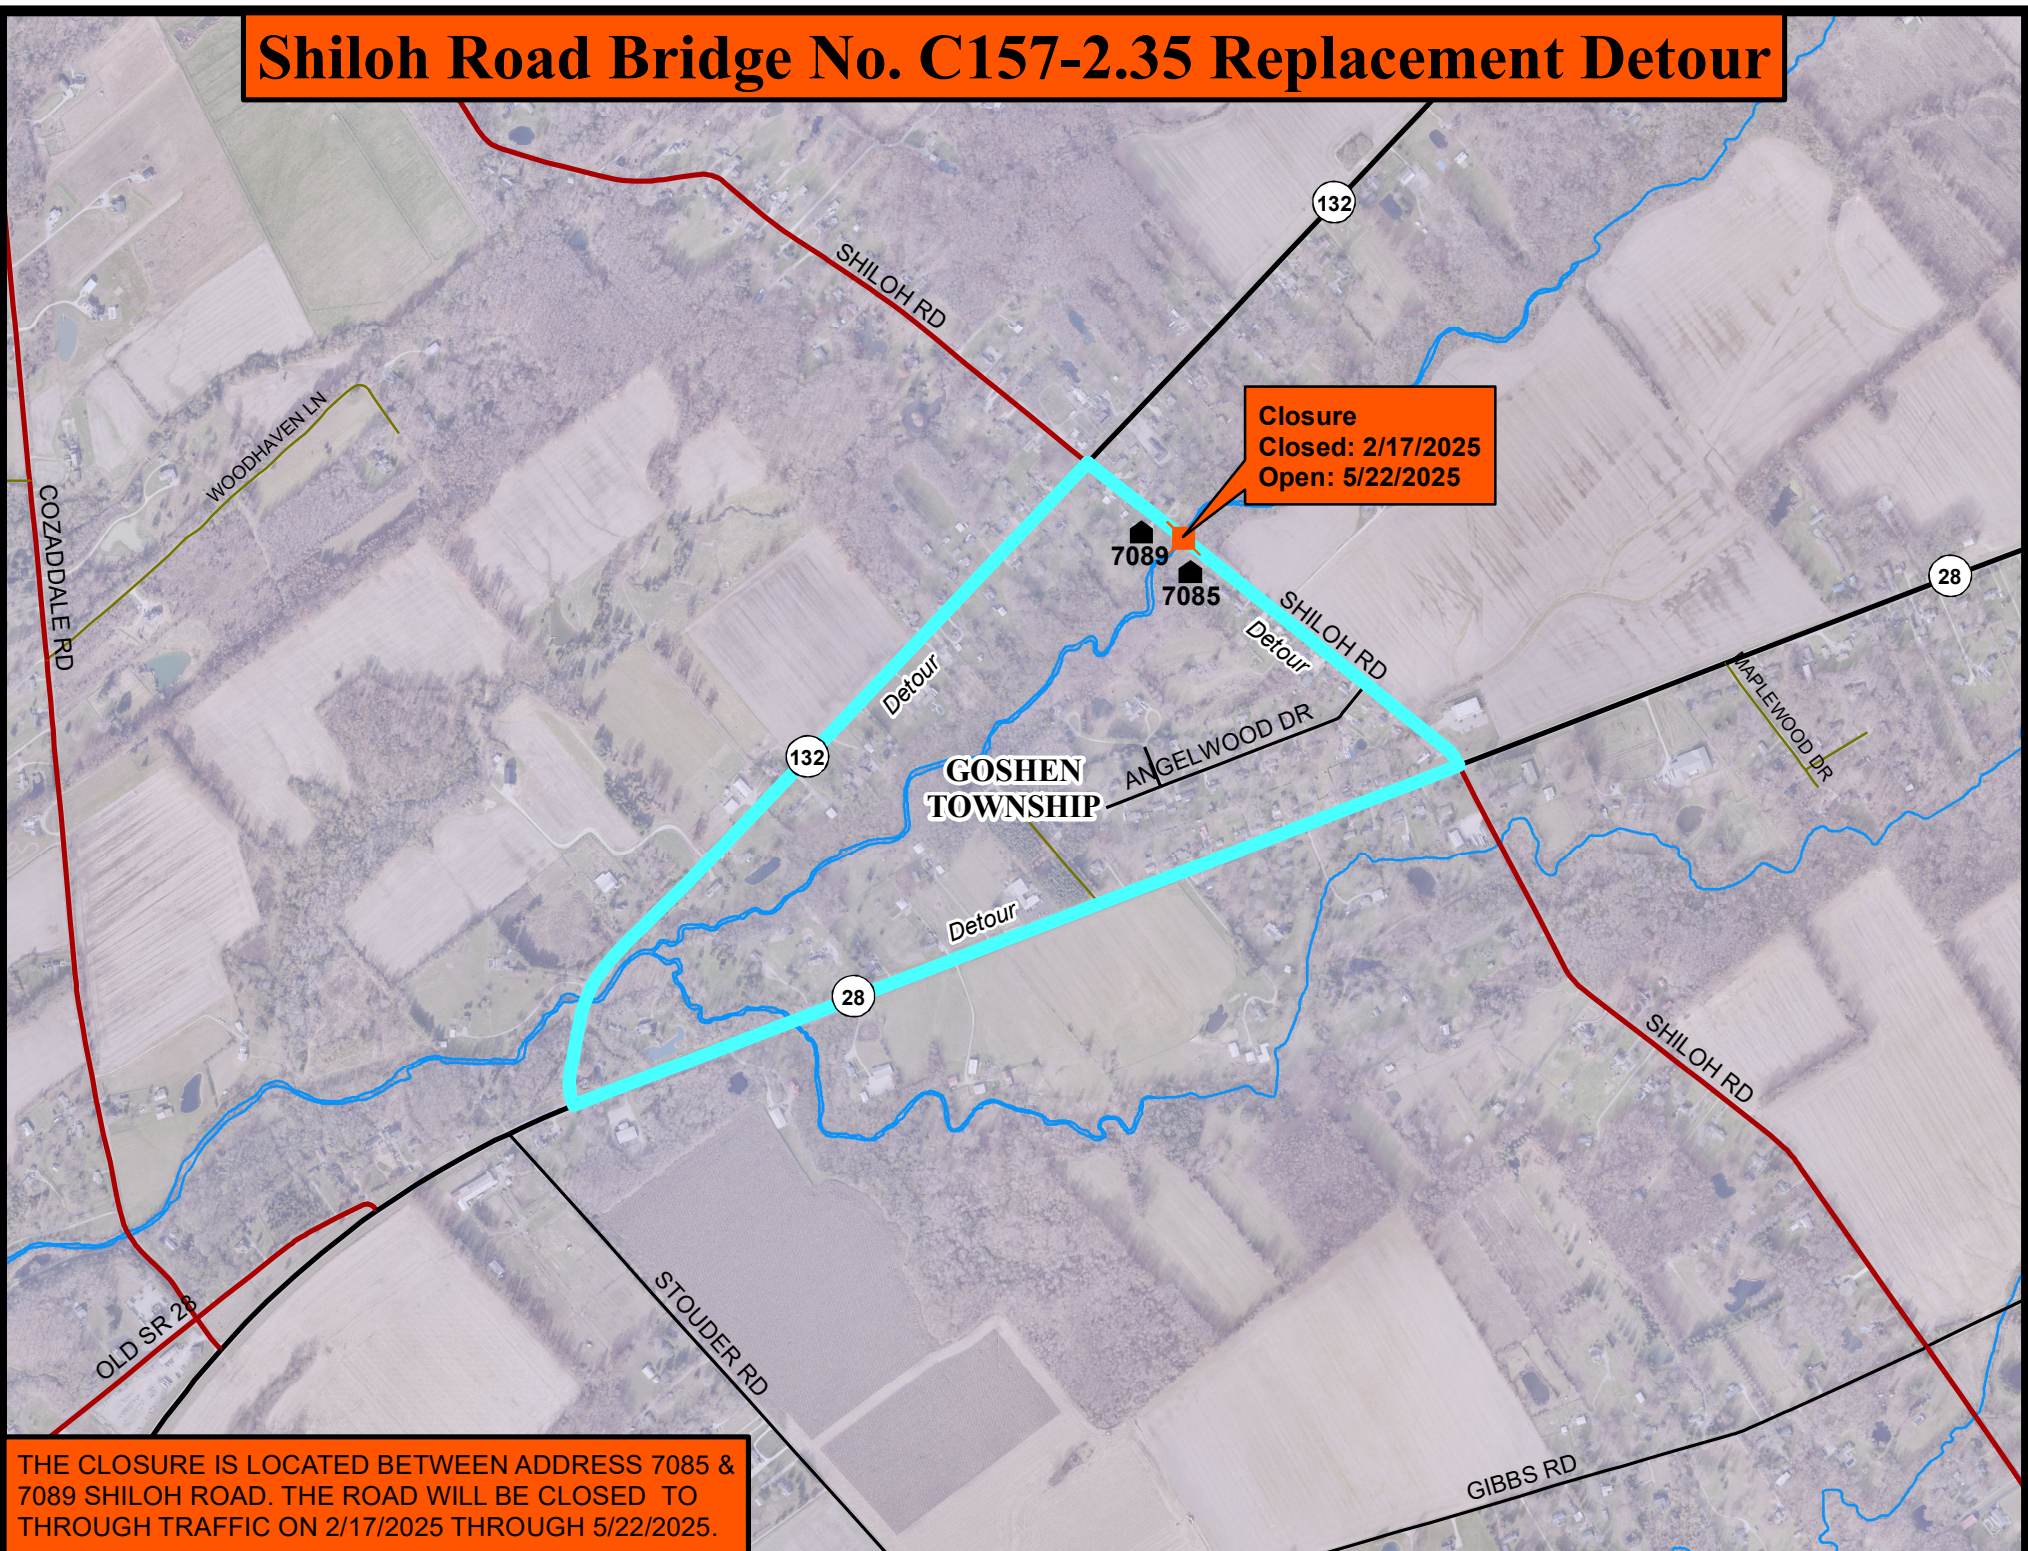

A handwritten signature in blue ink, appearing to read 'Jeremy P. Evans'.

Jeremy P. Evans, P.E., P.S.
