RE: Twelvemile Road Utility Work Detour
Ohio Township

Dear Commissioners:

Pursuant to Section 5543.17 of the Ohio Revised Code, I have determined that a road closure is necessary on Twelvemile Road, as it is impractical to construct a temporary highway, culvert, or bridge. The closure is necessary for Duke Energy to complete their scheduled utility upgrades on Twelvemile Road.

The closure is located between address 1129 and 1185 Twelvemile Road. **The road will be close to through traffic from 8AM to 4PM on Tuesday, March 18, 2025.** The length of the detour is approximately 9.49 miles or 50,100 feet.

The Office of the Clermont County Engineer shall notify the Communication Center and other affected agencies. All advanced warning and detour signs will be erected and maintained for this project. Our crews will maintain the advanced warning signs. The contractor will maintain all other detour signs. **Attached is the recommended detour.**

If you have questions or need additional information, please contact Amanda Beiting at 513-732-8857.

Sincerely,

A handwritten signature in blue ink, appearing to read "Jeremy P. Evans", is written over a light blue horizontal line.

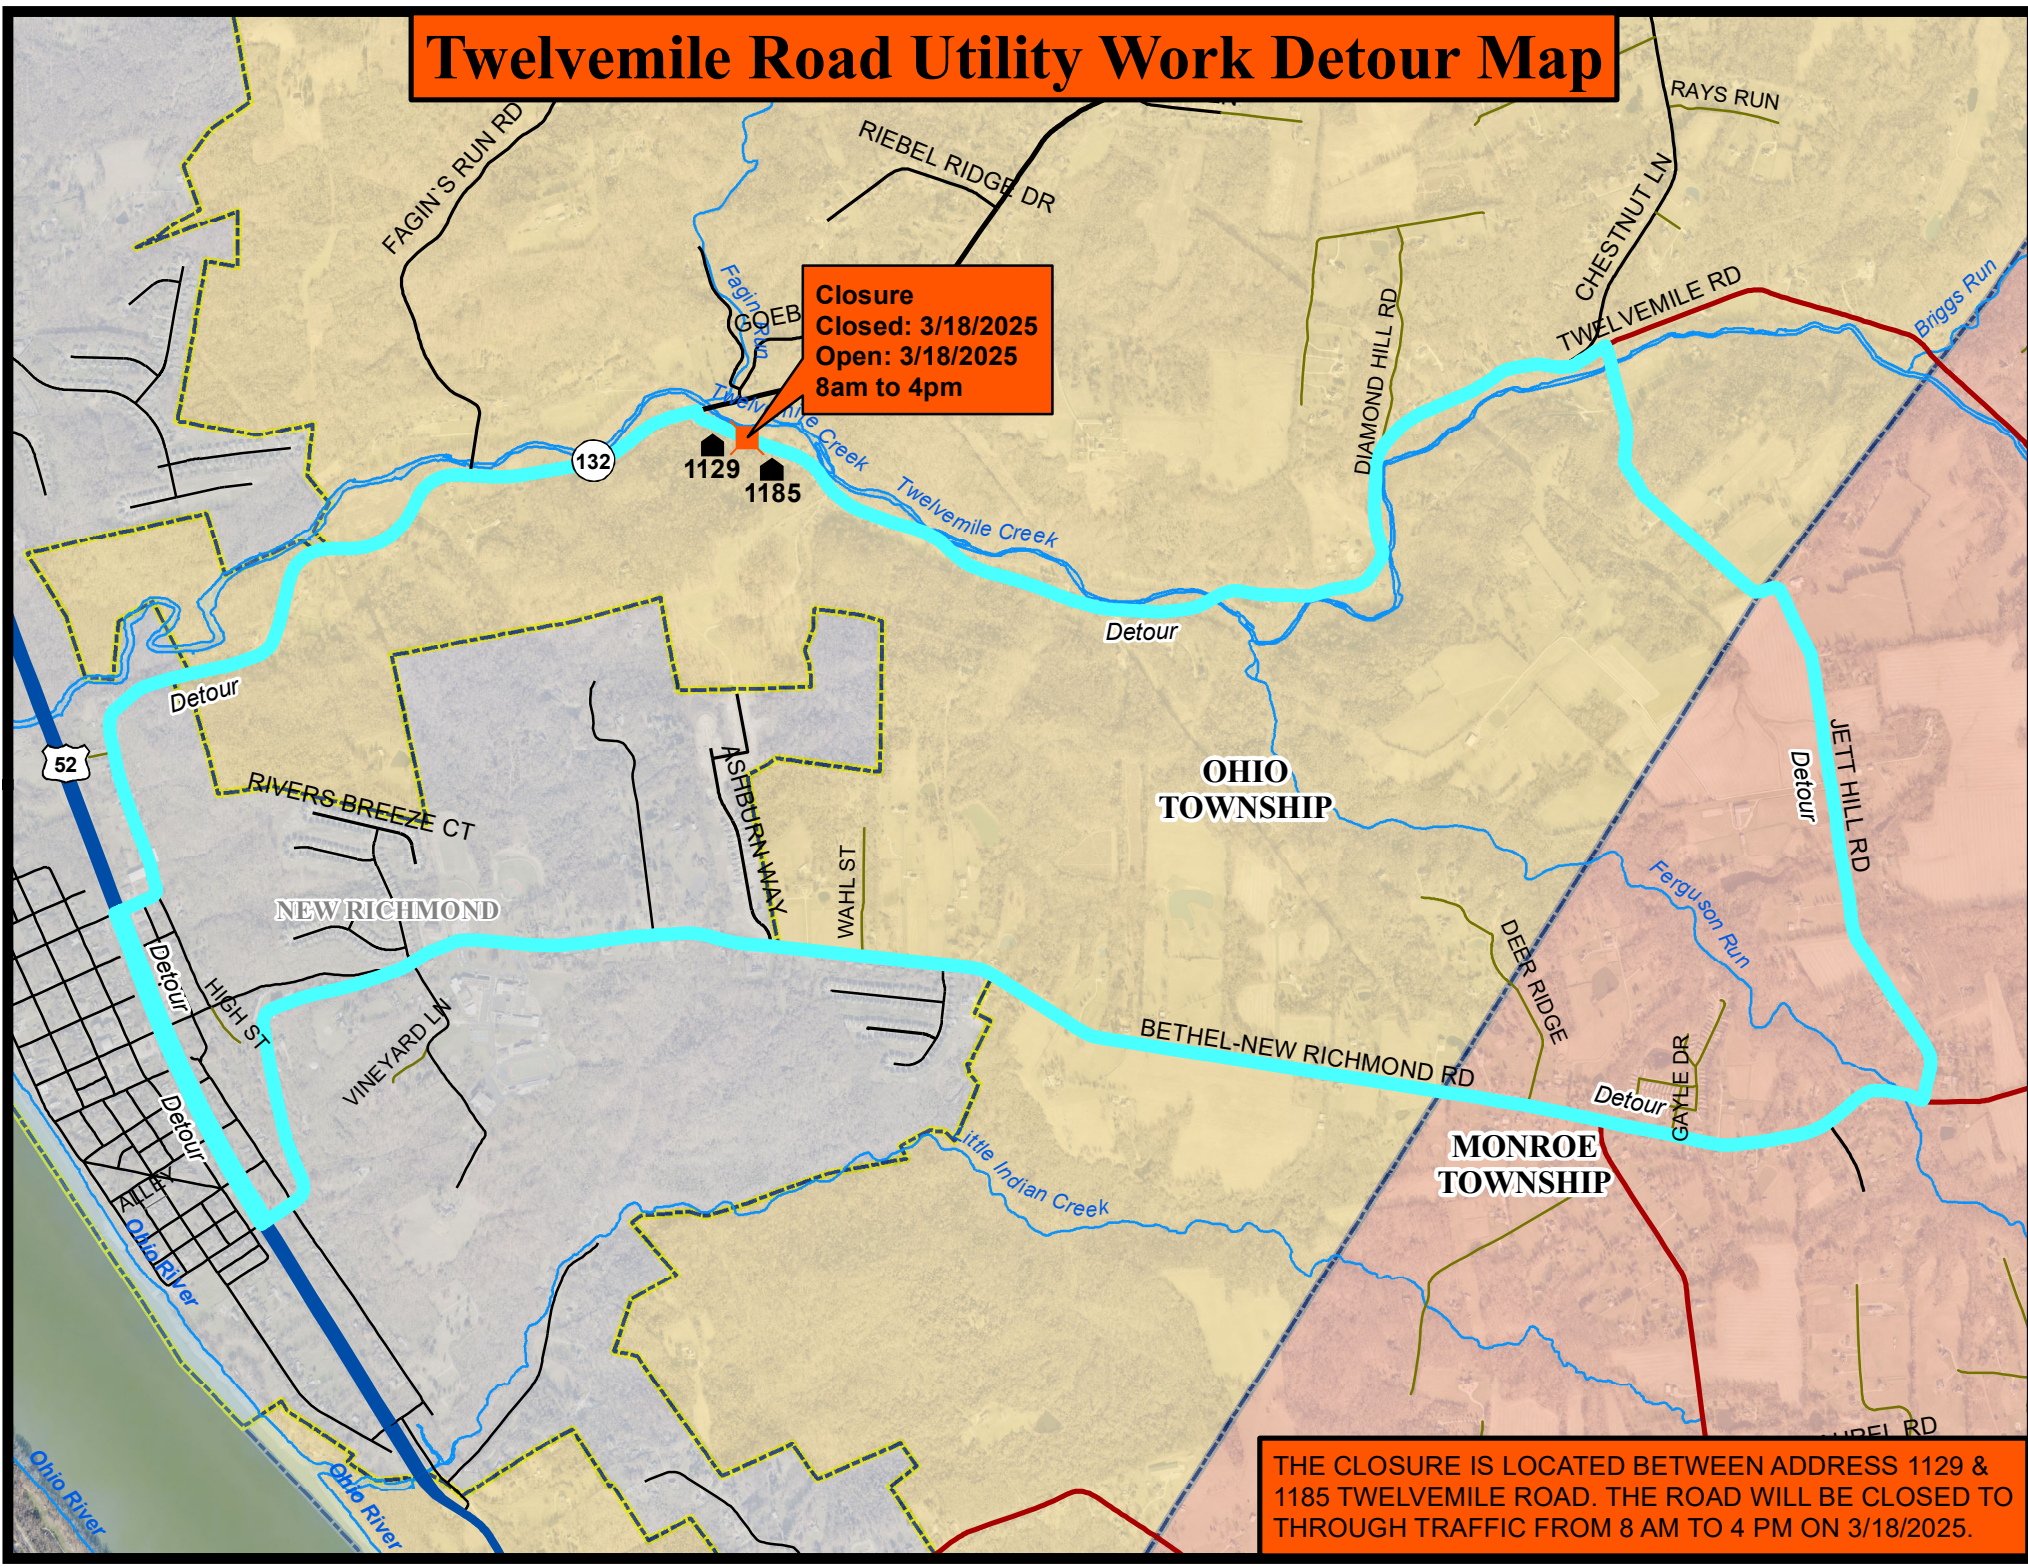

Jeremy P. Evans, P.E., P.S.
